Welcome,

Welcome to our Seventh Production Sale. We are proud of the genetics we have for your appraisal and look forward to the opportunity to interact with our fellow cattlemen regarding this offering.

We titled this sale "Hidden Gems" for good reason. While we have a long and established Limousin operation, the genetics we have marketed publicly up to this point have been limited. This event changes all of that.

This sale features our very best bred females, open heifers and herd sire prospects, not to mention a proven donor female, her daughter, and an exciting mating to one of the hottest bulls in the breed, ELCX Kings Landing.

Several years back, we made a substantial investment in genetics with the purchase of an outstanding group of bred females from Magness Land and Cattle. Throughout this catalog, you will see firsthand the positive influence those females have had on our program. These fresh genetics, coupled with the proven and predictable herd we already had in production, has resulted in many exciting matings and resulting offspring. Many of which are available for your appraisal in this sale.

This is a sale of opportunities. Study the catalog and come view them for yourself. The cattle are high quality and we stand behind them 100%. Feel free to contact us with any questions you may have. The good ones are here, and we want to help you find the genetics that best match your goals and aspirations. Winter is a memory and green grass is here, making this a perfect opportunity to upgrade your genetic data bank.

We look forward to seeing you April 9 at our farm in Sullivan, Missouri.

Thank you,

Robby and Jeannine Berti

BERTI LIMOUSIN

TERMS:

Terms of the sale are cash or check, unless prior credit arrangements are established between buyer and seller. Settlements are to be made with the clerk immediately after the conclusion of the auction.

LIABILITY:

Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owner nor sale manager can be responsible for any accidents, but every effort will be made to provide for the safety and comfort of those attending the sale.

ANNOUNCEMENTS:

Announcements made sale day take precedence over printed material in catalog. EPDs current as of 3/11/22.

SALE BREAKDOWN:

- 1 - Donor Family
- 9 - Bred Females
- 13 - Open Heifers
- 13 - Yearling Bulls
- 8 - 2-Year-Old Bulls

Selling Full Possession & Full Interest. Sells bred to WZRK Hometown 4055H (LFM2288766) for a spring calf.

What a special lot to lead off the Berti Limousin Hidden Gems Production Sale! MAGS Constance combines a notable pedigree, proven resume and eye-catching phenotype. We purchased this donor from the prestigious Magness Land & Cattle breeding program. This high-quality female has eight registered progeny in NALF. Notably, she was the dam to the high-selling lot in the 2022 Magness Mile High Elite Female sale. MAGS Constance is sired by the popular Angus AI sire EXAR Denver 200B, his influence has been seen across North America in multiple breeds. Her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Few donor females ever reach the elevated status of this female. On paper, MAGS Constance presents above-average growth and maternal traits. From the ground up she is big-footed, stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with a practical build that is easy to appreciate. Don't miss this female. We think that she has a bright future ahead of her no matter what your plans hold.

Sells with her 3/14/22, homo black, homo polled heifer calf by TMCK American Made 353D ET (NPM2104362).

This female has an alluring phenotype that everyone will like. She is neat through her front one-third, flat shouldered, level topped, structurally correct in her hip and hind leg, soft on her pasterns and takes a long stride. Her sire is MAGS Yip, the well-known son of MAGS The General. Her dam needs no introduction to the breed; WLR Ugly Betty has 49 registered progeny in NALF. What's more, she is homozygous black and homozygous polled. If you are looking for a great breeding piece for your herd then the search begins and ends here!

Bred to TMCK American Made 353D ET (NPM2104362) for early fall calf.

This female has a superior look and quality about her, coupled with a phenomenal build and structural soundness that will impress even the most critical eye. She's a daughter of the heavily used EF Xcessive Force, whose progeny have found success in the show ring and production. Her dam, MAGS Rattle, is a beautifully patterned JCL Lodestar 27L daughter. She's an all-around solid female with a bright future in production.

Bred to TMCK American Made 353D ET (NPM2104362) for early fall calf.

Tremendous quality female with plenty of cow power and massive overall dimension. OMEG Take A Look is robust through her center body, unbelievably strong in her top and just flat good from all angles. These kind are hard to make, folks. This female is sired by AHCC WestWind W544. Her donor dam is a daughter of MAGS Little Brother out of the influential MAGS Manuela. Here is a purebred that deserves some serious attention.

