Thanks for your interest in our "Generations Best" event. We feel fortunate and excited to be experiencing a strong cattle market!

The group that we are offering are some of our best from seven decades of cow families that have given us a good way of life. These females offer form and function, giving you a sound, healthy, genetic base to grow from.

Thanks so much to Bill Conley Sr. for his years of building these great cow families. We would not be here if it was not for his dedication and patience.

We welcome Weers Angus as a guest consignor. If you have not met Greg and Family, do so! They are a hard-working, trustworthy family that have a quality set of females in Southeast Nebraska.

Come join us on September 20, 2015.

Eat some CAB and enjoy a snappy sale!

Bill, Donna and Trey

'THANK YOU'
(for all the hard work!)

CONLEY ANGUS - 67 YEARS OF ANGUS COMMITMENT

Tom Burke

On behalf of the American Angus Hall of Fame, it is certainly a pleasure to be working with Bill, Donna and Trey Conley on this great sale event. The Conley Angus program is built on integrity, hard work and great Angus cattle.

The Conley family has great influence on the Angus world as they have had the opportunity to judge every major show in the United States and now, on their fourth generation of Angus breeders, the work established from the early Gibbet Hill days through today has built a program of cattle that have impacted the Angus breed for a lifetime. The dedication and devotion on selecting genetics for generation after generation for phenotype, performance, maternal and EPDs, is certainly recognizable throughout this sale offering.

Kurt Schaff

Bill and Donna have bred AI sires that have served in every major AI stud across the United States, and as you flip through the sale book you will find the mothers, sisters and daughters of all these great AI sires which include BC Matrix 4132, BC Lookout 7024, BC Classic 385-7, BC Eagle Eye 110-7, BC Marathon 7022, BC 7022 Raven 7965, BC Mid Emblazon 854E 702, BC Balance 516-7, BC Certified 413-1 and many others.

This sale offering is second to none and is stacked with great cattle all the way through so whether you are in need of an elite donor, bred heifer or show heifer prospect or just good Angus cattle, please plan to be with us on September 19, 2015 at 1:00 p.m. in Clarksdale, Missouri. If you need any assistance in any way, please feel free to contact the American Angus Hall of Fame at (816) 532-0811.

Jeremy Haag

Sincerely,

Tom Burke (816) 853-2697
