**Five Family Prefixes Working for You**

**CJSL · CELL · ADLL · KVLN · KQLL**

Limousin Friends & Enthusiasts,

It is our pleasure to invite you to the 8th edition of our "Business Done Right" Bull Sale, Saturday, March 4, 2023, at our sale facility near Leon, Iowa. We are a family operation just north of Leon in the heart of cow-calf country in southern Iowa. Our Limousin and Lim-Flex seedstock operation began in 1979 and has grown to nearly 600-producing females.

Over the years, we have worked hard to create a quality product and share in our customers' success while always doing things the right way.

We have brought you our very best in this offering. The bulls presented to you here have withstood the rigors of our stringent selection criteria. This group of 76 bulls consist of both spring yearlings and 18-month-old bulls. Like in years past, the influence of our premier donors, elite herd sires, progressive A.I. program and no "shortcuts" approach is evident in the bulls we are offering.

As you study the offering and evaluate the bulls as they relate to your overall production goals, we ask you to keep in mind the true "value" of a herd bull.

While we as an industry continue to enjoy excellent cattle prices relative to historical averages, the spread in value of genetically superior calves is at an all-time high. Regardless of whether you sell your calves at weaning at a sale barn, run them as yearlings or retain ownership throughout the feeding phase, buyers are becoming more selective to the types of calves that generate premiums. Factor in the long-term value of the females you retain, and reasons to purchase superior herd bulls becomes evident.

We are confident the bulls in this sale have the inherent genetic ability to sire market topping calves based on the comprehensive data supplied to you in this catalog. So rest assured, the product at hand is exceptional and will come to you at various price levels. Bid with confidence.

It's our goal to make all business transactions with customers a pleasant experience. In addition, all cattle sold are fully guaranteed to the catalog in accordance with the North American Limousin Foundation. Furthermore, if you would like to discuss our sight-unseen purchase program, financial arrangements or trucking plans we are happy to accommodate. As a reminder to both our existing and prospective bull buyers, we encourage you to check out our industry competitive "Linhart Bull Program" incentives that we have in place to stand behind this quality set of bulls.

We look forward to seeing you at the sale. Plan to join us for lunch. If we can be of any assistance to you prior to or during the sale, we have an open door policy and welcome all calls and questions. Don't hesitate to give us a call anytime.

Sincerely,

*The Linhart Family*

Linhart Limousin

# Featured Yearling Bulls

## LOTS 1-8

We are proud to offer this outstanding set of featured spring yearling bulls. Through our aggressive A.I. and embryo transfer program, we continually push the genetic envelope while using the same common sense approach we know our commercial customers use. While fresh pedigrees and breed-leading EPDs have value in the marketplace, they are of little importance if the bulls themselves are not packed with the convenience traits all true cattlemen demand. We feel our program is on the right track, but you, our customers, are the measuring stick. Your feedback is not only welcomed, but appreciated, as we continue to fine tune our program into one capable of assuring our customers remain profitable based on part of the genetics we supply them.

What an exceptional way to lead off this impressive offering! CELL Kilimanjaro 2218K combines a notable pedigree, a balanced EPD profile and eye-catching phenotype. CELL Kilimanjaro 2218K is guaranteed to sire fast-growing calves, indicated by weaning a 205-day weight of 789 lbs! His sire, MAGS Everest, has sired standout progeny across the country. Everest transmits loose structure, depth of body, muscle expression and do-ability to his progeny. His dam, CELL Fascination 8231F, was the top seller in our 2018 Fall Harvest Sale commanding \$80,000 selling to Sara Sullivan of Dunlap, IA. CELL Fascination 8231F is out of the extremely successful LLJB Absolute Style 3056A, a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock

Exposition in the MOE National Limousin Show. This female was then paired with the proven MAGS Ali and the results will live in the Limousin history books for a long time, with many other notable progeny that are a product of this great pairing. CELL Fascination 8231F was the dam of the of CELL Jade the \$105,000 top-selling female from our 2021 Fall Harvest Female Sale. Phenotypically, this herd sire prospect is smooth patterned, long-bodied, wide-based and truly impressive when set into motion. Aside from his visual advantages, on paper, he presents a set of breed-leading EPDs highlighted by ranking in the top 25% for both weaning weight and yearling weight. What's more, he is double homozygous. Don't miss out on your chance to own this remarkable individual that will predictably advance your breeding program to new heights.