TMCK Upper Hand 54Y is an impressive female that has a strong influence on this offering. Visually, this donor has a maternal and productive design. On paper, she ranks in the top 1% for both weaning weight, yearling weight, carcass weight, marbling and mainstream terminal index. She is the daughter of the popular purebred AI sire AHCC WestWind W544. Her dam is PBRS Upper Hand, an AUTO Dollar General 122R daughter. This donor is the dam of TMCK American Made 353D, the sire of multiple lots in this sale. TMCK American Made 353D is a purebred herd sire we purchased in partnership with Linhart Limousin, Brehm Farms and Jones Bros. Farms. He has done a tremendous job transmitting growth and performance to his progeny. Her influence either directly or through her impressive son is guaranteed to add value.

Well-balanced is the term that best describes this show-stopping female. She is ultra-feminine, level topped, boldly sprung and fundamentally correct. She is sired by AHCC Diggin Deep 903D, the popular EBFL Ypsilanti 420Y son. Her dam is MAGS Checkered Veil, a MAGS Zodiac daughter. This female has a captivating design and overall presence. She is fault-free on the move, flexible in her pasterns and strides with incredible confidence and poise. She will be a powerful mainstay in any program with a background and design like this. A true standout donor prospect if you ask us!

Folks, females like this aren't made every day and when they hit the ground it's with high anticipation that they'll mature into a fault-free silhouette just as this female has. We simply cannot say enough about the quality, phenotype and eliteness present in this female. She is gorgeous fronted, incredibly well-balanced from end-to-end and she's phenomenal on the move. Her sire is the popular MAGS Faultless 154F, which has been siring some real stand-outs lately. Here's a Lim-Flex that's got every single thing stacked in her favor—flawless presence, a captivating future and one heck of a proven pedigree.

This female offers an unwavering presence coupled with an overwhelming amount of power and shape. She reads structurally correct off both ends of her skeleton while being level hiped, deep-bodied and ultra-feminine. Her sire is the popular MAGS Federal Reserve, one of the most prominent Lim-Flex AI sires in the breed. We love this female's completeness and her true cow power. She'll be a true asset to anyone's program and you'll want to have her on your shortlist sale day!

This female has been a total standout since she hit the ground. RBCL Jakarta is one heck of a female. She is a daughter of AHCC Hemi 0901E, who has proven to transmit progeny that pair big data with stand-out phenotypes. Her dam is a beautifully patterned MAGS Argo daughter. We appreciate this female's symmetry, powerful rib shape, depth of body and stoutness of hip. She is good featured, neat-necked and projects longevity in her structural makeup. The genetics don't get any more predictable than the pedigree this young female has behind her.

RBCL Jancey is smooth and elegant in her design, tremendous on her feet and legs and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. She is the daughter of the prestigious LFL Ellis 7303E. Her dam is a highly productive MAGS Eagle daughter. She is a well-balanced female, with a world of cow power and do ability. This female is strong in her top, smooth in her lines and articulate on the move.

Study this female's exquisite phenotype paired with EPDs that rank at the top of the Limousin breed. This female is incredibly elegant through her front one-third and level in her hip design. She has a comfortable flex to her pastern, is big-footed and moves with a tremendous amount of flexibility off both ends of her skeleton. She is sired by our senior herd sire, PBRS 7266. Her dam is a heavy-muscl'd MAGS Winston daughter. The caliber of offspring this female has the potential to create is exciting, especially with the added marketability she brings to the table, phenotypically and genetically.

She has a brood cow look that can't be beaten if you like producing powerfully built, high-performing cattle. She offers so much dimension, muscle expression, capacity and growth. Study her numerics and find predictable growth ranking in the top 20% for weaning weight and top 25% for yearling weight. Her sire is the 2019 NWSS Grand Champion Limousin Bull, MAGS Firestone 218F. This female's dam is a highly productive 6-year-old S A V Hesston 2217 daughter. This 53% Lim-Flex female is great in her structural conformation, level in her top and feminine in her lines. The earning potential is all here and we're excited to offer a female of this nature and proven lineage.

This purebred female exhibits the future of unparalleled power and phenotypic greatness coupled with stellar predictability. RBCL Jailyn is sound-structured, smooth in her lines and tremendous in her angles relative to her overall shape and dimension. She is the daughter of TMCK American Made 353D, who has a strong influence on this offering. Her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Few donor females ever reach the elevated status of this female. This heifer has the tools, the presence and the genetic backing to make people take notice of the tremendous breeding quality and value she'll bring to your herd.

RBCL Jathryn will be a true investment female that you'll want working for you when calving season rolls around. This 50% Lim-Flex female is sired by J Bar J Flintrock 899F who ranks at the very top of the breed for growth. Her dam, MAGS Bracelet, is a highly productive 8-year-old MAGS Y-Axis daughter we purchased from Magness Land & Cattle. She is long-bodied, beautiful through her front one-third and ultra-correct in her structural build. She's feminine-headed, smooth-shouldered and striking on the profile. Ponder the true 'profit' potential this female can add to your program and step up the pace of your genetic arsenal.

