Bull & Female Sale

The Edwards Land and Cattle Family is again excited to welcome you to our 2023 Annual Fall Production Sale. Again, this year the sale will be held on the farm at our sale facility located at 314 Willard Edwards Road, Beulaville, North Carolina. I think Nicholas has raised some of the very best genetically sound cattle that you will see in the industry and are looking forward to presenting them to you. Our cattle can compete in the show ring and in the pasture a combination that is not easy to be achieved. We are again presenting ALL CATTLE ON VIDEO.

We are looking forward to hosting you and will be pleased to have you visit the facility anytime prior to the sale to view the cattle, simply give us a call to set up a time. We will again be offering you some of the best genetic cattle in the Limousin breed, along with very high-quality Lim-Flex, and Angus. We remain committed to bringing you the cows that will be useful and profitable in your herd.

We take great pride in being a family operation that takes great pride in our cattle and would only like to provide you with high performing quality to enhance your herd in Limousin, Angus and Lim-flex. Our number one goal is to create a long-term relationship with our customers; therefore, we only provide you with our finest stock. All our cattle sale under the standard guarantee of the North American Limousin Foundation and the National Angus Association. If you have any questions pertaining to any of the genetics or any other questions about our cattle, please feel free to give us a call. If you need financing or trucking arrangements, we will be glad to assist you in those matters. If you are unable to attend, please feel free to call us or any of the sale management to assist you on sale day. We will also be online at DVAuction.com.

We will be serving lunch just before the sale. The whole family looks forward to seeing you in person or online.

Sincerely,

Dexter Edwards

The cow families present in this female's pedigree have undoubtedly carried many programs to the highest level of success. ELCX Luckiest 314L combines two of the breed's most potent cow families into such an attractive and powerful package. She is a 37.5% Lim-Flex female. TASF Heineken 405H ET is the TASF Crown Royal 960C ET son out of Pleasant Valley Elsa 1439. TASF Heineken 405H ET is the syndicated high-selling lot from the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. ELCX Extra Shot 702E ET is a PVF Insight 0129 daughter out of the legendary AUTO Poem 273Y donor female. ELCX Extra Shot 702E was the high-selling lot in our 2022 Fall Production Sale. Phenotypically ELCX Luckiest 314L balances up so well from the side and we love the effortless way she ties together in her spine, transitions out of her fore rib and her near-perfect structural design. We think this female runs with the best of them and between her phenotype and cow power pedigree, we believe she has everything it takes to be a cornerstone donor prospect. She is homozygous polled and double black.

This female has always impressed us with her swoopy underline, maternal muscle shape and her boldly designed rib shape. ELCX Lorelei 423L is a 75% Lim-Flex female sired by TASF Grey Goose 333G ET. He is the TASF Crown Royal 960C ET son out of the great TASF X-Tasy 488X donor. A predominant success for TASF Grey Goose 333G is siring the \$69,000 high-selling lot in the 2022 Thomas & Son Farms Halloween Hunnies Online Sale. This female's dam is ELCX Brandy 423B ET, a female sired by SAV Brilliance 8077 and out of the famed WLR Tainted Love 746X donor female. We love how intriguing ELCX Lorelei 423L is in her build and overall design. She has the upside potential that is worth evaluating and her presence and eye appeal is just the cherry on top. This February female is homozygous polled and double black.

TASF Grey Goose 333G, dam of Lot 2.

A silhouette that is this captivating is hard to come by. ELCX Lexi 308L is a purebred daughter of ATNF Higher Revenue JCLC 013H. He is a purebred son of the 2017 National Western Stock Show Grand Champion Limousin Bull, TASF Crown Royal 960C ET and out of the great JCL Cinnamon LNLN 522C female. Her dam, FBFL Princess Kate 406C is a purebred daughter of MAGS Xyloid and out of a female that goes back to Wulfs Fanfare 4055F. FBFL Princess Kate 406C is a proven donor and dam of the incredibly popular HWCB Eye of the Storm 406E bull. This female is the type that takes no guesswork because she's that genuinely put together. She is extra long sided, bold through her center third and combines robustness with femininity and style. She is double black and double polled.

We love the functional build of this HWCB Eye of the Storm x AUTO Poem daughter. ELCX Kimmy 177K is so unique in her design, sound from the ground up and built with maternal power in mind. It's cattle built like these three sisters that take programs to the next level. She is homozygous polled and heterozygous black. She is 60% Lim-Flex. Her birthweight figure ranks in the 15th percentile.

HWCB Eye of Storm, sire of Lot 8A.

What a phenomenal genetic offering here, folks! IVF embryos from the DUFF Red Blood x TW Candice 062H mating. DUFF Red Blood was the second high-selling bull at the record-setting 2022 Power Plus Bull and Female Sale for \$135,000 for semen interest to Bird Cattle Co. He is a proven calving ease heifer bull that will add dark red color and impeccable structure to his progeny. His soundness of feet and correctness in his joints is "breed changing." Red Blood has an extreme amount of rib shape and ties in perfectly behind his shoulders with an overall smoothness and masculinity. Red Blood's first progeny hit the sale scene with two daughters selling through the 2021 Duff Holiday Kickoff Sale, bringing \$50,000 and \$29,000 along with the top-selling bull through the 2022 Rhodes Red Angus Bull sale for \$30,000. The donor female in this mating is the impressive TW Candice 062H. She is a daughter of DAMAR Trump C512 and from a Majestic Lightening 717 female, Keifers Lulu Y55. TW Candice 062H had an incredible run during her recent show career. She was the 2022 North Carolina State Fair Reserve Supreme Overall Female, the 2022 National Junior Red Angus Show Reserve Division Champion, the 2022 NAILE Reserve Division Champion and the 2023 Cattleman's Congress Division Champion. You won't want to miss this rare opportunity to acquire some of the top Red Angus genetics in the industry right now!
