It is our honor for those of us at Spring Creeks Cattle Co. to invite you to our Fifth Bull Sale, February 13, 2022, at 1:00 p.m. at the Fennimore Livestock Exchange in Fennimore, Wisconsin. The bull business is something we've been involved in for more than three decades. After all of these years, hundreds of bulls sold and many loyal and satisfied customers later, we have made the transition to showcase our entire program to everyone via the public auction venue.

We are fortunate in that we are located in a portion of Wisconsin with access to lush green pastures and an abundance of feed. The bulls selected for this sale are from the top genetics in their respective breeds and are products of our cows that efficiently convert Mother Nature's best into the best genetics the Limousin and Angus breeds have to offer. Please keep in mind, the bulls in this offering received no creep feed and the fall bulls were summered on grass with very little supplement. As such, rest assured these bulls are fit and ready to handle a substantial work load.

As in the past, we are offering a few incentives for purchasing your bull early in the bull buying season. Customers will have the option to pay 50% down sale day on any bull over \$2,500. We will gladly keep the bulls until April 1, 2022, or give you a \$50 discount for hauling them home the day of the sale. We continue to guarantee bulls as we have in the past.

At Spring Creeks Cattle Co. we have worked hard to earn the reputation of "Breed'n the Feed'n Kind!" The beef industry has been on a roller coaster for the past couple of calf crops. It has never been more important to invest in genetics that excel in all phases of production as efficiently as possible. The bulls we have presented for your appraisal will add value to your program and the industry. Buy with confidence and with the knowledge we are working hard to ensure your success in the Beef Business!

sincerely,
Bob Mitchell & Family
Spring Creeks Cattle Company

What an exceptional way to lead off this impressive offering! Spring Creeks Jail Break combines a notable pedigree, an EPD profile worth studying and eye-catching phenotype. He is sired by the popular WULFS Fifty T80F, the 2019 Reserve Canadian National Champion, he was evaluated at \$62,000, when he was purchased by Beach Family Limousin. Fifty's first calf crop is nothing short of exceptional, many of his progeny will be sale highlights across the nation. His dam Spring Creeks Franny May is a beautiful, patterned female, she is a daughter of the ever-popular Angus AI sire EXAR Denver 4686B. On paper, this herd sire has a low-birth-weight figure and ranks in the top 4% calving ease maternal, top 10% yield grade, top 25% carcass weight and top 10% ribeye area. Aside from his numerical advantages, phenotypically he is heavily structured, long-bodied, level topped, with extra muscle expression and free moving off both ends of his skeleton. What's more, he is homozygous polled. Spring Creeks Jail Break could be utilized in a variety of different programs.

Spring Creek Jupiter 9147J is the heifer safe herd sire that you have been scouting for. Ranking in the top 35% for gestation, top 2% for calving ease direct, top 10% for calving ease maternal and a negative birth weight EPD that ranks in the top 1% of the breed. He is a calving ease sire that doesn't give up a muscular, long-backed, deep-bodied phenotype. His sire is the popular WULFS Gallagher 7056G, this go-to calving ease sire was made the top seller's list at the 2020 Wulf Cattle Opportunity Sale when he was purchased by Wieczorek Limousin for \$17,000. Add this homozygous polled sire to your bull pen to create highly sellable calves and elite replacements.

Here's a black-hided 75% Lim-Flex herd sire prospect with a flashy phenotype, who is heavy muscled, long-bodied, deep-sided, with extra dimension and bone. He is sired by WULFS Fifty T80F, this popular son of LFLC Bank Account 701B was the lead bull in the 2019 NWSS Champion Limousin Pen. On paper Spring Creeks Johnny Popper has a low-birth-weight figure and ranks in the top 10% calving ease maternal, top 10% yield grade, top 40% carcass weight and top 10% ribeye area. In the end, you will wish you had this tremendous herd sire in your possession and no one else's.

EXTRA AGE BULLS

Lots 5-19

It is once again our pleasure as a family to present to you what we feel is our best bull offering to date. We work day in and day out to raise the best Limousin and Angus seedstock possible and we think this offering accurately highlights the long term goals of our operation. Regardless fo the direction of your program, we are confident you will find genetics in this offering capable of taking your program in a positive direction. Just like you, we are involved in the beef cattle business each and every day, so we are familiar with the challenges we all face and we know what kinds of bulls and females it takes to be profitable in the real world of beef production.

