Dear Limousin Friends,

My how times flies as we approach the hosting of our 11th annual “Proof Of Progress” production sale. As we celebrate 24 years in the registered Limousin business we realize the friendships and fellow breeders we have met over those years mean the most to us.

We are quick to realize that the people that make up the team at P Bar S Ranch are just as valuable as the cattle. We are proud to have Elgin Elmore as general manager along with his very able crew of Derik Frazier, Gus and Marvin Allensworth.

The Little Ranch with THE Big Genetics was designed to be a source for some of the finest registered seedstock in the business. We want and desire for each and every client that purchases a PBRs-bred animal to appreciate the many years and resources we have put into the product. Our goal is for these cattle to go into the new buyers herd and enhance their programs in the very best way possible. We are in hopes that as you view this catalog you will appreciate the offering as much as we do.

This year’s offering includes the best from our Limousin, Lim-Flex and Angus herds. Thank you for joining us.

Sincerely,

Paul Sisemore

PBRs First Suspect is the result of blending the best Red Angus with the best purebred Limousin. This open heifer is a prime example of exactly why P Bar S Ranch incorporated Red Angus into the mix. They are raising some of the finest purebred Red Angus along with their purebred Limousin, Lim-Flex and Angus cattle. This heifer is sired by the Wies Limousin/Magness Land & Cattle Co. sire MAGSWL Usual Suspect. The Triple Crown winning bull continues to be the go to sire when looking for red, purebred Limousin genetics. He was mated to the purebred Red Angus female, CRSL Champagne, a daughter of Red Northline Jesse James. PBRs First Suspect is awesome from the ground up. She is massive in her foot size, heavy in her bone structure and deep bodied. She is massive in her rib shape and has so much capacity. We certainly love her through her head and neck.

Lot 2A: PBR6285D, a 9.12.18 red, double polled 57% Lim-Flex bull sired RLBH Days Of Thunder, BW 72 lbs.

It is easy to see why this absolutely gorgeous first calf heifer is a sale feature. She is a 50% Lim-Flex female that comes straight from the heart of the long running P Bar S Ranch. She is one that they would like to retain in the herd but realize they need to highlight only their best in this 11th annual production sale. She is a daughter of the ever-popular highly syndicated sire, Cottage Lake Border Agent. Now deceased, he has left some amazing progeny to say the least. This daughter is homozygous polled and made as good as you can imagine. This female is the result of blending the best purebred Angus with the best of purebred Limousin. She sells with her bull calf by RLBH Days of Thunder, a homozygous polled full brother to RLBH Air Force One.

We admire the design and profile of this 62% Lim-Flex female. She is nearly perfect through her head and neck, straight and level down her top and sound from the ground up. She is extremely long bodied and has plenty of rib shape and volume. The blending of **EF Xcessive Force** and **EF Yaffa 821Y**, has proven time and again to be one of unparalleled genetic perfection.

Without a doubt, one of the best crosses ever created at P Bar S Ranch has been the mating of DHVO Deuce back to purebred Angus. This heifer is a daughter of the national champion DHVO Deuce who is responsible for the creation of more champions than most any other sire in the business. She is from the leading P Bar S Ranch purebred Angus donor, LBAF Shawnee 602. She has been a main stay donor and is a daughter of Twin Valley Precision E161. She also happens to be the dam of PBRs Bunk House, one of the leading sires for P Bar S, Stowers and Lonely Valley.

MAGS Zenovia 3942A is one big-league female! She is sired by the once All-American Futurity supreme champion bull, MAGS Xyloid. He is now the leading sire for Edwards Land & Cattle Co. This MAGS Xyloid daughter is from a big numbered daughter of AUTO Dollar General 122R from an Angus female. MAGS Zenovia is a 62% Lim-Flex female that is homozygous polled, homozygous black and scanned a breed-leading 7.35 for IMF and still maintained a 11.70 for REA. She ranks in the top 1% of the breed for gestation, top 1% for milking ability, docility, carcass weight and \$MTI. She was mated to the ever popular and now deceased sire PBRs Bunk House 48B. He is the double homozygous son of MAGS Yip back to the proven Angus donor, LBAF Shawnee 602. He ranks in the top 1% of the breed for gestation, top 2% for carcass weight, top 3% for marbling and \$MTI and top 10% for yearling weight. The resulting calf will be big numbered and represent as good of a pedigree as anyone could ever ask for.

