COMMENTS FROM SALE MANAGEMENT

Cattle Enthusiasts,

It is with much excitement and anticipation that all of us at R&R Marketing Company welcome you to the A Night On The Town Sale. As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this industry and wanted to create a sale that celebrated everything that is good about the business...the people and the product! When Kiley and myself started this venture, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more than ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing this industry the way that it should be!

Thanks in advance,

Randall O. Ratliff
R&R Marketing Company

Cattle Friends,

In the time I have spent assisting seedstock producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the industry could and should be proud of. The goal of Randy and myself in creating “A Night On The Town Sale” was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has developed into “can’t miss” event.

As you study this sale book, it will become evident that breeders bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, “Elite.” From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are “the best of the best.”

It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Vegas!

Sincerely,

Kiley McKinna
MC Marketing Management

A Night ON THE TOWN Sale VI

SATURDAY,
DECEMBER 9, 2023
1PM PST • BELLAGIO HOTEL & CASINO • LAS VEGAS, NV

On behalf of each and every consignor we appreciate your interest in the offering assembled for the “A Night On The Town Sale” All Breeds Sale.

We could think of no more fitting venue for an event of such industry importance than the Bellagio Hotel & Casino in Las Vegas, Nevada. The goal of this sale was to assemble a truly unique set of elite genetics from leading producers across the continent.

The overwhelming response received by both consignors and potential buyers has been tremendous. We would like to congratulate everyone involved in this sale for working as a team to make this a sale one we can celebrate the best the industry has to offer.

We are proud to present this offering to you and feel this sale has developed into a “can’t miss” event. As you study this sale book, it will become evident that breeders dug deep into their genetic arsenals to offer seedstock that are truly worthy of such a prestigious event—the lots presented here are “the best of the best.”

Please contact any member of the marketing team with any questions you may have.

We hope to see you in Vegas!

There is no questioning the maternal power and upper echelon style that comes from this offering! SSUL 2412K ET is a 56% Lim-Flex female sired by RLBH Air Force One, the EF Xcessive Force son. This female's dam is WLR Eden ET, the daughter of Silveiras Style 9303 and the MAGS Phantoms Prize female. Phenotypically, this female is one of the most impressive females in Sara Sullivan's show string that will be going to the 2024 Oklahoma City Cattlemen's Congress. SSUL Eden 2412K is unbelievably powerful, she has incredible natural shape and stoutness combined with a killer look. Bid with confidence and be prepared for a big return on investment as soon as this female enters your donor pen. We are certain SSUL Eden 2412K will generate individuals that will be dynamic breeding pieces for future show cattle production and far beyond. She is homozygous black.

Sells safe to MAYC Gold Buckle (heifer), due 2/25/24.

Look here! This female was the \$89,000 top-selling lot in the 2022 Linhart Fall Harvest Sale selling to Hennessy Cattle Co. This one will grab your attention from a mile away. Talk about an eye-catching, feminine, show-stopping female. She is extended through her front one-third, clean in her lines, sound on the move, and carries natural rib dimension. Her look and pedigree predict her to be a super donor female. She is a daughter of Riverstone Charmed 50C who needs no introduction as she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. Her sire is the popular Angus AI sire PVF Blacklist, his progeny have dominated not only the Angus show circuit but all breeds. These cattle have impressed some of the most reputable cattlemen in the industry for their eye-catching profile and athletic abilities when set into motion. Do not sleep on the opportunity to own this individual. We appreciate this female's incredible depth of body, her rib shape, and natural thickness. She's clean and extended through her front one-third and cat-like on the move. This is a head-turning female that will raise highly competitive show heifers. You'll want to have this one in your possession at the final gavel drop!

Here is a unique opportunity to procure a daughter from one of the most sought-after females not only in the Limousin breed but in the entire cattle industry. Riverstone Charmed 50C needs no introduction as she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. When we purchased Charmed, success was the goal and that goal has been well documented with the creation of many success stories—there are too many banners won to report on a single page from her progeny. These cattle have impressed some of the most reputable cattlemen in the industry for their eye-catching profile and athletic ability when set into motion. Do not sleep on the opportunity to purchase your pick of three heifer calves sired by TASF Heineken—the product is self-evident.

The genetics present in this bred female's pedigree are in large part responsible for revolutionizing the Limousin breed and far beyond across the industry. Fires Royal Flirt 734K ET is a 75% Lim-Flex daughter of TASF Crown Royal 960C ET. Her dam is Ratliffs Flirt 892F ET, a female sired by NMR Maternal Made and out of the legendary Riverstone Charmed donor. Fires Royal Flirt 7347K was purchased for \$51,500 by Sara Sullivan. It's difficult to fully paint the picture of the genetic worth this female comes from and will generate in the future. Two full sisters to Fires Royal Flirt 7347K, Fires Khloe's Flirt 892K ET sold for \$46,000 to Sutton Hennessy and Fires Crown Flirt 33K ET sold for \$15,000 to Taylor Lux. A maternal sister to this female's dam is Ratliff Howboutit 008H, the 2021 Iowa Beef Expo Supreme Champion Breeding Heifer, the 2021 American Royal Grand Champion Limousin Heifer and the 2021 North American International Livestock Exposition Grand Champion Limousin Female and Supreme Champion Junior Breeding Heifer for Sara Sullivan. This incredible female was a past high-selling daughter from the great Riverstone Charmed 50C donor that commanded a six-figure price tag. The very first embryos offered from Ratliff Howboutit 008H commanded a record-setting \$9,000 per embryo price tag in the 17th Annual Embryos On Snow this past January. Fires Royal Flirt 7347K is phenotypically in a league of her own. Her presence, stoutness and uniqueness of structural build is as high caliber as it gets. On paper, this female ranks in the 20th percentile for both her milk figure and her weaning weight figure and in the 25th percentile for her yearling weight figure.

Here is a purebred Limousin female you won't want to miss! She is a homozygous black and double polled daughter of ELCX Kings Landing 599 D. He is the MAGS Xyloid x WLR Prada son that continues to take the Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. Two of his daughters sold in the 2023 Maternal Legends Sale for \$40,000 and another for \$7,500. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. The dam of this female is DL Hosanna 526H, a purebred daughter of TASF Crown Royal 960C and from the one and only Riverstone Charmed female. TASF Crown Royal 960C is one of the most popular Limousin bulls in the breed. He is making huge waves with his calves as represented by his banner winning progeny. The breed-leading and popular female, Riverstone Charmed, more commonly referred to as the 'Ratloff heifer,' was champion at nearly every show she attended and was the first Limousin female to win Supreme at the North American International Livestock Exposition.

PCC JKSM Fantasy 511K ET is a 45% Lim-Flex female sired by Silveiras Forbes 8088 and out of the great HSF Your Fantasy donor. Silveiras Forbes is a son of Silveiras Style and complemented maternally with the great Forever Lady cow family going back to EXAR Lutton and the Roth Forever Lady 2706. He has a pedigree built to win and has done that as the 2020 Grand Champion Angus Bull at the Fort Worth Stock Show, the 2020 Grand Champion Angus Bull at the Houston Livestock Show and the Reserve Grand Champion Angus Bull at the 2019 ROV American Royal Angus Show. It's absolutely no secret what the HSF Your Fantasy cow family has done over the past several years within this breed for numerous programs. HSF Your Fantasy progeny have dominated the show ring and far beyond. She is the dam of the famed 'Ratliff heifer', Riverstone Charmed, known as Larissa who set the show ring on fire in 2016. She is also the dam of the great Riverstone Crown Royal bull. HSF Your Fantasy has become known as one of the breed's most notable purebred donors. Her granddaughter, Ratliff Howboutit 008H, was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. Her service sire is the 25% Lim-Flex bull sired by 3Aces Sky Fall 9576 and out of the great WLR Eden donor. On paper, this female ranks in the 35th percentile for both her milk figure and marbling figure.

