Watch & bid online for FREE at DV Auction

Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases! After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding, be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding—if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

Cattlemen,

Once again, the end of another year is upon us. It has been a tough one for some, but decent for others. The early lack of moisture made for some tough summers in cattle country. We are, however, moving into a pretty respectable fall season.

The cattle market has begun to stabilize a bit and we are probably moving into a time where it makes sense to replace and rebuild. Many cows have been preg checked and processed with many more being done in the next few months. It always makes sense to replace those old, unproductive or open cows with new genetics that are bred up right to improve and advance your herd. That is why we started offering these bred females at this time of year.

As always, these cows have been managed just like the rest of the cows in our herd. They were all sorted from one AI group and are basically a “gate cut” from the herd. These cows were photographed and had videos taken in late lactation with big, growthy calves at side. Calves that are going to be future Opportunity Sale bulls and replacement heifers. The cows are fully guaranteed to work for you, just as they have for Wulf Cattle. If they are not AI bred to some of the hottest sires from our battery they are pasture bred to the great numbered, black, homo polled Xtractor son, Wulfs Cobra 2662C.

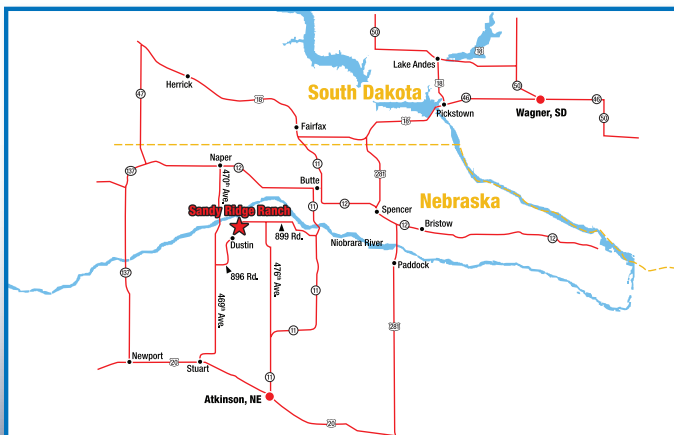

The long aged bulls being offered are big, stout and ready to work. Whether you need some Lim-Flex or Angus bulls to go to work this fall or you want to buy now to get them on your management before spring turn out, these herdsires are semen tested and ready.

The cattle are all located at Sandy Ridge Ranch in Atkinson, NE and will be there until the sale. Delivery will be guaranteed to not exceed \$200.00/head and will be free of charge on purchases of three or more head. If you would like to have a look at the offering please contact me.

If you have any questions about the offering, please feel free to contact me at 320-288-6128.

Respectfully,

Casey Fanta
Seedstock Manager
320-288-6128

Directions to Sandy Ridge Ranch

- From Stuart, Nebraska—North on 469th Avenue 14 miles to 894 Rd. Turn east 2.5 miles and north 4 miles.
- From Naper, Nebraska—South on 470th Avenue 12.7 miles to 894 Rd. Turn east 2.5 miles and north 4 miles.
- From Butte, Nebraska—1 mile west of Butte, turn south onto Highway 11 6.1 miles. First right after the Niobrara River, turn west onto 899 Rd. 10.9 miles.
- From Atkinson, Nebraska—North on Highway 11 7.9 miles. Continue straight onto 476 Avenue 14.5 miles. Turn west onto 899 Rd. 2.9 miles.

2017 Fall Bull Retirement November 17 from 2:00-5:00 PM & November 18 from 8:00-11:00 AM (MST)

Get paid a premium to retire your herd sire this fall! Make arrangements to bring your used herd bull to the Depot, McLaughlin, SD on Nov. 17 from 2-5 p.m and Nov. 18 from 8-11 a.m (MST). Wulfs have a certified scale at the Depot. We will have an American Foods buyer there bidding top prices on your bulls. They must meet all USDA withdrawals for any animal health products they have been given. All breeds are welcome, except dairy breeds, Longhorns and Corrientes.

Wulfs will add an additional premium to the value of the retired bull.

- 1-4 bulls = \$200 per bull
- 5-9 bulls = \$250 per bull
- 10+ bulls = \$300 per bull

American foods will pay Wulfs for the bulls. You will receive full value plus the premium to be used as sale credit at Wulf's Opportunity Sale of 2018 on Friday, April 6.

Contact us at (320)392-5802 or email wulf@wulfcattle.com with any questions and let us know if you are bringing in your bulls.

Wulf Cattle Beef Industry Supply Chain

BE KIND Tips

Wulf Cattle is committed to best practice animal handling and welfare.

BE KIND is an initiative practiced throughout all Wulf Cattle, combining BQA as well as humane handling guidelines.

The sum of the topics the BQA National Guidelines covers

Beef Quality Assurance (BQA) is a program that provides systematic information to United States beef producers and consumers of how scientific knowledge combined with common sense husbandry techniques of raising cattle, under optimum management and environmental conditions. The BQA program is nationally coordinated and state implemented. The guidelines for the program were created so beef consumers could be confident in their beef purchases and trust in the entire beef industry.

The BQA program places emphasis on the education and training of cattle producers, farm employees, farm advisors, and veterinarians on issues in cattle food safety and quality. The program provides tools and training for verification and documentation of animal husbandry practices. All BQA principles are based on good management practices that are standard operating procedures designed to meet the United States food production system.

We believe it is beneficial for all cattle producers to get their BQA certification. It helps ensure you are using the best common practices at your facility.

Some of the topics the BQA National Guidelines covers:

- *Feedstuffs and Sources*
- *Feed Additives and Medications*
- *Animal Treatments and Health Maintenance*
- *Prevention and Processing*
- *Pesticides*
- *Recordkeeping and Inventory Control*
- *Action in case of a Violation*
- *Cattle Handling*
- *Culling Management*
- *Carcass Quality*
- *Care, Husbandry and Other Considerations*
- *Contamination / Adulteration*

To learn more about the BQA program please go to www.bqa.org