Extra age calving ease herd sire prospect that is ready to get the job done. This one has the bone, capacity, growth, scrotal development, and muscle expression that great cattlemen scout for. Sired by WULFS Conversion 3970C, one of the heaviest used RUNL Stetson 850S sons. His dam is a highly productive WULFS Sirloin 3172S daughter. Numerically take note of his negative birth weight paired with ranking in. The top 30% for milk, top 4% calving ease maternal, top 35% docility, top 20% yield grade, top 25% ribeye area, top 30% marbling and top 45% mainstream terminal index. this bull would be a solid addition to any herd bull arsenal. Bid with confidence

**BULL BUYERS WHO HAUL THEIR PURCHASES SALE DAY
 WILL RECEIVE A \$50 PER HEAD DISCOUNT.**

You Can Have Your **FEED EFFICIENCY** And Eat It, Too

With rising feed costs and an increased focus on sustainability within the beef industry, feed efficiency is more than a buzzword, it's rapidly becoming a battle cry in an industry challenged to do more, with less.

By incorporating today's Limousin and Lim-Flex genetics into your crossbreeding program, you can capitalize on the breed's inherent feed efficiency advantage while still banking the premiums paid for high quality, high yielding carcasses.

That's two ways to profit, instead of one!

///

"Feed accounts for somewhere between two-thirds and three-fourths of the input costs of the feeding phase. So, feed intake and the utilization of those feed resources really gets at the heart of profitability in our business."

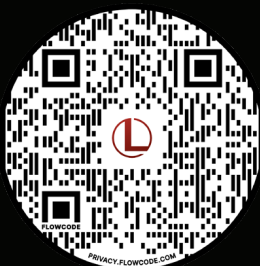

Dr. Bob Weaver, Director of Eastern Kansas Research and Extension Centers

"Using a Continental breed such as Limousin or Lim-Flex on a British-based cow herd gives you the best of both worlds – the maximum combination of a balance between gain, feed efficiency and carcass quality."

Dr. Kee Jim, CEO of Feedlot Health Management Services

Act. BW 77 • Adj. WW 713

The opportunities for this one is endless, stout, athletic, and attractive. This low-birth-weight herd sire prospect hosts 77 lb Act. Birth weight. On paper, he ranks in the top 30% birth weight and top 15% total maternal. He is sired by our home-raised go to Angus herd sire, who is the son of the popular AI sire Jindra Acclaim out of our favorite Angus donor female SJH Complete of 353F 0100. Spring Creeks Acclaim 512 dam, SMA Elba Pride 512 is a beautiful, patterned HF Great Falls 001 daughter. This combination of presence and numbers project this herd sire to be the type of herd bull that will produce well-balanced, stout calves year in and year out.

Act. BW 74 • Adj. WW 724

This herd sire prospect is an absolute eye-catcher. He is smoothly patterned, long-bodied, wide-based and is truly impressive when set into motion. He is sired by the extensively used AI sire GAR Ashland, who has had great success at many reputable Angus programs. His dam, Spring Creeks Traveler 9055, is a female that we think highly of, she is a daughter of Jindra Acclaim. numerically he ranks in the top 10% calving ease direct, top 25% birthweight, top 25% weaning weight, top 20% yearling weight, top 25% milk, top 35% calving ease maternal, top 15% docility, top 25% ribeye, top 15% marbling, top 20% SW, top 10% SG, top 20% SB and top 25% SC. Phenotypically he is stout featured and brings added growth, muscle expression and performance. Don't miss out on your chance to own this remarkable individual that will predictably advance your breeding program to new heights.

Act. BW 61 • Adj. WW 595

"We calve late March through April. The calves average 600-700 pounds when we sell in November. The Limousin and Lim-Flex® females calve easy, are gentle, and highly fertile to breed back right away. Plus they remain productive in our herd. We think they are the way to go."

– Charlie Carnahan, rancher, Kiowa, Colorado

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

/ Calving ease & calf vigor

/ More pounds to sell at weaning

/ Feed efficiency

/ Tested & proven docility

/ Cow & bull longevity

/ Carcass merit

To find out more about how you can profit tomorrow with Limousin or Lim-Flex® bulls and females, visit www.NALF.org.

North American Limousin Foundation • 303-220-1693 • Limousin@NALF.org • NALF.org

ELITE BRED HEIFERS

Lots 41-51

Without a doubt, this is an impressive offering of bred females. They come from the heart of the Spring Creek's replacement herd and are no doubt the kind that will earn the moniker of front pasture females. Whether you are looking for stout-made, yet soggy purebred females, or Lim-Flex females with an extra show of maternal and marbling, these bred females are the type and kind to be foundation building blocks for the future. Bif with confidence, as the genetics backing this group of breds are tried-and-true proven commodities in the venerable Spring Creeks herd.