An impactful Georgina opportunity from the mother of the \$165,000 Coleman, Conley and Genex Beef AI Sire, J Trademark 1037. She was the top-selling female of the 2022 Your Maternal Source Sale where she sold for one-half interest for \$210,000 for a \$410,000 valuation going to Jocko Valley of Montana. This donor female has an impressive progeny production record of BR 38@96, WR 38@103, YR 19@101, U%IMF 12@101. She reads with tremendous growth and performance and ranks in the Top 15% for Marb, Top 3% \$M, Top 2% \$B, and has an impressive \$C in the Top 1%. A flush recently sold for \$18,000 to Beartooth Angus of Montana and she sold two \$30,000 top-selling heifers and full sisters to Trademark for the Cattleman's Cut program of Nebraska. This is an opportunity of elite numbers and great phenotype from a dam that has great production.

Erica 74A has been the kind of female that dreams are made of and programs are built around. We are proud of the legacy that Erica 74A is leaving in the Angus breed and we are excited to see her genetics continue to impact programs. DUFF Napoleon x Erica 74A is a combination like no other. If you were in attendance for Opportunity Knocks 2.0, the Napoleon x Erica cows were a true highlight averaging \$28,000. These embryos are full siblings to the highly talked about External Law bull that walks the land at Duff Cattle Co. in Hobart, Oklahoma. Another full sibling is Blair's Erica 267F, a top donor in our program and the dam of Blair's South Point 519J, Lot 1 in our 2023 Pursuit of Excellence. Blairswest Erica 77J, a daughter of Bar-E-L Erica 74A, and her son, were recently named Grand Champion Angus at the 2023 Canadian Western Agribition.

Over the last decade, the BCII herd prefix has been stamped on some of the most prominent Angus females that have sold and shown across the country. Furthermore, these BCII females have excelled to the highest levels once put into production. Prim will be a sale highlight in the 2nd volume of the Angus Elite on December 7th. BCII Sandy 071 or as they call her "Prim" has proven herself to be a top producer year after year. Prim is most notably known as the dam of Kathryn Coleman's \$132,000 Reserve Champion Owned Female at the 2023 NJAS. These embryos are full sibs to that great female. Other offspring of note would be a \$50,000 Classen daughter and a \$23,500 Quantum Leap daughter. This will most likely be the most high-profile Angus donor to sell this fall and her resume backs up that statement in full!

The Sullivan Farms Angus donor arsenal is made up of some of the best females in the nation and many believe WB Princess 902 is a true testament to that. Offering IVF heifer embryos to the brand new mating of KR Casino 6243 and WB Princess 902. KR Casino 6243 is a son of CFCC Black Jack 001 and out of Malsons Savannah 27Y. He was the Grand Champion ROV Angus Bull at the 2017 American Royal. His most notable top-selling daughters have commanded \$500,000, \$135,000, \$80,000 and \$18,500 to average \$183,500 in the Udell "The Advantage" Sale in 2022. KR Casino 6243 genetics have quickly proven to far surpass show ring appeal, but the kind that revenue is generated from. The donor female in this mating is WB Princess 902, a daughter of WB Pendleton 708 and out of the EXAR Princess 6680 donor. WB Princess 902 began her decorative show career with a division champion at the American Royal, garnered Supreme Champion Female honors at the 2020 Iowa Beef Expo and was then named Grand Champion Angus Female at the 2020 Cattlemen's Congress Angus ROV Female Show. Her very first set of ET calves sired by Silveiras Forbes 8088 generated more than \$200,000. These resulting heifers will not only have incredible show ring appeal and potential, but they'll have some serious earning power.

Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. His progeny have claimed more champion titles over a nine year period than any other bull. Silveiras Style 9303 is a son of Gambles Hot Rod and the great Silveiras Elba 2520 female. Numerous pages of history have already been written on Style progeny and will continue for many generations to come. The donor female in this mating is CLAC Lucy 201J. She is a daughter of Colburn Primo 5153 and out of the PVF Lucy 1125 donor. CLAC Lucy 201J was the Champion Junior Division VI Female at the 2022 National Junior Angus Show and the Champion Junior Division VI Female at the 2022 Oklahoma City Cattlemen's Congress for Sara Sullivan. She is a full sister to Stagemeyer's American Royal Supreme Champion Female. CLAC Lucy 201J is a very uniquely designed Angus female. Talk about substance, foot and bone work with a killer look! She was a past high-seller for Jeff Paulsen in the Divas and Donors Sale. Rest assured that the genetic predictability is strong and the genetics are even more potent!

Coleman Chloe 975 is the \$60,000 one-half interest for a \$120,000 valuation top-selling heifer calf of the 2020 Maternal Source Sale going to Jocko Valley of Montana. She is a daughter of one of the most proven Angus females in the entire business, Lawsons Chloe C815. Sired by Coleman Bravo 6313, a genetic masterpiece, he is one of the absolute hottest sires industry-wide and was the \$450,000 top seller in the 2018 Coleman Angus Sale. This elite donor is a full sister to Coleman Chloe 9275, Coleman Chloe 034 and Coleman Triumph 9145, the high-selling lot in the 2020 Coleman Angus Female sale where he sold for \$225,000 to Rust Mountain View Ranch. Coleman Glacier 041 was the featured Lot 1 bull of the 2022 Coleman Spring Bull Sale where one-quarter interest sold for \$270,000 as the record-selling bull in Coleman Angus history. As more calves hit the ground, Glacier will have a huge impact on the beef business nationwide. Folks, these bulls not only epitomize genetic predictability but the stature and prowess of the Angus breed! These future herd sires epitomize consistency and sheer quality.

Folks, this genetic offering is extra intriguing for many reasons! A purebred Angus IVF heifer planned mating will be the very first of its kind. The sire of this planned mating is SCC SCH 24 Karat 838. He is the SCC Tradition Of 24 son out of an SCC First-N-Goal GAF 114 daughter, FCF Proven Queen 419. 24 Karat is the Angus sire known for his flawless phenotype and stacked pedigree with proven production and an unbelievable track record in the show ring. His dam, FCF Proven Queen 419, is a phenomenal donor female. The donor female in this IVF heifer planned mating is BBR Blackbird 372J, a daughter of Dameron First Class and out of the great EXAR Blackbird 4867 female. BBR Blackbird 372J was the Grand Champion Angus Female in the Junior Angus Show at the 2022 North American International Livestock Exposition for Sara Sullivan. She was also the Champion Intermediate Division II Heifer at the 2022 National Junior Angus Show. BBR Blackbird 372J immediately entered the prestigious Sullivan Farms donor battery and now you are getting the opportunity to own some of the very first progeny from this exciting young donor. BBR Blackbird 372J was admired for her power and balance and we truly believe that this mating could be the home run many have been searching for! The very first set of calves out of BBR Blackbird 372J will be coming in 2024.

