It is our honor for those of us at Spring Creeks Cattle Company to invite you to our Third Bull Sale, February 16, 2020, at 1:00 p.m. in Fennimore, Wisconsin. The bull business is something we've been involved in for more than three decades. After all of these years, hundreds of bulls sold and many loyal and satisfied customers later, we have made the transition to showcase our entire program to everyone via the public auction venue.

We are fortunate in that we are located in a portion of Wisconsin with access to lush green pastures and an abundance of feed. The bulls selected for this sale are from the top of our extensive AI programs and are products of our cows that efficiently convert Mother Nature's best into the best genetics the Limousin and Angus breeds have to offer.

As in the past, we are offering a few incentives for purchasing your bull early in the bull buying season. Customers will have the option to pay 50% down sale day on any bull over \$2,500. We will gladly keep the bulls until April 1, 2020, or give you a \$50 discount for hauling them home the day of the sale. We continue to guarantee bulls as we have in the past.

At Spring Creeks Cattle Co. we have worked hard to earn the reputation of "Breed'n the Feed'n Kind!" The beef industry has been on a roller coaster for the past couple of calf crops. It has never been more important to invest in genetics that excel in all phases of production as efficiently as possible. The bulls we have presented for your appraisal will add value to your program and the industry. Buy with confidence and with the knowledge we are working hard to ensure your success in the Beef Business!

Sincerely,
Bob Mitchell & Family
Spring Creeks Cattle Company

Bulls

It is once again our pleasure as a family to present to you what we feel is our best bull offering to date. We work day in and day out to raise the best Limousin and Angus seedstock possible and we think this offering accurately highlights the long term goals of our operation. Regardless of the direction of your program, we are confident you will find genetics in this offering capable of taking your program in a positive direction. Just like you, we are involved in the beef cattle business each and every day, so we are familiar with the challenges we all face and we know what kinds of bulls and females it takes to be profitable in the real world of beef production.

There is a reason this guy is so far up in the sale. He may not have taken much of a photo, but this double homozygous purebred did just about everything else right leading up to sale time. His balanced EPD spread is highlighted with top percentiles for both yearling weight and marbling.

Invest with confidence.

SPRING CREEKS CATTLE CO.

Females

If you are looking to add production-oriented females to your herd, now is the time and this is the place. These bred females represent what our program is all about and we are confident they will make a lasting impact for their new owners.

ELITE BRED FEMALES

WULFS ENDEAVOR C703E

Many of the females selling carry the service of this homozygous polled, black, 75% Lim-Flex son of Wulfs Willard out of an outstanding Brilliance female. His sons sell as Lots 26 and 29, so be sure to look them up sale day to see for yourself what a great job he is doing in our program.