TMCK American Made 353D is the sire of multiple lots in this sale. TMCK American Made 353D is a purebred herd sire we purchased in partnership with Linhart Limousin, Brehm Farms and Jones Bros. Farms. He has done a tremendous job transmitting growth and performance to his progeny. He is sired by the popular purebred AI sire Wulfs Xclusive 2458X. His dam is TMCK Upper Hand 54Y, an impressive female that has a strong influence in this offering as well. Visually, this donor has a maternal and productive design. On paper, she ranks in the top 1% for both weaning weight, yearling weight, carcass weight, marbling and mainstream terminal index. She is the daughter of the popular purebred AI sire AHCC Westwind W544. Her dam is PBRS Upper Hand, an AUTO Dollar General 122R daughter. We appreciate TMCK American Made 353D for his superior pedigree, well-balanced EPDs and phenotypic advantages. His progeny consistently rise to the top of each contemporary group in terms of both phenotype and genotype.

Big-time performance and carcass merit can be found in this eye-catching herd sire prospect. This herd sire's well-balanced EPD profile take him to the top of the breed in terms of growth, marbling and mainstream terminal index. He is sired by the popular AI sire, HBRL Equalizer 7510E, who is proven to transmit growth and complete phenotypes. His dam, MAGS Chasity, is a beautiful female and her donor dam is the well-known MAGS Xuzette. Visually, RBCL Javon is deep-bodied and stout. What's more, he is homozygous polled. This combination of presence and numbers project him to be the type of herd bull that produces value-added calves year in and year out.

This bull is an absolute stand-out in the offering. Heavily muscled, ruggedly designed, big-bodied and sound on the move. He is sired by the ever popular MAGS Faultless 154F, a Lim-Flex that has been on every breeder's radar because of his numerical tabulation. Faultless progeny have tremendous base width, center capacity and muscle expression. His dam is a maternal patterned MAGS Y-Axis daughter. On paper, he ranks in the top 40% for both weaning weight and yearling weight paired with high rankings in numerous industry-relevant traits. He has everything stacked in his favor.

Well-balanced is the term that best describes this young herd sire prospect. Jad is stout featured, long-bodied, wide-based and truly impressive when set into motion. He is sired by CELL Guard House 9300G, the high-selling lot in the 2020 Linhart Limousin Bull Sale selling to Torgerson Farms of South Dakota. His dam is a daughter of MAGS Y-Axis. Numerically, he presents an impressive EPD profile highlighted by top of the breed growth. His calves will be in high demand.

Be sure to have this herd sire on your shortlist sale day! This bull is an absolute stand-out in the offering. Heavily muscled, ruggedly designed, big-bodied and sound on the move. He is sired by MAGS Cable Cowboy, the stylish son of MAGS Yip that has done an excellent job in our program. His dam is a highly productive 7-year-old daughter of MAGS Wazowski out of the well-known AUTO Ms. New Design donor female. Bid with confidence, this herd sire prospect does a lot right.

If heavyweight calves trip your trigger then take a look at this homozygous polled, big-middled, ruggedly designed, high growth herd sire prospect. Performance will be transmitted to his calves when you study his 83 weaning weight EPD that ranks in the top 10%, 131 yearling weight that ranks in the top 10%, 49 carcass weight that ranks in the top 10% and his 0.99 ribeye area that ranks in the top 15% of the breed. His sire was the high-selling lot in the 2020 Wulf Cattle Opportunity Sale. This fresh pedigreed individual will be a great addition to your herd bull pen.

Limousin Today Profit Tomorrow

"In these times when the margin on feeding cattle is so slim, the difference between YG 1-2 and YG 3 can be the difference in a profit or loss on a set of calves. We run a lot of Limousin influenced cattle through our barn and they consistently top the market and make our customers money."

-Jackie Moore, Owner/Operator,
Joplin Regional Stockyards, Missouri

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

- ✂ Calving ease & calf vigor
- ✂ Feed efficiency
- ✂ Cow & bull longevity
- ✂ More pounds to sell at weaning
- ✂ Tested & proven docility
- ✂ Carcass merit

To find out more about how you can profit tomorrow with Limousin or Lim-Flex® bulls and females, contact a NALF regional manager, Andy Rest or Nathan Smith or visit www.NALF.org.
North American Limousin Foundation • 303-220-1693 • Limousin@NALF.org • NALF.org