Bruno is the talk of Canada. He was the 2022 Royal Winter Fair Supreme Champion and O.A.A. Show Bull of the Year. He's loaded with power and shape from the ground up and is still attractive and athletic. He is sired by Sandman with no Primo or Style in his pedigree, and backed by the proven powerful Georgina cow family. Bruno is the bull to use if you want to put some power, shape, and pounds back into your calf crop.

Selling 4 IVF embryos sired by the bull of the buyer's choice.

Buyer supplies semen and sellers pay for the transplant work.

Any embryos made past four, the price will be negotiated between the two parties.

She calves 1/10/2024 and will be ready 45/60 days after calving.

A genetic debut worth its weight in gold! Four IVF embryos by the bull of the buyer's choice from one of the winningest female's in the nation, OAKP RJ Lizzo K56. She is a percentage Simmental female sired by W/C Bankroll 811D. He is the W/C Loaded Up 1119Y son out of the Miss Werning KP 8543U donor. Bankroll was Werning Cattle Company's \$205,000 record-high seller in 2017. He has the added width and power like no other and is a genetic giant on paper. Some of the highest valued bulls and females in the industry are sired by W/C Bankroll 811D. He sets the standard for having crossover appeal among the show world and the commercial world. The dam is K&J Proven Queen 259, a daughter of Colburn Primo 5153 and out of the PVF Proven Queen 5250 donor. OAKP RJ Lizzo K56 has an incredibly storied show career. She was the 2023 American Junior Simmental National Classic Grand Champion Percentage Female, the 2023 Iowa Beef Expo Supreme Champion Female, the 2023 American Royal Supreme Champion Female and the 2023 NAILE

SULLIVAN

Grand Champion Percentage Simmental Female in both the open and junior shows. OAKP RJ Lizzo K56 continues her path to becoming one of the most powerful matrons in the Simmental business.

Reckoning 711F was the Grand Champion Percentage Simmental Bull at both the 2019 NAILE and the 2020 NWSS. Reckoning 711F was also the 2019 Sweepstakes Champion Bull and offers more scale and length similar to his sire, but generates the extra size and performance to make center stage show cattle.

WLE Copacetic E02 was the Grand Champion Bull at both the 2019 NAILE and the American Royal. He is extra sound structured with incredible flex in his joint work. WLE Copacetic is raising tremendous offspring and is the go-to percentage Simmental sire.

The donor female in this mating is JSUL Rosie Sam 0505H, the Champion Bred and Owned Purebred Heifer at the 2022 American Junior Simmental Association National Classic for Sara Sullivan. She sets the standard in terms of skeletal quality, eye appeal and overall presence, but after all she is from one of the most distinguished matings in the Simmental breed. It doesn't matter which segment of the business you're in—everyone can agree that the SAM x 677D mating is one of the most dominant purebred genetic combinations with the most illustrious track record both in the show arena and sale ring. JSUL Rosie Sam 0505H commanded \$52,000 in the 2023 Embryos On Snow Sale and was the leading purebred in Sara Sullivan's show string for great reason. Most notably, her daughter JSUL SWC Rosie 2614K, sold for \$75,000 in the 2023 Spring Sort Sale.

Here is a genetic investment that has consistently been at the forefront of the industry and will never go out of style! These three IVF heifer embryos will be purebred Simmental, double black and double polled. Next Level is the KRJ Dakota Outlaw son from the KRDL Caedence C37 donor female. He is the hottest young sire in the business right now. Early sales have been overwhelming and calf reports have breeders wanting to order early. Next Level is soft centered, good structured and injects extreme show heifer look and build into his progeny. The donor female in this mating is JSUL Oh Boy Reba 0267G, the daughter of THSF Lover Boy B33 and out of the Silveiras Style 9303 daughter, DAF Reba C85. The dam of this female, DAF Reba C85 has been a dominant producer of elite females. DAF Reba C85 herself was the 2016 Grand Champion Percentage Female in the junior show at the National Western Stock Show and went on to be the Reserve Supreme Female at the 2016 Iowa Beef Expo as well as the Fifth Overall Female at the National Junior Heifer Show. JSUL Oh Boy Reba 0267G was the 2021 American Royal Supreme Champion female for Sara Sullivan. Her first set of calves were extremely good and there was only one Next Level which sold for \$11,000. Two of JSUL Oh Boy Reba 0267G's JSUL Something About Mary 8421 daughters sold for \$125,000 and another for \$30,000. Truly, the genetic worth that lies in this genetic offering is second-to-none and comes from some of the most decorated individuals in the industry. Bid with the utmost confidence!

THSF Lover Boy B33 is a proven calving-ease sire with an incredible phenotype, length of spine and level hip. His dam was Champion Simmental Female at the 2009 American Royal. He was the 2016 National Western Stock Show Grand Champion Simmental Bull, and is a full brother to HPF Quantum Leap Z952. THSF Lover Boy B33 has sired numerous champions including the Champion Open and Junior Female at the 2021 Cattlemen's Congress for Sara Sullivan of Dunlap, IA. Another genetic offering debut that will have incredibly high anticipation! JBSF Berwick 41F was the \$109,000 for one-third interest, high-selling lot in the 2020 Embryos On Snow Sale. The first impression that one has when studying the sheer quality, mass and near perfect structural design that JBSF Berwick 41F possesses is simple; he is destined to be a sire of impact. The mating flexibility that Berwick offers is tremendous, with no Relentless, Broker, Profit, Lock N Load, or Loaded Up in his pedigree.

The donor in this mating is none other than RJ PF Rita 8288F. She has one of the most decorated show careers as any female in the nation. She was the 2019 Grand Champion Percentage Female at the Simmental National Classic, the 2019 Grand Champion Percentage Female at the Simmental Breeders Sweepstakes in both the open and junior shows as well as the 2019 Nick Overpeck Supreme Champion Animal at the Simmental Breeders Sweepstakes, the 2019 Iowa State Fair Supreme Champion Female, the 2019 NAILE Supreme Champion Junior Female and the Champion SimAngus Female in the junior show. She was the ever-popular high-selling female from RJ Cattle Co. and last fall she produced three outstanding Lover Boy heifers with one selling for \$20,000. It goes without saying that these genetics are the hottest in the country right now and now is your rare opportunity to acquire some of her first progeny!

This is an intriguing genetic offering that will be the first of its kind! An IVF heifer planned mating out of W/C Relentless 32C and CELL Fascination 8231F. This IVF heifer planned mating will be 50% Simmental. W/C Relentless 32C was the \$87,500 high-selling bull in 2016 for Werning Cattle Company. He is a son of Yardley Utah Y361 and out of the Miss Werning KP 8543U donor female. W/C Relentless has been a leading semen sales bull within the Simmental breed for numerous years. He is admired for his ability to sire size, foot quality, length and overall mass. His progeny are heavy muscled, long sided and stout made. The donor female in this mating is CELL Fascination 8231F, a daughter of MAGS Ali and out of the great LLJB Absolute Style 3056A donor. CELL Fascination 8231F was the \$80,000 high-selling lot at the 2018 Linhart Limousin Fall Harvest Production Sale. Most notably, her daughter, CELL Jade 1157J, sold for \$105,000 in the 2021 Linhart Limousin 12th Annual Fall Harvest Production Sale and her son, CELL Kilimanjaro 2218K, sold for \$15,500 in the 2023 Linhart Limousin 8th Annual "Business Done Right" Bull Sale. Harkers Unleashed is a son of Silveiras Style 9303 and out of the Hilb Miss Oo La La B412 female. His dam, Hilb Miss Oo La La B412, needs no introduction as one of the premier donors in the Harker program. Unleashed experienced tremendous success on the show road and was named the 2021 Indiana State Fair Supreme Champion Bull, the 2021 North American International Livestock Exposition Reserve Grand Champion SimAngus Bull as well as both the 2022 and 2023 Oklahoma City Cattlemen's Congress Grand Champion Percentage Simmental Bull. Harkers Unleashed is a tremendous SimAngus sire alternative to his deceased sire of influence, the great Silveiras Style 9303. Unleashed will sire cattle with the same elite look, presence and structural integrity as expected from Style progeny. The donor female in this mating is none other than RJ PF Rita 8288F. She has one of the most decorated show careers as any female in the nation. She was the 2019 Grand Champion Percentage Female at the Simmental National Classic, the 2019 Grand Champion Percentage Female at the Simmental Breeders Sweepstakes in both the open and junior shows as well as the 2019 Nick Overpeck Supreme Champion Animal at the Simmental Breeders Sweepstakes, the 2019 Iowa State Fair Supreme Champion Female, the 2019 North American International Livestock Exposition Supreme Champion Junior Female and the Champion SimAngus Female in the junior show. She was the ever-popular high-selling female from RJ Cattle Company and last fall she produced three outstanding Lover Boy heifers with one selling for \$20,000. Incredibly high revenue generating potential, proven and consistent genetics—what more could you ask for in a mating?

