CANADA'S ONLINE SEEDSTOCK SOURCE.

Directions to the farm | 31027 Range Rd 20 • Didsbury, AB | Search **Dorran Cattle Co.** on Google Maps

From Calgary, head north on QEII. Between Didsbury and Carstairs exits, turn west off the hwy on Westcott Rd. Pass the train tracks; head north on Range Rd 20. Sale is located in the black/white barn, first drive way on east side.

Terms

The terms of the sale are cash, cheque, wire or e-transfer, payable on location or within 15 days following the sale to Dorran Cattle Co. The right of property shall not be exchanged until after satisfactory settlement has been made. Every group will sell to the highest bidder times the number of head in the lot; the auctioneer will handle any disputes if needed. Announcements from the auction block take precedence over printed or previously announced details. All monies are in Canadian funds.

Viewing

Summer evenings are a great time to come view the heifers on pasture. Call/text Ryan at 403-507-6483 to stop by for a visit! On the afternoon of sale day, heifers will be penned by sale lots at the barn.

Pregnancy/Health Verified

Dr. Adam Schierman, DVM, at Davis-Rairdan International performed ultrasound pregnancy examinations on all heifers. A 283-day gestation table was used based off the AI or natural service observation in combination with the dated ultrasound verification. Heifers have been on native pasture since the first of June and had free choice salt and mineral.

USA Buyers

We welcome U.S. customers. Transportation as well as health and export paper fees would be the responsibility of the buyer. Dorran Cattle Co. will help with arrangements. Contact Ryan before the sale for more information. Current U.S./Canadian exchange rate would put Americans at a significant advantage paying around \$7,600 USD for every \$10,000 CAD bid.

Transportation

Buyers are responsible for all transportation of sale purchases. We kindly ask that heifers are at their new homes by the first week of October. Dorran Cattle Co. may be able to provide some guidance and help line up transportation arrangements if needed.

Accidents

Although every precaution will be taken, Dorran Cattle Company or any sale staff will not be responsible for any accidents or loss of property. Said parties assume no liability, legal or otherwise as a result of this cattle facility or auction.

Thank you for your interest in our 3rd annual sale!

How fast the years seem to be flying by! It seems like just yesterday we were building our barn and preparing for our first sale. Our boys continue to be more involved each year, and we are humbled by the previous support and success of our customers. Raising our boys in this industry, surrounded by good people, is priceless.

For the first time this year, we are offering progeny from heifers sold through our sale. If you have heifer calves you are willing to part with off of our sale heifers, be sure to let Ryan know. We would be interested in buying them back for next year.

Also, this year saw many successes with progeny from females sold. From an impressive 4-H carcass to a successful on-foot steer and high performing Charolais-cross calves out of our productive females has been fun to watch! Our heifers are also being utilized in many purebred herds as recipient mothers for industry-leading embryo transfer (ET) calves. Having quiet-dispositioned females with solid udders and good feet is sure a *must* when you are investing in an ET program. For us, the bonus is when they are fun to look at as well; we keep this in mind when we are selecting heifer calves each spring.

Dorran Cattle Co. heifers have been selected from astute cattle breeders across Alberta and Saskatchewan. Some of the breed-leading Simmental, Red Angus and Angus sires make up these pedigrees, helping you feel confident in these replacements to strengthen your own herd.

Heifers are identified by their Dorran Cattle Co. number and penned in lots of two to three head by type and calving date.

In the spring heifers were fed a high quality hay and AI synchronized to the calving ease, maternal giant SAV Early Arrival 0903. Having seen this bull when he sold and witnessing how he is performing, we believe Early Arrival will be a historically recognized, calving-ease sire with curve-bending performance. He's very unique; it was an easy choice on how we wanted a majority of the group bred.

We look forward to the fun you are going to have calving this group of heifers! We are very proud to present them to you on **August 31!**

Ryan & Cassie Dorran

Duff-JC 4Real 16250 x S A V Emblynette 0491

4Real is the sire of the top-selling Angus bull in the 2021 Power Plus Bull Sale for \$90,000 – Duff Real Deal. 0491 is the dam of the well known AI sires – S A V Catalyst 6704 and S A V West River 2066. A mating that combines look and power in one tremendous package!

Thank You!

Putting on a sale takes so many people; the support from family and friends is truly appreciated. Thank you to all those who have helped, called with well-wishes, lent a hand and especially to our previous buyers! We look forward to hosting you for our third annual sale!

Service Sires

Pasture exposed to bred heifers on offer.

Lot 24 Anchorage Missouri 1062

Sire: Peak Dot Ozark 278G Dam: Coul Lady Blossom 38'17 Registration Number: 2197518

Missouri is an Anchorage bull sired by Peak Dot Ozark 278G, ranking in the top 15% and 10% for Weaning Weight and Yearling Weight EPDs, respectively. The Schiefelbein Attractive 4565 grandson is heavy muscled and yet remains in the top 30% for Birth Weight EPD, making him a reliable choice to service our yearling heifers in this sale.

Anchorage Boone Pickens 0008

Sire: PF OKLAHOMA 6625 Dam: RUSYLVA MISS 612F Registration Number: 2193941

Maternally, you can't beat the Brooking Silver Lining bull in his pedigree. Boone has calves on the ground in Saskatchewan, Alberta and Manitoba that look great, and we know he will make an excellent breeding piece at his new home — Arthur Polled Herefords, SK! Watch for his daughter to sell in Lot 16.

Anchorage Self Made 2060

Sire: Conley South Point 8362 Dam: Wilbar Mayflower 605F Registration Number: 2308669

In the top 3% for Calving Ease and Birth Weight EPDs, this South Point son is easy fleshing and big testicled. As a yearling, he has exceeded our expectations for breeding and performance.

AI Sire

SAV Early Arrival 0903

Sire: LD Capitalist 316
Dam: SAV Blackcap May 3525
Registration Number: 19851701

The \$230,000 calving ease phenom that boasts an ideal phenotype, incredible pedigree with EPDs that read profitability.

- Incredible calving-ease outcross
- Curve-bending number profile excels from start to finish
- Highly recommended for virgin heifers
- Actual birth weight 60 lbs.
- Big, deep-bodied, smooth-made and stylish
- Maternally superior cow family
- High-octane performance
- One of the most heavily-used young bulls in the U.S.
