Limousin Enthusiasts,

Welcome to the 16th Annual Great American Pie Sale, May 22 at the Mid Missouri Stockyards in Phillipsburg, Missouri.

It is my pleasure to be associated with this fine group of Limousin seedstock producers in Missouri and surrounding states. The Southwest region of Missouri has long been a hotbed for outstanding Limousin genetics, and we feel this offering is representative of the dedication breeders in this area have made to the breed of cattle.

We have worked hard to assemble an outstanding assortment of Purebred and Lim-Flex genetics for the most discerning cattleman. As you study this catalog, you will find some of the most unique and diverse genetics available within the breed.

If I can be of any assistance, please don't hesitate to contact me.

Sincerely,