Ladies and gentlemen, the opportunity is yours to an unprecedented financial investment that is certain to be profitable! An embryo flush can be yours from the famed Red Angus donor female, J6 Advance E501. J6 Advance E501 is the daughter of the foundation donor female JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. Six Mile Taurus 519A was the 2014 National Western Stock Show Champion Bull. A son of J6 Advance E501 sold for \$13,000 in the 2022 Lonely Valley Seedstock Sale to Davis Ranches. P Bar S has a daughter of hers in their program that was the 2021 Champion Red Angus Influence Heifer at the Tulsa State Fair. Phenotypically, when it comes to elite donor females, J6 Advance E501 is at the forefront of many cattlemen's minds. Most recently, J6 Advance E501 was the \$30,000 top-selling lot in the Lenape Cattle Co. & Friends Inaugural Sale. She is absolutely stunning on the profile, angular in her design, ultra-attractive in her look and wide at the base of her skeleton. J6 Advance E501 has already begun writing her own chapter in the breed history book and now is your chance to have a unique influence in a flush to the bull of your choice. We could write paragraphs describing the caliber of this donor female, but her high quality look will speak for itself. The opportunity to produce high caliber cattle from an embryo flush to J6 Advance E501 will position you at the forefront of the industry!

Terms: Buyer is guaranteed five transferable or freezable embryos, anything over five will be yours. IVF cycle will take place at Trans Ova, Missouri. Buyer is responsible for all cost while the cycle takes place. Buyer supplies the semen and once the process is paid in full, the embryos will be released.

What an exceptional opportunity to buy into some high-quality Red Angus genetics! The sire of these embryos, TMAS Preacher 906G, was the high-selling Red Angus at the 2020 Thomas Ranch spring sale. He dam is TMAS Ms Edge 7723E, the high-selling Red Angus lot in last year's Night On The Town All Breeds Sale. Rarely are animals able to match an elite profile with unprecedented individual performance, but TMAS Preacher does just that. He can sire elite cattle not only in the Red Angus breed but, he is the perfect choice for cross breeding programs who want to add maternal traits without sacrificing muscle. These embryos will be from the MANN Ms Wideload 800 355 donor female. She is smooth and elegant in her design, tremendous on her feet and legs, and full of muscle shape. The added dimension this female offers is impressive when coupled with her flawless structure and attractive angles. What's more, she is a full sib in blood to the renowned Red Angus AI sire MANN Red Box 55C. Additionally, FHSU Ms Wideload 022K, a full sib to this mating has had her fair share of success up and down the show road. Pay special attention to these special genetics.

We are certain Wulfs Ka-Ching 0726K is the calving-ease, homo black, homo polled, purebred Limousin breeding piece you have been searching for! Wulfs Ka-Ching 0726K combines a notable pedigree, elite EPD profile, and eye-catching conformation. Phenotypically, he has a rugged look with capacity, growth and extra muscle expression. Aside from his visual advantages, on paper, he presents a set of breed-leading EPDs highlighted by ranking in the top 1% for gestation, a negative birthweight figure of -0.3, and top 20% rank for calving-ease maternal. He pairs these calving ease figures with explosive growth, ranking in the top 4% for weaning weight and top 3% for yearling weight. A true "curve bender" if you ask us. Continue reading and find exceptional carcass figures. He ranks in the top 20% for yield grade, top 10% for carcass weight, top 2% for ribeye, top 15% for marbling, and top 5% for \$MTI. This herd sire prospect has 15 economically relevant traits that rank in the top 25% of the breed or better. He is sired by one of the hottest CELL Envision sons in the breed, VL Hunker Down 003H, whose sons were the top-selling black sire group in the 2023 Wulf Cattle Opportunity Sale. His dam, Wulfs Handwrote 0762H, raised this impressive stud as a two-year-old. Don't miss out on your chance to own fall possession or exclusive semen on this herd sire that will predictably advance your breeding program to new heights.

If you're looking to take your program to a new level, pay close attention! An IVF heifer planned mating from the Silveiras Forbes 8088 x Ratliff Howaboutit 008H mating. Silveiras Forbes is a son of Silveiras Style and complemented maternally with the great Forever Lady cow family going back to EXAR Lutton and Roth Forever Lady 2706. He has a pedigree built to win and has done that as the 2020 Grand Champion Angus Bull at the Fort Worth Stock Show & Rodeo, the 2020 Grand Champion Angus Bull at the Houston Livestock Show & Rodeo and the Reserve Grand Champion Angus Bull at the 2019 ROV American Royal Angus Show. The donor female in this mating is the great Ratliff Howaboutit 008H. She is the FWLY Can Do x Riverstone Charmed daughter who was the Supreme Champion Heifer at the 2021 North American International Livestock Exposition and the Supreme Champion Heifer at the 2021 Iowa Beef Expo. She is a full sister to the ever popular Ratliff Jump Start bull and was the \$202,000 sale-topper herself in the Ratliff Cattle Online Sale. A full sib to this IVF heifer planned mating sold for \$120,000 in the 2023 SSUL online sale, another for \$25,000 and two more full siblings for \$10,000. Another full sibling to these embryos, JSUL PCC How Bout Her 3204L, sold for \$30,000 in the 2023 Pembroke Fall Sale. The past few years have seen records skyrocket within the Limousin breed and now is the opportunity to jump on the train to success!

Guarantee of one pregnancy

These genetic combinations should be considered by anyone who appreciates raising quality livestock! The donor female in this mating needs no introduction. The great Ratliff Howboutit 008H is the FWLY Can Do x Riverstone Charmed daughter who was the Supreme Champion Heifer at the 2021 NAILE and the Supreme Champion Heifer at the 2021 Iowa Beef Expo. She is a full sister to the ever popular Ratliff Jump Start bull and was the \$202,000 sale-topper herself in the Ratliff Cattle Online Sale.

TASF Crown Royal was the 2017 NWSS Grand Champion Bull and is one of the most influential Limousin bulls in the history of the Limousin breed. He is making huge waves with his calves as represented by his banner winning progeny and currently has over 650 registered progeny in the breed today. This genetic combination is rare as only one full sibling to these IVF heifer embryos was born this year, SSUL Royal Charmed 3205L ET, who sold in the 2023 Maternal Legends Sale for \$11,000.

