# HAGER HCC CATTLE COMPANY

# 17th Annual BULL SALE

TUESDAY, APRIL 11, 2023 • 2 PM CST

At the Ranch: 4651 2nd Ave NE, Karlsruhe, ND

Or join us on our NEW online bidding platform at [bid.superiorlivestock.com](http://bid.superiorlivestock.com)

Greetings from Hager Cattle Company and welcome to our 17th annual bull sale. We are excited about our 2023 bull sale offering and invite you to the ranch near Karlsruhe, North Dakota on Tuesday, April 11th. We are positive you will find

real ranch working genetics that bring pounds to the scales and dollars to your pockets.

As I sit down to write this letter, Mother Nature is hitting us with yet another winter blizzard that makes us question why we live in North Dakota. However, we wouldn't trade the cattle business and our way of life for anything, and we know that if these Lim-Flex cattle can survive our extreme weather conditions, they can make it anywhere.

HCC cattle are raised in real-world situations, the same as those of our bull customers. The severe drought of 2021, wild spring storms of 2022, and more drought this past fall continue to take their toll. The limited supply of available feed and stressed environments force us to make hard culling and breeding decisions, selecting cattle with doability, longevity, efficiency, performance, and the ability to not only survive in these conditions but to thrive. The bulls in this sale are backed by genetics that stand up to these tests from Mother Nature. Our registered herd is managed the same as our commercial herd – no short cuts, no free rides. The result is a set of bulls that hold up for many breeding seasons and sire calves that will top the feeder sales and make easy-keeping replacement females.

There are 81 Lim-Flex bulls in this year's offering. These bulls excel in growth, maternal, and carcass genetics. Because HCC believes in the value of quality data, we continue to be enrolled in the North American Limousin Foundation's Limousin Inventory Management Program (LIMS). This means all bulls sell with a complete set of performance records and EPDs. Many bulls have also been DNA tested for coat color and horn/poled status. Most of those DNA results will be available on the supplement sheet. Birth, weaning, and yearling weights are reported in the catalog. Ultrasound data and scrotal information will be available on a supplement sheet. All bulls

sell with a first breeding season guarantee. Volume buyer discounts are also available.

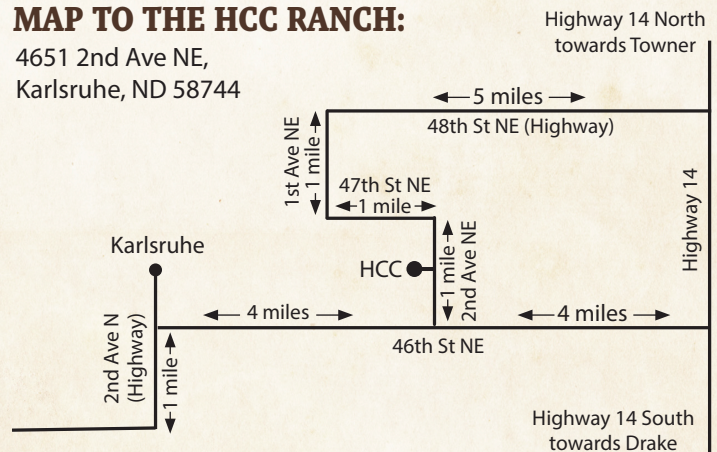

Take a look at these performance oriented, carcass bred, maternally minded Lim-Flex bulls. Whether you're a long-time customer or new to the HCC program, we welcome your evaluation of our offering and look forward to working with you to provide genetics that allow you to be profitable in the cattle business. The cattle markets are on the upswing and these Lim-Flex genetics will put you in the best position to be profitable.

You are welcome to stop by the ranch to view the sale offering at any time. For more information, contact us or any of the affiliated sale staff listed in the catalog. Thanks for your interest in our program and we look forward to seeing you on Tuesday, April 11th at the ranch.

~Austin, Leah, Bailee, Pitch, Tripp, and Remmi Hager

Impressive growth genetics is what you will find in our 2023 bull offering and AHCC 225K starts us off with a bang. He is the combination of AHCC Earning Power 900E x AHCC Miss Unheard Of 225Z and has big time growth with a 109 weaning weight ratio and a 115 yearling weight ratio. He ranks in the top 15% for YW, GEST, CEM, SC, and CW and in the top 35% or greater in many economically viable traits including WW, MK, TM, CED, DOC, YG, REA, and FT. AHCC 225K is a high percentage Lim-Flex bull set at Lot 1 for good reason, so be sure to find him on sale day. Selling 2/3 interest and full possession.

**VIEWING THE AUCTION:**

The auction will be broadcast online at Bid. SuperiorLivestock.com and the pre-recorded videos will also be hosted there. You do not need an account just to watch the auction or view videos of the sale offering.

**ONLINE BIDDING:**

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received a buyer number it will show your

name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at Bid. SuperiorLivestock.com/how-it-works.

**TURN IN BIDS OVER THE PHONE:**

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at Bid. SuperiorLivestock.com and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids.

**FOR HELP WITH REGISTRATION OR ANY PART OF THE BIDDING PROCESS PLEASE CALL SUPERIOR AT (800) 422-2117.**

Here's a visually intriguing Empire son, that combines all the right pieces in all the right places. He displays exceptional width of body, natural thickness, and muscle expression. His EPDs rank in the top 1% for CW; 2% for YW and ST; 4% for WW; 10% for TM and DOC; and 35% for MK. These EPDs are backed by actual performance with a 118 WW ratio and 110 YW ratio. If you're in the market for a high quality, visually impressive Lim-Flex bull with outstanding growth traits, look no further. He sells Tuesday, April 11th at the HCC ranch. Selling 2/3 interest and full possession.

The striking new sire line AHCC High Stakes 376H is presenting outstanding growth genetics. He was the high selling bull in our 2021 sale to Linhart Limousin in Iowa and is doing a phenomenal job of siring high growth, high performance bulls that really pack the pounds and smash the scales. AHCC 8705K is chalk full of thick, heavyset growth. He has a WW ratio of 124 and YW ratio of 114. His EPDs rank in the top 1% for MK and TM; 10% for WW; 15% for YW; 25% for CW and \$MTI; and 30% for ST. Selling 2/3 interest and full possession.

**CUSTOMER APPRECIATION AWARD:**

The 2022 Hager Cattle Company Customer Appreciation award was given to Fred and Gwen Wacker of Cross 4 Ranches out of Miles City, MT. Fred is a third generation Montana rancher that operates in Custer and Rosebud counties as a cow-calf, yearling, and finished cattle operation. The entire Wacker family is involved in the operation and specializes in all natural cattle. The Cross 4 Ranch has been supporting the HCC program for quite some time now with many herd bull purchases made over the years. We thank them for the loyal support. The winner of the 2023 award and custom CattleVacBox cooler will be announced at the start of this year's sale. We truly value all of our customers, whether you raise commercial or seedstock cattle, you all keep this dream alive.