These two full brothers are absolute standouts in the offering. CELL Keepin Score 2239K is heavily muscled, ruggedly designed, big-bodied and sound on the move. His sire, MAGS Firestone 218F, was the 2019 NWSS Grand Champion Limousin Bull who is siring standout progeny across the country. Firestone progeny have tremendous base width, center capacity and muscle expression. These brother's donor dam is a maternal patterned PVF Insight 0129 daughter, out of the extremely popular AUTO Luckie 815X donor female. On paper, he ranks in the top 35% for weaning weight and top 25% for yearling weight paired with high rankings in numerous industry relevant traits. CELL Keepin Score 2239K has everything completely stacked in his favor!

Here are two brothers that are sure to be a crowd favorites sale day. Visually, CELL TMCK Known 2265K is heavily structured, level topped and free moving off both ends with extra muscle expression. Sired by COLE Genesis 86G, the HUNT Credentials son that was the \$40,000 top seller in the 2020 Coleman Limousin Bull Sale going to Tubmill Creek Farms. This sire caught the attention of many since he was at top of the breed for growth, docility and marbling. His donor dam is a S A V Hesston 2217 daughter that is doing a super job. On paper, he offers impressive growth, ranking in the top 10% for weaning weight and top 15% for yearling weight. Also, take note of his breed-leading marbling. Make no mistake and be sure to have these two on the top of your list sale day.

Take note of this well-balanced individual that comes to you in a heavily muscled, black-hided, homozygous polled package. He is a highly usable and versatile WZRK Game Changer 4015G son, the top-selling bull in the 2020 Wieczorek Limousin Bull Sale selling to Coleman Limousin. His dam, Absolute Style is the elite female that came out of the 5th Annual Linhart Limousin Harvest Sale purchased by Shelby Hennessey of North Dakota. Hennessey showed Absolute Style all over and most notably to the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show and has transitioned to one of the most influential donors in Limousin history. Visually, CELL Kings Ransom 2232K is phenotypically elite. The earning potential is all here and we're excited to offer a bull of this nature and proven lineage. We think CELL Kings Ransom 2232K does a lot right. A full brother sells as Lot 23.

Here is a full sib to the \$89,000 top-selling female from our past Fall Harvest Sale. He is a son of Riverstone Charmed 50C— this female needs no introduction, she is the “Larissa” Ratliff show heifer that will go down in history as one of the greatest show females of all time. There are too many banners won to report on a single page from maternal siblings. These cattle have impressed some of the most reputable cattlemen in the industry for their eye-catching profile and athletic abilities when set into motion. Do not sleep on the opportunity to own this individual. We appreciate this bull’s incredible depth of body, rib shape and natural thickness.

# Yearling Bulls

## LOTS 9-44

It goes without saying we are awfully proud of this set of bulls. Our goal each and every year is to present a group of herd sire prospects that are an improvement over the ones who have come before them.

The bulls presented here have withstood our stringent selection criteria. They feature the influence of our premier donors, elite herd sires, progressive A.I. program and no “shortcuts” approach to producing seedstock. We are confident these bulls have the genetic ability to sire market topping calves as well as replacement females worthy of living in the front pasture.

If you would like to discuss our sight-unseen purchase program, financial arrangements or trucking plans we are happy to accommodate. We encourage you to check out our “Linhart Bull Program” incentives we have in place.

If we can be of any assistance to you, we welcome all calls and questions.