ELCX Kings Landing 599 D has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. Two of his daughters sold in the 2023 Maternal Legends Sale for \$40,000 and another for \$7,500. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance.

*Selling 4 IVF embryos by the bull of the buyers choice
Buyer supplies semen. Seller pays flush expense*

One of the newest donors to enter the Sullivan Farms donor pen! Allow us to highlight a female everyone is quite familiar with and her first natural calf speaks volumes to the caliber of individuals she is capable of producing. You'll want to invest in this exclusive opportunity to four IVF embryos from a bull of your choice to the great DL Hush Money 502H female. She is a 65% Lim-Flex female sired by ELCX Kings Landing 599 D and out of the SSTO Courtney 5877C female. She has had one of the most illustrious show careers of any Limousin female in the breed. Most recently, DL Hush Money 502H was named the Supreme Champion Limousin Female for Sara Sullivan at the 2023 North American International Livestock Exposition with her bull calf at side, SSUL Loot Money 32L. DL Hush Money 502H was also the Grand Champion Limousin Female at the 2023 Cattlemen's Congress, the 2021 National Junior Show and Congress Grand Champion Owned Lim-Flex Female, the 2021 American Royal Grand Champion Female and the Reserve Champion Limousin Female at the 2021 NAILE for Sara Sullivan. Numerically, she ranks in the 25th percentile for weaning weight and yearling weight and in the 30th percentile for milk. Sullivan Farms is home to some of the industry's most influential matriarchs. DL Hush Money 502G joins the long list of females that have produced countless national champions, high sellers and herd building individuals for the Sullivan family. This is the most exclusive opportunity to invest in the future of your program.

This lot is the culmination of the best of two breeds. WLR Prada was one of the breed's most accomplished show females in her day prior to becoming a prolific producer. One of her most impressive achievements is ELCX Kings Landing 599 D, who is one the Limousin breed's most sought after sires. The two Angus bulls featured in this lot are also some of the most popular bulls not only in the Angus breed, but with breed's striving to produce elite composite cattle. SHSK Prada's Diamond 305L, a full sibling to Lot 42A, recently commanded \$109,000 in Shelby Skinner's Girls On Film Sale. There is no guess work here.

A big-time genetic opportunity from Skinner Cattle Co. SHSK Prada's Diamond 305L was the top-selling lot on their latest Girls On Film Sale where she commanded \$105,000. This female caught the attention of many due to her show-stopping phenotype and flawless structure. WLR Prada has evolved into one of the most dominant producing Limousin females in the history of the breed. She had an illustrious career herself as the 2012 NWSS Division Champion, 2012 Eastern Regional Junior Show Grand Champion, 2012 All-American Futurity Division Champion, 2012 NAILE Junior Show Grand Champion, 2012 NAILE Open Show Reserve Grand Champion, 2012 National Junior Heifer Show Reserve Grand Champion, 2013 FWSS Grand Champion Open Show, as well as a list of other accolades too long to list—WLR Prada has done it all!

When it comes to show pedigrees and show cattle in the Limousin breed, the great WLR Prada female is as good as it gets! Her daughter, Barbara, is gaining ground quickly! SHSK Barbara celebrated often on the tan bark, her signature win was when she was crowned the 2015 American Royal Grand Champion Heifer and then the 2015 NAILE, 2016 NWSS, and 2016 FWSS Reserve Grand Champion Limousin Heifer. Barbara is a maternal sister to the hottest Limousin sire in the business, ELCX Kings Landing. Her sisters, SHSK Fergie, SHSK Debra Dawn, SHSK Felicity, SHSK Elvera and SHSK Benjie won countless shows and are now donors in prominent programs. Barbara daughters have been highly sought after, including SHSK Mia Wallace who recently brought \$39,500 at Shelby Skinner's recent Girls On Films Sale. These genetics are timeless and consistent no matter the mating.

A double-bred Prada! SHSK Elvera 710E ET is one of the most well-known daughters of the great WLR Prada in existence. She was the 2018 NAILE Reserve Grand Champion Heifer, 2019 NWSS Reserve Grand Champion Heifer and 2019 FWSS Grand Champion Heifer. She is sired by the well-known TMCK Durham Wheat 6030X, the sire of Riverstone Charmed. These embryos are sired by ELCX King's Landing, quite possibly the hottest bull in the Limousin breed today.

What an exciting genetic debut! Four IVF heifer embryos from the MAGS Xyloid 3712X x WLR WVR Elle 373K mating. These four IVF heifer embryos will be 81% Limousin, double black and double polled. It goes without saying that MAGS Xyloid 3712X needs absolutely no introduction. He is the phenomenal bull that has garnered attention from across the industry for his prominent influence. He is a son of DHVO Deuce 132R and BOHI Rhonda 314R. With over 800 progeny on record in the herd book, MAGS Xyloid is continuing to influence numerous programs across the country. His most notable son, ELCX Kings Landing 599 D, is the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. This makes these embryos full siblings in blood to the great Kings Landing. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter, ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H, sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. The donor female in this mating is WLR WVR Elle 373K, a purebred daughter of MAGSWL Usual Suspect 538U and out of the legendary AUTO Rebeca 292S donor. Her full sister, WLR Prada, is one of the most consistent producers of champions within the breed that go on to make world-class sires and donors. Now is your opportunity to position your program at the genetic forefront of the breed that continues an incredible upward trajectory in the business!

Guarantee of 5 embryos, maximum of 10. Seller furnishes semen and buyer pays flush expense.

Take a look at this opportunity! Well balanced is the term that best describes AUTO Gitty 269G. She is ultra-feminine, level topped, bold sprung and fundamentally correct. Sired by MAGSWL Usual Suspect 538U and out of the famous AUTO Rebeca 292S. This pedigree makes her a full sibling to the one and only WLR Prada female. WLR Prada is one of the most consistent producers of champions within the breed that go on to make world-class sires and donor females. This individual has the ability to produce absolute show stoppers! We have assembled an all-star sire lineup for your choosing.

An exclusive opportunity to invest in fundamentally flawless, fresh genetics! Offering an IVF heifer planned mating from the Ratliff Jump Start 340J x WA Lucy 640 mating. Ratliff Jump Start 340J is an impact sire out of FWLY Can Do and from the influential Riverstone Charmed donor female. FWLY Can Do is the RLBH Air Force One son from a great female, CLLL Crystal 334W. The breed has tremendous momentum and attention due in large part from Jump Start's legendary dam "Riverstone Charmed," who won Supreme Female at the 2016 North American International Livestock Exposition. Jump Start's full sister won Supreme Junior Female in 2021 for Sara Sullivan. They are the only mother/daughter duo to win the Supreme Junior female title at the North American International Livestock Exposition in Louisville. Ratliff Jump Start 340J was selected Grand Champion Limousin Bull at the 2022 Cattlemen's Congress. The donor female in this mating is WA Lucy 640, a daughter of Silveiras Style 9303 and out of the great PVF Lucy 1107 donor. WA Lucy 640 was the Third Overall Owned Female at the 2017 National Junior Angus Show exhibited by Sara Sullivan. She then went on to claim multiple division honors at the 2017 North American International Livestock Exposition, the 2018 National Western Stock Show and the 2018 Fort Worth Stock Show and Rodeo ROV shows as well. The WA Lucy 640 daughters are commanding the attention of many. SULL Lucy 2101K is a daughter of Colburn Primo and WA Lucy 640 that was Division IV Champion Female at the 2023 Cattlemen's Congress for Josie Brooke Phillips. PCC SULL Lucy 3235L is also a daughter of Colburn Primo and WA Lucy 640 that sold for \$14,000 in the 2023 Pembroke Fall Sale. This IVF heifer planned mating will be the very first of this genetic combination of Ratliff Jump Start 340J and WA Lucy 640! Selling Choice Of Heifer or Bull. Due: 2/7/24

Wulfs Hard Cider 0028H is an exceptional female procured from the 2020 Night On The Town Sale. This female was consigned by Wulf Cattle, and was a highlight of the event. Since then, this 50% Lim-Flex has been an integral part of the Misty Morning Limousin breeding foundation. It is with great excitement that we offer a pregnancy out of this female and Wulfs Holiday. There is proof of these very genetics outperforming all others in one of North America's most reputable programs, imagine how these same genetics will work for you!

