Dear Cattle Enthusiasts,

From all of us at P Bar S Ranch we would like to welcome everyone to this special event. We normally just have a production sale in the fall but we wanted to change things up a little and highlight a few of our special ones for this unique spring offering. As you will see in this sale book we are featuring the finest we have in Limousin, Lim-Flex and Red Angus genetics.

Elgin Elmore and his very able crew have done a superb job in the creation of what we think are the best set of cattle we have ever raised in the over 20 years of being in the cattle business. We are more than proud to showcase both breeds of cattle and their breeders join us for this special event. We love sound, functional cattle with solid EPDs and we feel we might have something you might like. Join us early for this event and we will show you the hospitality that so love to offer when our new and old friends come to The Little Ranch with THE Big Genetics.

Sincerely,

Paul Sisemore
P Bar S Ranch

TRUCKING: Will be available on site to haul any purchases out the day of the sale. To make prior arrangements, feel free to call R&R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

PAYMENT: All cattle must be paid for immediately following the conclusion of the Sale unless prior payment arrangements have been made with R&R Marketing Co. at 615.330.2735. R&R Marketing accepts payment by credit cards with a 3% convenience fee.

ANNOUNCEMENTS: Announcements made sale day by the owners, auctioneers or sale management take precedence over statements in this catalog.

SALE ORDER & SUPPLEMENTAL INFO: Sale order and supplement sheet information will be posted at www.RRMktg.com.

TERMS & CONDITIONS: Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor P Bar S assume liability, legal or otherwise for, any accidents which may occur.

LOT 10

Due approximately 9.25.19 to RLBH Days Of Thunder
 This female will stop you dead in your tracks. Talk about an elegantly designed female! We can't get enough of this one's build and her exceptional profile. PBRS Eternal 7294E is from the highly popular and proven, MAGS Yip. This female has the modern build of a high-level producer featuring a uniform and feminine design. She is homozygous black and homozygous polled. Her marbling ranks in the top 15%. We really admire her angles, femininity and her bold design. The icing on the cake is the fact she is a full sibling to the deceased AI sire PBRS Bunk House 48B, whose progeny are known around the country for their natural growth performance, structural correctness and body depth. He has sired countless sale toppers and show stoppers including the 2018 National Junior Heifer Show Champion Lim-Flex female, MAGS Eadie.

 PBRS 7260E profiles about as sharp as they come. Her structure is fault-free and she tracks with great confidence and flexibility on the move. This female is a full sib to PBRS 79E. Out of MAGS Aviator and from a DHVO Deuce daughter. She's got major royalty in her pedigree on both sides and this is a super special opportunity for you to add these tremendous genetics to your herd. She's long in her spine and super upheaded with a clean, feminine front one third.

MAGS UAHUKA | Dam of Lot 14

Open Heifer. We love the look of this female. She is super long bodied, deep in her rib and flexible off both ends of her skeleton. Her dam is a DHVO Deuce daughter and from the great Carrousel's Pina Colada female. Her sire is Silveiras Style 9303, the renowned producer of numerous show ring champions. This female is keeping suit with all of our breeding principles here at P Bar S. She offers growth, functionality and efficiency all in a beautifully constructed package. She is a 50% Lim-Flex, homozygous black and homozygous polled female.

We couldn't think of a better mating than this one. This is your chance to be a part of a phenomenal homozygous polled, homozygous black 50% Lim-Flex heifer embryo package. TASF Crown Royal 960C is the impressive DHVO Deuce son who was a 2017 Denver Champion. He is flawlessly constructed and packed full of power. Crown Royal has a balanced number profile and has been proving himself time and again. BUF Eppionia 7307 is the elite P Bar S purebred Angus donor who is a staple for stellar phenotype and fault-free design. She is continuing to make a remarkable impact in both the Lim-Flex and Angus breeds all over the country.

Another premier mating here! We are offering five conventional double polled, homozygous black 50% Lim-Flex embryos. AUTO Power Plus 133B is the popular EXAR Denver 2002B son from a DHVO Deuce daughter, EF Yadda Yadda 809Y. AUTO Ajay 206A is an incredibly powerful donor for us. This female is near perfect in her lines and has set the bar for what donor females should be. Ajay 206A is a daughter of SAV Brave and the famous, MAGS Manuela female. Talk about powerhouse genetics!

Here is another AUTO Cruze son out of the KRVN Naskar daughter, EF Windsong. He is homozygous polled and homozygous black. We love this bulls design and power. He has such a production oriented look as well as great structure. The amount of center body shape this bull has is something to be reckoned with. Study this guy's number profile because he's got some great ones. He ranks in the top 20% for marbling and the top 25% for weaning weight.

PBRS 7266E has quickly risen to the top of his contemporaries in our book. Everyone that views this bull can't stop remarking how special he is. He's incredibly deep in his rib, long strided and has a super flashy design. PBRS 7266E is huge ribbed and great on his feet and legs. This bull is a full sib to PBRS 7264E and ranks in the top 25% for marbling.

SBLX FIRST CLASS | Sire of Lot 21

Here is quite the impressive MAGS Aviator son out of the great SBLX Xtra Special female. This young herd sire prospect has all the right parts, even more the most critical cattleman. He's got style, growth and major power to advance him to the top. He is homozygous black. This guy will leave a mark in your herd for generations.

 PE'd from 12.18.18 to PBR Nexus 794

This KCC Pinnacle daughter has an abundance of body, bone and structural correctness. They don't make them broodier than this one. She's huge middled and superb in her muscling. PBRSCartier 723 has a rear leg structure that so many rave about each time they view this female. She's got a great hip in her and we are super confident in this one's ability to raise the right ones to catapult your program to the next level.

PBR NEXUS 794 | Service Sire to Lot 33

*AI'd 12.14.18 to J6 State of Shock D639
PE'd from 12.18.18 to PBRS Nexus 794*

PBRS Nexus 733 will pack a punch of functionality and incredible power into her future offspring. She's super attractive and has an ideal frame to make competitive and functional individuals. This female is a Silveiras Mission Nexus 1378 daughter. Silveiras Mission Nexus is a super producer of national champion females and top producing herd sires and is known for his top semen selling ability. This female has powerhouse donor written all over her- just look at her depth of body and crazy rib shape!

This Taurus daughter is flawless in her design, super sound in her structure and will leave you more than impressed. She is huge bodied, capacious in her rib shape and stands so confidently on big bone. Her presence will grab anyone's attention- when she strikes a pose, she's crazy impressive. She has every part to be one cattleman's next feature donor cow. We appreciate the amount of body and rib shape she has and her feminine front one third.

LOT 35

PE'd from 12.18.18 to PBRs Nexus 794

This female will make one cattleman super proud when her calves hit the ground. PBRs Emerald Cut 7201 is stylish on the profile, flexible on the move and has a great amount of rib shape. This female is more moderate in her frame size, but that won't stop her from being a top producer. She is a Red Jock Boston George 3B daughter. Buy with confidence in this female on sale day and don't miss the opportunity to add an incredibly powerful individual to your herd.