# LINHART LIMOUSIN

Pounds, pounds, and more pounds! Here is a big, stout, wide-made, ruggedly designed, 31% Lim-Flex herd sire prospect that comes to us in a heavyweight package. If your name of the game is producing heavy-weight calves at weaning or a year of age, this might be just be the herd bull for you. Take note, he ranks in the top 1% for weaning weight, yearling weight, total maternal, carcass weight, marbling and mainstream terminal index. A breed leading GE-EPD profile like this is not easy to find. This herd sire prospect will do big things for your next calf crop.

This herd sire prospect is an absolute eye-catcher. Stout features, a long body and wide base perfectly describe him. His sire, MAGS Firestone 218F, was the 2019 NWSS Grand Champion Limousin Bull who is siring standout progeny across the country. Firestone progeny have tremendous base width, center capacity and muscle expression. His donor dam is the well-known MAGS Calico, owned by Glendenning J Bar J. On paper, CELL TNGC Keen Eye 2227K has exceptional growth ranking in the top 15% for both weaning weight and yearling weight. This double homozygous Lim-Flex is going to do big things for the winning bidder. Make that be you.

Big-time growth bull here. If you are searching for a herd sire prospect that will add pounds, look no further than CELL King Of Spades 2020K. He recorded a 780 lb. 205-day weight that ratio'd a 118. This explosive growth could be predicted due to his performance EPDs—his weaning weight and yearling weight both rank in the top 5% of the breed. His sire, CELL Denali 6405D, was a sale highlight in a past Linhart Limousin Bull Sale. His dam is a 5-year-old PVF Insight 0129 daughter out of the MAGS Ruffles donor female. This combination of presence and numbers project him to be the type of herd bull that produces well-balanced, polled, stout calves year-in and year-out.

This herd sire prospect's donor dam is one of the most prolific and influential Angus donors in production today. Coleman Donna 504 stems for the iconic and wildly successful Coleman Donna lineage, a novel could be written about the Donna dynasty and their contribution to the Angus breed as well as others. Coleman Donna 504 is one of the most captivating females you will ever lay your eyes on— don't pass the opportunity to own a son. This Lim-Flex has every single thing stacked completely in his favor— flawless presence, a captivating future and one heck of a proven pedigree. Bid with sheer confidence. A maternal brother sells as Lot 42.

Heavyweight, homozygous polled and homozygous black, this Lim-Flex will catch your eye with his length of body, wide top, hind quarter dimension and performance. He is yet another CELL Denali 6405D son to add to your list. His dam is an attractive Silveiras S Sis GQ 2353 daughter that is doing a great job. Numerically, CELL Keep It Real 2025K is in the top 30% or better for both weaning weight and yearling weight, and top 10% for milk. Also, take note of this herd sire prospect's impressive 205-day weight of 739 that ratio'd 112. Don't miss this herd sire prospect that will add pounds and dollars to your operation.

**LINHART LIMOUSIN**

- Guarantee...one-year unconditional breeding guarantee. We fully stand behind our product.
- Documentation...bulls come complete with ultrasound, performance data, herd health & registration.
- Financing Program...50% down at time of purchase, balance due on delivery.
- Housing...complimentary development until April 15.
- Trucking...we offer free delivery to central points.
- Volume Purchases...buy 5 or more bulls, receive a 5% discount; 10 or more bulls receive a 10% discount.
- Sight-Unseen Purchase Program...you tell us what you're looking for, we'll do our best to meet those needs, and if you're not satisfied when you get your bull(s), you don't own them.