Guarantee of 6 embryos, maximum of 10. Seller furnishes semen and buyer pays flush expense.
 Here is the opportunity to flush the many-time champion LLJB Absolute Style 3056A to the bull of your choosing. LLJB Absolute Style 3056A has more than 70 calves on file which have generated more than \$600,000 and are known for eye-appealing progeny that excel in terms of structural integrity. There have been too many extremely successful progeny to mention, for example, CELL Fascination 8231F, was the top seller in Linhart's 2018 Fall Harvest Sale commanding \$80,000 from Sara Sullivan of Dunlap, IA, and the high-selling bull in Linhart's 2020 Business Done Right Bull sale, CELL Freedom 8208F who was purchased by Wilder Family Limousin of Texas. Whatever paternal influence you choose, the product will be highly marketable and ultra-competitive. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

Ratliff Google 911G had an extremely successful show career highlighted by being selected Grand Champion Female at the extremely competitive 2021 inaugural Cattlemen's Congress. The Charmed-Style mating dominated the Cattlemen's Congress, along with every other major American show in the past year! Collectively there are too many banners won to report on a single page from these full siblings. Ratliff Google 911G ET is a direct descendant from the Limousin show female matriarch Rivestone Charmed 50C who needs no introduction. Larissa, the Ratliff show heifer, will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and dominate any arena they walk into.

What a tremendously exciting genetic offering. TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint, he is big footed, relaxed in his pasterns, and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today—weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor in this mating is KLS SULL Gucci 205G, a full sister to the legendary WLR Prada donor. She is sired by MAGSWL Usual Suspect 538U and out of the famed AUTO Rebeca 292S female. WLR Prada is one of the absolute hottest Limousin females in the breed—she has generated numerous national champions across the country. The level of anticipation is high with this genetic combination and for great reason. Genetics of this caliber will catapult any program to the next level in a flash.

Over the last decade, the BCII herd prefix has been stamped on some of the most prominent Angus females that have sold and shown across the country. Furthermore, these BC II females have excelled at the highest levels once put into production. BCII Sandy 071 will be a sale highlight in the 2nd volume of the Angus Elite on December 7! BCII Sandy 071 or as they call her "Prim" has proven herself to be a top producer year after year. Prim is most notably known as the dam of Kathryn Colemans \$132,000 Reserve Champion Owned Female at the 2023 NJAS. Other offspring of note would be a \$50,000 Classen daughter and a \$23,500 Quantum Leap daughter. This will most likely be the most high-profile Angus donor to sell this fall and her resume backs up that statement in full! This unique embryo consignment is sired by TASF Crown Royal 960C, one of the most successful Limousin show sires of all time. Don't miss these elite Genetics selling in Las Vegas!

A special offering of national championship caliber genetics! ELCX Kings Landing 599 D has taken the Limousin breed by storm and his progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H, sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J.

The list of accomplishments and accolades collected by the individuals present in this mating are down right impressive! Ratliff Jump Start 340J is an impact sire out of FWLY Can Do and from the influential Riverstone Charmed. Ratliff Jump Start 340J was selected Grand Champion Limousin Bull at the 2022 Cattlemen's Congress. Now is your chance to jump aboard and see for yourself what the hype is all about!

The donor female in this mating is ELCX Extra Special 701E. She is a daughter of PVF Insight 0129 and out of the great AUTO Poem 273Y donor. PVF Insight 0129 is the powerhouse SAV Brilliance 8077 son. Her dam, AUTO Poem 273Y is the highly renowned daughter of SAV Bismarck 5682 and the great MAGS Phantoms Prize female. She commanded \$25,000 in the 2022 Edwards Land and Cattle Co. Fall Production Sale. Most notably, her daughter, ELCX Kate 332K, was named the Grand Champion Limousin Female at the 2023 NAILE and she was also the Grand Champion Lim-Flex Female at the 2023 National Junior Limousin Show and Congress for Carter Kornegay.

An opportunity to fast track the addition of a unique genetic influence to your program! MAYC Gold Buckle 624G was crowned Champion Bull at the 2020 North American International Livestock Exposition and Reserve Champion Bull at the 2020 American Royal. Most recently he sired both the Grand Champion Limousin Bull and Reserve Champion Limousin Bull at the 2023 North American International Livestock Exposition. Many admire him for his eye catching rib dimension, bone and structural correctness. This phenotype comes from his winning lineage being sired by MRRC Legal 441E, a son of Colburn Primo 5153, out of the one and only Riverstone Charmed 50C. She is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and dominate any arena they walk into. Gold Buckle's dam is the great FWLY Purple Ribbon who had an outstanding show career racking up banners everywhere she went. The donor female in this mating is PBRS 9193G, a double homozygous daughter of ELCX Kings Landing 599 D. She was the top-selling lot in the 2021 P Bar S Ranch Proof Of Progress XVI Sale commanding \$21,000. Her dam is Buford Black Belle 260Z, a daughter of SAV Cast Iron 8083. This female is 40% Lim-Flex and ranks in the 20th percentile for her milk figure. She will make individuals that will be at the top of their contemporary group year after year. This Kings Landing daughter blends powerful genetics, reads with tremendous versatility and offers unlimited potential. Phenotypically, this female offers a phenomenal design, presence and overall build. She's been a favorite of ours and we are excited to see what she can do for your program. The sky is truly the limit with an investment opportunity of this magnitude!

She hails from two of the most impressive individuals in the Limousin breed. Her sire, CJSJL Creed, is a known producer of powerful herd sires and deep, broody daughters. Her dam, AUTO Callie 403D, captured the hearts of many when she was named Grand Champion at the 2017 All-American Limousin Futurity for Miss Ellie Dill of Missouri, and has gone on to be a solid producer in her own right. The blending of these greats has created the stunning Jaw Dropper female. Her name couldn't be more perfect. She is a beautifully designed 57% Lim-Flex that is double homozygous. Her pedigree is solid from top to bottom providing exciting opportunities that meshes nicely with her numerical profile—double-digit calving-ease direct EPD, a moderate birth weight and top-ranking yearling weight.

He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. The donor female in this genetic offering is CELL Miss Responder 6078D. She is a proven producer of high-quality AI sires and it doesn't stop there. This daughter of COLE Absolute 05A is as powerful as any purebred female in the marketplace today. Her dam is from the DHVO Deuce 132R and MAGS Ramada mating. CELL Miss Responder 6078D does do the job effortlessly. She is the dam of CELL History Buff 0245H, AUTO Blaque Blazer 100F and CELL History Maker 0256H. These three AI sires are continuing to make a gigantic splash throughout the Limousin breed. Not only has CELL Miss Responder 6078D made a spot for herself in purebred history, she's continuing to produce top tier genetics no matter the mating. This will be a full circle investment that will pay dividends!

