Limousin Friends,

As we all welcome a new year, we at ATAK Limousin would like to welcome you to our second New Year's Resolution Sale. We have always been a farm focused on family. From the incorporation of family into the ATAK name, to the relationship built in the Limousin family, and the inclusion of elite cow families into our herd...family is always front and center!

As you study this catalog take notice we have brought forward the best we have to offer from the heart of our herd. The usage of embryo transplant, AI, and elite sires add to the utilization of the prominent cow families we have built upon here at ATAK to provide quality cattle.

The cattle will be available for viewing at the farm with refreshments throughout the day, and the sale will be conducted at Twisted Too Bar and Grill in Roseville, Illinois, later in the evening. We truly hope to see you in attendance to appraise this quality set of Limousin and Lim-Flex genetics we are proud to offer.

Thank you, and if you are in need of any assistance please contact anyone here at ATAK or our sale management team.

Best wishes,
Adam Schmalshof

Here is the opportunity to purchase a syndication on FWLY LHC Capital ET one of the most talked about young sires this spring. FWLY LHC Capital ET combines visual aesthetics and genetic greatness. Admire his flawless structural conformation and eye appealing phenotype. He is sired by the legendary MAGS Cable who has made a habit of producing progeny that are attractive and carry real world production value. His donor dam, CLLL Crystal 334W is a beautiful made WLR Direct Hit daughter that is most notarized for being the dam of FWLY Can Do. This maternal brother to Capital recently sired Ratliff Howboutit 008H ET. This female was the high selling female at the Ratliff Cherry Creek Sale bringing \$200,000 selling to the Sullivan family and has found her success claiming the Supreme Female title at the 2021 Iowa Beef Expo. Homozygous polled and homozygous black, this 62% Lim-Flex proven sire needs to be at the top of your list for spring breeding.

Here is an opportunity to procure a set of 3 embryos with some of the most sought-after genetics in the Limousin breed. The sire of these embryos, KLS SULL Charmer is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. TASF Crown Royal is the DHVO Deuce x TASF Whiskey Lullaby 357W son that has taken over the breed with his powerful influence. Riverstone Charmed 50C needs no introduction—she is the “Larissa” Ratliff show heifer that will go down in history as one of the greatest show females of all time. The dam is the beautiful AUTO Chaperall 406C ET, a daughter of SAV Brand Name 9115 and the great AUTO Rebeca 292S donor. A highlight and standout at the 2017 annual Pinegar Limousin sale. She has been a mainstay donor and has done a world of good for our herd. These embryos could do the same for yours.

GENETIC OPPORTUNITIES

CELL Jazzy 1527J is an elegant female with a tremendous set of feet and legs. She is flawless in her structure with smooth angles and straight lines. Her Angus sire, SCC SCH 24 Karat, has been responsible for producing exceptional bulls and females that consistently sort their way to the top of multiple breeds. Her dam, Riverstone Charmed, is as well known as any female in the purebred cattle business. Jazzy was bred to be a great one, and so far she has lived up to the high expectations we have for her.

There is a reason Capital plays such an important role in this sale offering. His sons and daughters are quite simply, good stock. His predictability no doubt comes from the genetic prowess he possesses on both sides of his pedigree. His sire, MAGS Cable, has sired as many sale toppers in the last several years as just about any bull out there. His dam, CLLL Crystal 334W, was an established donor well before Capital came along as she is also the dam of another breed leading AI sire, FWLY Can Do. This mating has it all. Bid with confidence.

CELL Kilimanjaro 2218K is about as royally bred as you can make one. His dam, CELL Fascination 8231F, is a product of two greats, MAGS Ali and LLJB Absolute Style 3056A, one of the breed's great donors. Kilimanjaro was Lot 1 in Linhart's 2023 bull sale for good reason. He combines a notable pedigree, a balanced EPD profile and eye-catching phenotype. When mated to CELL 7215E the results should be nothing short of extraordinary.

GENETIC OPPORTUNITIES

From the ground up this female is big-footed and stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with a practical build. This daughter of SSTO Guns N Roses 9408G will garner the attention of breeders from across the entire country. SSTO Guns N Roses 9408G is the ever-popular son of TASF Crown Royal 960C and out of the great Riverstone Charmed. This female's donor dam is SEEE Eternity ET, a Colburn Primo 5153 out of Carrousel's Pina Colada. What a powerful combination that will catapult your program to an exciting level.