Lim-Flex at its finest!

AUTO Ajay 206A is a leading donor for P Bar S Ranch. She has proven herself as one of the finest daughters of the deceased MAGS Manuela donor and sired by the leading Angus bull, SAV Brave. She is the dam of several breed-leading animals but her most noted would be AUTO Dana 265D. She was the 2017 National Western Grand Champion Limousin Junior female for the Ben Spencer of J6 Farms, Gibbon, NE. Another breed great is the leading service sire for White Valley Ranch, Adair, OK, PBRS House of Cards and P Bar S service sires PBRS Deep Impact and PBRS Maverick. AUTO Ajay 206A is the 50% Lim-Flex polled and homozygous black donor that is available for the buyer to flush using whatever sire they deem necessary. Buy with the utmost confidence, as this is one special lot that can result in some very special results.

Purebred at its finest!

EF Windsong is one of the elite purebred Limousin donors at P Bar S Ranch. She was a many time show champion female for Rachel Booth and now is a prominent purebred donor in the long list of the P Bar S Ranch donors. She is a daughter of KRVN Naskar 013N from the TNUH Blue Print daughter back to one of the all time great donors in the entire breed, EXLR 231J made famous by the Etherton Family. If you want to create your own Purebred or Lim-Flex genetics you take your pick as the buyer of this lot.

EF Up To The Challenge represents purebred genetics at its finest. She is a double homozygous female that has just continued to produce excellence time and time again. She is sired by the once highly syndicated sire MNWS Frontier 507R. She is a maternal sister to the female listed above. These two maternal sisters continue time and time again to produce some of the very best at P Bar S Ranch. You the buyer will get the opportunity to pick your sire to blend with the genetics of these great donors.

When Lim-Flex was created this is exactly what our board members had in mind! This female is absolutely perfect in her design and is one of the finest to ever carry the PBRS prefix. She just happens to be sired by the now deceased but very popular PBRS Bunk House 48B. He is the double homozygous son of MAGS Yip from the purebred Angus donor. LBAF Shawnee 602. She is sired by the elite Angus sire, Twin Valley Precision E161. PBRS 6259 is from PBRS Zandra 294Z, a daughter of the once All-American Futurity supreme champion sire MAGS Xyloid. She sells bred to the black and homozygous polled bull RLBH Days of Thunder, a full brother to RLBH Air Force One.

RLBH DAYS OF THUNDER | Service sire of Lots 13-17

It sure seems that when a bull surfaces with all the makings of a great one something not so good happens. P Bar S Ranch raised PBRs Bunk House and was syndicated in their past sale where possession was sold to their friends at Lonely Valley and Stowers Limousin. He is now deceased and with very limited semen availability his progeny have surfaced as some of the finest in the breed. He is a son of MAGS Yip, a proven son of the purebred bull MAGS The General. His dam is the purebred Angus daughter of LBAF Shawnee 602. The following 4 daughters of PBRs Bunk House represent his genetics quite well and we think you will be very pleased once you see them on sale day.

Two Full Siblings—Selling Choice

These females are true highlights in the breed! PBRS Derby Winner 6306D and PBRS Diva A Note 6298D represent a mating that has resulted into two very special individuals. They are sired by the predictable and popular MAGS Aviator and from SBLX Znote. Znote was purchased by Lauren Stowers from Sugar Bush Cattle and was named the National Junior Heifer Show Grand Champion Female. She is a daughter of MAGS Xyloid and from the famed MAGS Manuela. In this past 2018 Stowers Limousin sale, P Bar S Ranch purchased possession and 50% embryo interest in SBLX Znote for \$20,000. Her progeny over the last few years have truly been something great. These two females from the heart of the P Bar S replacement pen speak volumes as to how great their program really is.