The donor in this mating is ELCX Elevate 684E, an impressive female straight from the heart of the Edwards Limousin program. She is sired by the many time champion bull, EF Xcessive Force and from the legendary DFLC HBHPC 1S donor. ELCX Elevate 684E is the dam of the 2022 NWSS Grand Champion Bull, ELCX High Time 065H who was also selected as the 2022 NAILE Grand Champion Limousin Bull. ELCX Elevate 684E is also the dam of the \$17,500 high-selling lot in the 2021 Edwards Land & Cattle Co. Show Heifer Online Sale, ELCX Highness 056H. She is also the dam of the \$30,000 female, ELCX Harmony 062H. All three of these individuals will be full siblings to this mating. If success is high on your radar, you'll want to take possession of these embryos fast!

It is with great excitement we present this genetic combination! Three IVF heifer embryos from the KLS SULL Charmer x DL High Hopes 538H mating. KLS SULL Charmer is the \$52,000 valued herd sire prospect who sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co. This bull is wicked good—gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. KLS SULL Charmer is a purebred Limousin bull that has all the potential in the world to be at the top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering—this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. The donor female in this mating is DL High Hopes 538H, a daughter of ELCX Kings Landing 599 D and out of WLR WVR Eboni ET.

This exceptional Angus female stems from the storied Princess cow family that has been so successful for Express Ranches. This female was procured from Express Ranches as a calf and was recently a top-selling Angus in the Kolt Cattle Co. Simple Choices Production Sale. She is a daughter of Conley Express 7211 out of EXAR Princess 5391 a Dameron First Class daughter. If you are wanting to raise elite Lim-Flex show females, we have selected four bulls that have been producing champions across America.

Truly a unique opportunity to procure a flush from a donor from the very top of our program. Few females in the Limousin breed have the look and presence of MAGS Win Place Or Show. She is sired by the DHVO Deuce 132R (no stranger to the Limousin breed). We have been impressed with her progeny. Genetically, we knew she would do great things and her calves have exceeded our expectations. If you're in search of highly marketable genetics that could steer your program to new heights, look no further.

Here is a true genetic masterpiece! MAYC Gold Buckle 624G was crowned Champion Bull at the 2020 North American International Livestock Exposition and Reserve Champion Bull at the 2020 American Royal. Most recently, he sired both the Grand Champion Limousin Bull and Reserve Champion Limousin Bull at the 2023 North American International Livestock Exposition. Many admire him for his eye-catching rib dimension, bone and structural correctness. This phenotype comes from his winning lineage sired by MRRCL Legal 441E, a son of Colburn Primo 5153 out of the one and only Riverstone Charmed 50C. She needs no introduction as she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and dominate any arena they walk into. Gold Buckle's dam is the great FWLY Purple Ribbon who had an outstanding show career racking up banners everywhere she went. The donor female in this mating is AUTO Fly Girl 252F, a daughter of MAGS Aviator and out of the great AUTO Luckie Too 423Y donor. During her show career she was the 2019 Supreme Champion Female and Champion Limousin Female at the Appalachian Fair. She was also the Champion Division I Female at the 2019 National Western Stock Show Open Limousin Show.

TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint, he is big-footed, relaxed in his pasterns, and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today—weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor dam of these embryos is WFL Jordan 010J, a daughter of MAGS Cable, a powerful MAGS Appleseed son who has produced numerous top sellers in a variety of programs. Her dam is the great LLJB Absolute Style 3056A, a Silverias Style daughter that Shelby Hennessey of North Dakota campaigned in 2014 with major success. Among many other achievements, she was the 2014 Grand Champion Female at the North American International Livestock Exposition Level I MOE Open Show. If you are looking for individuals who will compete at any level and become top producers in your herd— look no further.

AUTO Dior 410H is a 75% Lim-Flex female sired by TASF Crown Royal 960C. He is the highly popular purebred bull sired by DHVO Deuce 132R and out of the great TASF Whiskey Lullaby 357W donor. This female's dam is none other than the legendary AUTO Poem 273Y. She is a daughter of SAV Bismarck 5682 and out of the great MAGS Phantoms Prize cow.

On paper, AUTO Dior 410H ranks in the 15th percentile for her weaning weight figure, in the 25th percentile for her yearling weight figure, and in the 30th percentile for her milk figure. You won't want to miss this unique opportunity to add premium genetics to your program! She is homozygous black and homozygous polled.

Guarantee of 6 embryos, maximum of 10. Seller furnishes semen and buyer pays flush expense. Wulfs Hadith 0017H is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cowpower to the max. She's loaded with overall dimension, expressive muscle shape and a killer presence. On the move, she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. Aside from her phenotypical advantages, numerically, Wulfs Hadith 0017H has breed-leading EPDs highlighted by ranking in the top 15% birthweight, top 15% weaning weight, top 10% yearling weight, top 5% milk, top 3% total maternal, top 40% ribeye area, top 20% marbling and top 15% mainstream terminal index. She is a daughter of Bieber Gladiator C386, the popular Red Angus AI sire that has been proven to complement Limousin cattle nicely. Her dam is a young HUNT Credentials 37C ET daughter that did an exquisite job on her first calf, making the future bright for this young foundation female. This genetic combination makes this female easy to mate, take your choice of two elite bulls. Wulfs Kactus was the top-selling bull in the 2023 Wulf Cattle Opportunity Sale, and Wulfs Joint Venture was selected the Supreme Champion Bull at the 2023 Black Hills Stock Show.

A fresh mating from the newest member of the donor arsenal at P Bar S Ranch! This mating should yield extra power, shape and stoutness without sacrificing look, quality or build. A full sibling in blood recently brought \$120,000 in the Sullivan Farms Online Sale. Silveiras Forbes is a son of Silveiras Style and complemented maternally with the great Forever Lady cow family going back to EXAR Lutton and the Roth Forever Lady 2706. He has a pedigree that is built to win and has done that as the 2020 Grand Champion Angus Bull at the Fort Worth Stock Show, the 2020 Grand Champion Angus Bull at the Houston Livestock Show and the Reserve Grand Champion Angus Bull at the 2019 ROV American Royal Angus Show. The donor female of these embryos is PBRS Impressive Charm 1211J ET, a female sired by FWLY Can Do and out of the legendary Riverstone Charmed donor. PBRS Impressive Charm 1211J is a full sibling to the ever popular Ratliff Jump Start 340J bull. The Limousin breed continues to have tremendous momentum and attention due in large part from Riverstone Charmed, who won Supreme Female at the 2016 North American International Livestock Exposition. On paper, PBRS Impressive Charm 1211J ranks in the top 10% of the breed for her weaning weight, yearling weight and milk figures. Genetics of this level are backed by generations of time-tested genetics that continuously yield results.

AUTO Heidi 229H is a versatile female. She is a double homozygous daughter of CJSJL Creed 5042C, the MAGS Aviator son. This female's dam is AUTO Callie 403D, the AUTO Power Plus and AUTO Rebeca 292S daughter owned by Boyce-Dill Cattle of Marshfield, Missouri. She has an impressive set of numbers you'll want to pay close attention to. Her yearling weight EPD ranks in the top 15% of the breed, weaning weight in the top 20% and her marbling EPD ranks in the top 25%. Not only is this female darn near perfect on paper, she is also a total beauty queen in person. It's hard to find a female with this much extension through her front third while maintaining a powerful amount of body shape. She's flawless in her lines, deep-bodied, and stands on a powerful and perfectly constructed frame.

