Pinegar Limousin is proud to continue the AUTO Legacy that Ed began almost 30 years ago. In every business endeavor Ed began, customers are priority; we are only sustainable if our customers are satisfied with their product. We believe the offerings you will see here represent the heart of our program; we continue to strive to exceed customer satisfaction.

Our motto in the cattle business has been to have common sense and planned genetics to assure our customers the most predictable product possible. We have surrounded our program and laid a foundation with only the best and most proven donor cows we could possibly create and/or find. That nucleus of females has secured our place as one of the largest seedstock suppliers in the breed.

Our program has been managed by Ty and Susie Heavin for many years, and we thank them for all they do. The professionalism, care and maintenance of the cattle is beyond compare and like no other. We could not be the program we are without them.

As it has been said, these times are unprecedented and we want to thank the entire Pinegar crew who work day in and day out no matter the circumstances.

We also want to thank everyone that works hard to prepare for the sale and during the sale. We are grateful to our customers, the relationships we have developed over the years are priceless.

Sincerely,
The Pinegar Family

When we think of major cow power and an elite genetic profile, this is the female that always comes to mind. AUTO Folly 284F is a double homozygous daughter of MAGS Cable. Her dam is AUTO Bliss 265Y, a daughter of LH U Haul and the great WLR Ugly Betty 432U. This is a female that is darn near impossible to put a hole in. We love her athletic build, her massive body shape and her flawless structure. We believe she'll be a top donor for any program or herd. She is a 57% Lim-Flex female with a tremendous set of numbers. Her marbling EPD of 0.34 ranks in the top 10% of the breed, her weaning weight in the top 15% and her yearling weight in the top 20%. You'll want to have this gal at the top of your list sale day, because opportunities like these are few and far between.

Will calve by sale day. Carrying an embryo by CELL ENVISION 7023E out of AUTO DALEJAH 211D ET.

Here is a female out of the great AUTO Luckie Too 423Y female. AUTO 479E is an HA Cowboy Up 5405 daughter. When we think of major cow power this is the exact female that comes to mind. The massive depth of body, explosive rib shape and powerful muscle expression this female has is almost second-to-none! She has donor female written all over her from top to bottom and end to end. Her top is as wide as a dinner table and dead level. She is a double homozygous 50% Lim-Flex female that should be at the top of your radar sale day. Her weaning weight and yearling weight both rank in the top 25% of the breed.

AUTO How It's Done 1219H is a herd sire prospect that will be a crowd favorite on sale day! He is a Colburn Primo 5153 son and out of the WLR Direct Hit female, AUTO Luckie Too 423Y. This bull calf is so impressively designed—he's crazy extended through his front one third, dead level in his hip and expressive in his muscle shape. We love this guy's depth of body, rib shape and powerful structure. If every bull calf that hit the ground looked like this guy, we wouldn't know what to do with ourselves. He is a 50% Lim-Flex bull that reads with so much breeding versatility. We can't wait to see what this herd sire prospect goes on to do in his bright future! He is homozygous black and heterozygous polled. This is one that you'll want to get a hold of now, or else you'll be reading about his accomplishments wishing you would've loaded him on your trailer!

Folks, this is one impeccable female. If we could design one by hand this is exactly how we would do it! Judges have agreed in that Hettie was named reserve champion at the 2020 Ozark Empire Fair and grand champion at the 2020 Nebraska State Fair. AUTO Hettie 207H is a daughter of MAGS Aviator and the beautiful AUTO Lucky Strike 118B daughter, AUTO Remi 674D. She is designed flawlessly through her neck and shoulder that she's not hard to miss in a crowd! We absolutely love her spring of rib, depth of body and shapely build. She's expressively muscled and still looks like a lady. When you get this one on the move, she'll blow you away with her stellar flexibility and length of stride. If there's one female in this sale that is a top donor prospect, it's AUTO Hettie 207H.

Talk about a versatile female! AUTO Heidi 229H is a double homozygous daughter of CJSL Creed 5042C, the MAGS Aviator son we've loved using. This female's dam is AUTO Callie 403D, the AUTO Power Plus and AUTO Rebeca 292S daughter owned by Boyce-Dill Cattle of Marshfield, Missouri. She has an impressive set of numbers you'll want to check out. Her yearling weight EPD ranks in the top 15% of the breed, weaning weight EPD in the top 20% and her marbling EPD in the top 25%. Not only is this gal darn near perfect on paper,

she's a total beauty queen in person. It's hard to find a female with this much extension through her front third while maintaining a powerful amount of body shape. She's flawless in her lines, crazy deep bodied and stands on a powerful and perfectly constructed structure. This is one elite female that deserves the attention of many.