# Fall Yearling Bulls

## LOTS 45-74

We are equally excited about this group of stout, well-developed fall yearling bulls. Rest assured, these are not “left-overs” or “picked-throughs”. They are part of our comprehensive plan to provide a variety of genetic combinations in different age brackets. Many of the same cow families and sire groups found in our spring bulls are represented in their fall-born contemporaries. We developed these bulls with longevity in mind and as such, are comfortable they will hold up under tough conditions while providing years of trouble-free service. Equally important, these bulls should sire the kind of calves that cause your neighbors to slow down as they drive by and your buyers to stand at attention when your sale day rolls around. As always, we welcome your questions and concerns and in the event a problem arises when you get your bulls home, we hope we will be the first call you make.

This extra age herd sire prospect is a well-balanced individual. He comes to you in a heavily muscled, homozygous black, homozygous polled package. CELL Jackpot 1411J is a highly usable and versatile TNGC Empire 736E son. His dam, Absolute Style, is the elite female that came out of the 5th Annual Linhart Limousin Fall Harvest Sale purchased and shown by Shelby Hennessey of North Dakota. She was most notably named the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show and has transitioned to one of the most influential donors in Limousin history. Visually, CELL Jackpot 1411J is phenotypically elite. The earning potential is all here and we're excited to offer a bull of this nature and proven lineage. A full brother sells as Lot 39.

Big-time number bull here! He ranks in the top 15% for weaning weight, top 5% for yearling weight, top 1% for milk, top 1% for total maternal, top 2% for calving ease maternal, top 10% for scrotal circumference, top 4% carcass weight, top 1% marbling and top 1% for mainstream terminal index. That is an outstanding EPD profile that could benefit any progressive program!

Here is a bull that deserves some serious attention. Study his length of body, level top and hind quarter dimension. He is sired by one of the most popular Lim-Flex AI sires in recent years, CJSL Creed 5042C. Numerically, KVLN Jasper 1441J has a well-balanced EPD profile highlighted by his growth and carcass traits. If you want elite replacement females have this homozygous polled, homozygous black herd sire prospect at the top of your list on sale day.

This herd sire prospect is an absolute eye-catcher— stout, long-bodied, wide-based and impressive when set into motion. He is sired by JACS Rare Find 6503, a popular Angus AI sire we utilized in our herd due to his ability to transmit functionally correct and muscular phenotypes. His donor dam is MAGS Xuzette who has done a great job for us. CELL Jaxon 1468J has exceptional growth with a 81 weaning weight EPD and 123 yearling weight EPD; both traits rank in the top 25% of the breed or better. Pair that growth with breed-leading maternal traits and you won't be disappointed. Also, take note of his high marbling EPD. A full brother sells as Lot 57.

This bull's donor dam, MAGS Walkin, has been an integral piece of our breeding program. A top-selling female in last year's Fall Harvest Event was a Walkin daughter. KVLN Jonah 1510J is a son of the National Champion MAGS Firestone 218F, one of the most popular sires in the Limousin breed the past few years, and for good reason. You will want to be sure to have your focus dialed in on this incredible herd sire prospect because opportunities of this level don't happen often.

# Reference Sires

The importance of quality herd bulls, be it in a commercial or seedstock operation, cannot be stressed enough. Herd bull decisions made today influence your program, either positively or negatively, for years to come through daughters retained in the herd.

At Linhart Limousin we have always believed in having the absolute best bull power available in the industry. As such, we have invested heavily over the years to ensure only the best sires walk behind our progressive AI and embryo program.

As you study the bulls offered for sale in this catalog, and as you look over the reference sire listing on the following pages, you will notice the positive influence bulls owned by Linhart or bulls carrying the Linhart moniker, are currently having on our program.

By becoming a Linhart Limousin customer, you are not simply buying a new herd bull, you are buying into our philosophy of continuously striving to improve the sire side of the breeding equation.

We appreciate your support and interest in our breeding program. We take the people side of the business seriously and never for granted, that's why producing a quality product and making sure our customers are satisfied has always been a top priority. Simply put, your attendance and participation at our sales has humbled us, and we wish you many successes with your purchases. Thank you for taking time to view the catalog and allowing us the opportunity to earn your business.