There is absolutely no question the genetic worth in this genetic offering is astonishing! Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. His progeny have claimed more champion titles over a nine year period than any other bull. Numerous pages of history have been written on Style progeny and will continue for many generations to come. The donor female in this mating is RCC Jesslyn 2150J ET, a daughter of TMCK Durham Wheat 6030X and out of the famed HSF Your Fantasy female. The pedigree of this female needs absolutely no introduction. RCC Jesslyn 2150J ET is a full sibling to the great Riverstone Charmed that is setting the world on fire with her accolades over recent years. Charmed is the undisputed National Champion Female etched flawlessly in the minds of every cattleman across the nation. On top of her more than impressive show career for the Ratliff family, she is producing at the highest level to every single bull she has been mated to. What a tremendous genetic opportunity right here!

SSTO Guns N Roses 9408G is a son of TASF Crown Royal, the sire of multiple champions, including the 2020 National Junior Limousin Show and Congress Grand Champion Female, TASF Guardian Angel 300G. His dam, Riverstone Charmed, is the most accomplished show female in history and now her daughters are dominating the show road.

RLBH Air Force One needs no introduction as he is one of the most popular AI sires in recent history. His storied show career began in 2013 where he was part of the 2013 National Junior Show Champion Lim-Flex Cow-Calf Pair. He went on to obtain numerous titles—including NAILE Grand Champion Lim-Flex Bull twice, NWSS Grand Champion Lim-Flex Bull, SESC Grand Champion Bull, AALF Grand Champion Bull and the 2015 National Limousin Sale Top-Selling Lot. He was also the 2014 and 2015 National MOE Gold Medal Bull.

The donor female in this mating is SHSK Julia ET, a daughter of Silveiras Style 9303 and out of the great WLR Prada donor. She was the Fifth Overall Owned Lim-Flex Female at the 2022 National Junior Limousin Show and Congress as well as the 2022 Ohio State Fair Reserve Champion Limousin Female in both the open and junior shows for Skyler Ward.

Here is your chance to purchase embryos from the 2022 NAILE Reserve Grand Champion Female as well as claiming multiple Supreme Female honors across the East Coast for McKenzie Stadtmiller. FBFL Jolene is a purebred Limousin female raised by Freebird Farms. She is a direct daughter of the highly sought-after and rare ELCX King's Landing. Her dam originated from the storied Pinegar program who was unfortunately lost in the prime of her life. We feel the opportunity to produce purebred cattle of this quality in any breed is extremely imperative in continuing the integrity of that respective breed. We absolutely think these embryo matings to some of the hottest bulls in the industry will produce females that have the ability to produce a breed-changing female not only in the showring but long term in production. Jolene will make daughters that are impeccably structured, with incredible phenotypes with substance and shape. Buy with confidence and excitement here. What an opportunity!

Don't overlook the opportunity to purchase embryos that are full siblings in blood to CELL Jade 1157J, the \$105,000 high-selling female from the 2021 Linhart Limousin Fall Harvest Sale! MAGS Heiress 1607H is an eye-catching, maternal, productive designed female. She is extended through her front one-third, clean in her lines, sound on the move, and carries natural rib dimension. She is a daughter of the great MAGS Ali, the ever-popular son of Connealy Consensus 7229. Heiress' dam is out of the extremely successful LLJB Absolute Style 3056A. The results of the Ali x Absolute Style mating will live in the Limousin history books for a long time, with many other notable progeny that are a product of this great pairing. Examples include the high-selling bull in the 2020 Business Done Right Bull Sale, CELL Freedom 8208F, and CELL Fascination 8231F, the top seller in the 2018 Fall Harvest Sale commanding \$80,000 from Sara Sullivan of Dunlap, IA, and the dam to CELL Jade 1157J. This stacked pedigree has generated an unbelievable amount of revenue for others, now it is your turn!

This embryo lot consigned by Anderson Cattle Co is a combination of there 2022 show string with many victories. Most notably FHSU Jayla 001J was selected the Grand Champion Red Angus female at the 2022 Kansas State Fair. This beautifully patterned female will be a foundation donor female for years to come. ELCX High Time is the \$20,000 syndicated bull that was the 2022 National Western Stock Show Grand Champion Limousin Bull and found success at the 2023 Cattlemen's Congress After 5 Club. Anderson Cattle Co. has offered their best in this embryo lot.

What an exceptional opportunity to buy into some high-quality Lim-Flex genetics! These embryos will be from the MANN Ms Wideload 800 355 donor female. She is smooth and elegant in her design, tremendous on her feet and legs, and full of muscle shape. The added dimension this female offers is impressive when coupled with her flawless structure and attractive angles. What's more, she is a full sib in blood to the renowned Red Angus AI sire MANN Red Box 55C. Pay special attention to these special genetics.

These embryos will be full siblings to FHSU Lannister 006L, an up and coming Lim-Flex bull with worlds of potential. They are also maternal siblings to FHSU Luna 004L, the \$25,500 open heifer who sold in the recent Revolution Sale. These genetics are a combination of the best of the Red Angus and Limousin breeds. ELCX Kings Landing 599 D is the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. He was the 2018 NAILE Medal Of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. The donor MANN Ms R017 AJA Y59 is a maternal sister to the well-known and heavily used Red Box AI sire.

The resulting progeny from this Lim-Flex mating will be something truly special. ELCX Kings Landing 599 D has taken the Limousin breed by storm. He was the 2018 NAILE MOE Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. This donor female is one of our best and we feel that when mated to this powerful Limousin sire these calves will be very competitive and highly productive.

B-Bar Georgina was the very first Lim-Flex female ever offered for sale from B-Bar's progressive cow herd in Lucky Lake, Saskatchewan. We feel she has tremendous quality both in the flesh and on paper. She is appreciated for her length of body, depth of rib, attractive front end and strong udder development. Her dam comes from the well-known Belvin Angus operation. This female is a very maternal, big-bodied female with strong udder quality and tons of milk. When we saw this impressive female we knew she needed to make the trip south as you just don't find intriguing pedigrees like this very often. These embryos are sired by CELL Freedom, a bull we purchased from Linhart Limousin a few years ago. He is a product of the very successful MAGS Ali x Absolute Style mating that has produced more good ones than we can count.

A special opportunity to acquire some of the rarest and most valuable semen in the country. Palermo is a full brother to the \$180,000 top-selling bull of the night at the Remington Park Sale held in conjunction with the Cattleman's Congress in Oklahoma City, Oklahoma, South America. South America has averaged at Coleman Angus \$28,852 on 44 head the past two years. Palermo is the new herd sire at Coleman Angus and owned with Sandford Ranches in Texas. A son of Serrucho 57 Maxi, the two-time Palermo Grand Champion, and back to the cow they call "Tank" in Argentina blends some of the most sought-after outcross genetics in the country. His first son recently sold at the Canadian Agribition for \$118,000 as the top-selling bull of the All-Star event. Visitors from all over the world are enamored with this bull's foot structure, added body and unique muscle, in a beautiful package. Think about the outcross potential from this unique lot and the amount of marketing potential behind it. This marks the first time semen has ever been offered on Palermo.