This 42% Lim-Flex homozygous polled and homozygous black daughter of MAGS Aviator is one top replacement female. She has surfaced as one of the leading replacement females and they felt it necessary to showcase her in the 11th annual sale. She is from one of the P Bar S Ranch foundation donors, FLLR Tiger Lilly, a daughter of Mytty In Focus. She is a leading donor that has as much rib shape and capacity as any 50% Limousin you can find. This female ranks in the top 1% of the breed for gestation, top 2% for marbling, top 4% for \$MTI, top 10% for calving-ease direct and CEM.

One thing for certain in this great breed of cattle is the mating of MAGS Xyloid back on purebred Angus females. The results of that cross is absolutely amazing. MAGS Xyloid is the sire of ELCX Turning Point. He is the leading sire purchased by P Bar S in the Edwards Land & Cattle Co. production sale as a top seller. His influence back on the purebred Angus herd at P Bar S has worked exactly how they wanted as you will see when viewing these four daughters. They are very much the right kind and some of the finest in the sale.

Riverstone Crown Royal is the leading purebred sire for P Bar S Ranch, Riverstone Cattle Co. and Stowers Limousin. He is a son of TMCK Durham Wheat from the Riverstone purebred donor, HSF Your Fantasy. He is a full brother to the all time great purebred show female, Riverstone Charmed. She is the \$100,000-valued female that is owned by the Ratliff Family and embryo partnership with Stowers Limousin. The genetics behind this sire is like no other and has tremendous promotion behind it. These Riverstone Crown Royal heifers are from purebred Angus females. The combination of purebred Limousin blended with the best of purebred Angus has worked out well with these heifers.

SPRING BRED HEIFERS

One of the very best females ever created at P Bar S is PBRs Winning Ways29W. She is a daughter of the national champion DHVO Deuce 132R and from the Jones/Benson raised female TYEJ Royal Lass. She was once purchased by Express Ranches then made her way to Tubmill Creek Farm and has since been purchased back by P Bar S Ranch. She continues to amaze the many that have seen her and experienced her progeny. These two full siblings are sired by the P Bar S, Stowers and Southern Cattle Co. herd sire SBLX First Class. He is a the son of Dameron First Class from MAGS Manuela and his calves have been terrific for the many that have influenced their cowherds with his genetics. These females are something special and we think you will approve sale day.

SBLX First Class Daughters - Lots 32-37

These five paternal sisters (Lots 32-37) are sired by the P Bar S, Stowers and Southern Cattle Co. herd sire, SBLX First Class. The son of Dameron First Class out of MAGS Manuela is siring calves that have been well accepted in the marketplace. These spring-bred heifers feature a variety of desirable genetics on dam side of their pedigrees and are truly the kind you can build a program around. Their service to either RLBH Days of Thunder or PBRS Bunk House adds addition value to these unique lots. Study them sale day, we think you will appreciate the genetic value these females possess.

One of the most sought after crosses at P Bar S Ranch is when they mate MAGS Yip to purebred Angus. The results of those matings have worked in production as you will see with this female, PBRs Black Berry 424B. She ranks in the top 1% for gestation, top 3% for marbling and \$MTI and top 5% for carcass weight.

Her dam is BOHI Sundance 6217S, a daughter of GAR Integrity from the big league donor, ANLC 0745K. The genetics behind this female are terrific and her conformation and profile are as perfect as you would ever want to make one.

LOT 65

BULLS

These 5 full siblings (Lots 66-70) are some of the finest herd sire prospects P Bar S Ranch has offered for sale. They are by the highly syndicated sire Riverstone Crown Royal and from one of the top P Bar S Ranch donors, MAGS Barbie. Riverstone Crown Royal is the leading sire for P Bar S and their partners at Stowers Limousin and Riverstone Cattle Co. He is a purebred son of TMCK Durham Wheat and just happens to be the full brother to the \$100,000 valued female, Riverstone Charmed. The dam of these bulls is MAGS Barbie, a proven and prominent daughter of MAGS Y-Axis from the famed donor, MAGS Ur Salina. All but one of these bulls is double homozygous and they are 75% Lim-Flex. The buyer will have a tough time selecting their favorite as they are all very much made the same. They are for sure the “right kind” and we think you will be impressed.
