*bull & female sale*

THURSDAY  
**FEB. 8. 2024**  
AT THE RANCH - 1PM CT

# Welcome

## from Rust MountainView

What a drastic difference a year can make! Last year at this time we were covered with snow and chores were a daily challenge! This year we have very little snow that is on the ground, even though we had a big scare in October with almost a foot of snow dropping. Thankfully it melted away and we were able to graze corn stalks until December and get the rest of the corn combined.

With that being said our keyword for 2024 is **REJOICE**.

As in the past welcome letters I like sharing about my faith and this year we will look at **2 Corinthians 12:7-10**. It states, To keep me from becoming conceited because of these surpassingly great revelations, there was given me a thorn in my flesh, a messenger of Satan, to torment me. Three times I pleaded with the Lord to take it away from me. But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me. That is why, for Christ's sake, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong. As we look, and meditate on these verses, especially the first part, I am not sure any of us boast or delight in our weaknesses. In fact, in most instances, we try to hide or down play our weaknesses. We try to give this perception that our life is perfect and everything is going just as we planned! I will be the first to tell you that in the last couple years that everything has not been perfect at our place. I personally have had health issues, we have watched our kids go through struggles of life and major surgeries, death of Kyle (Trista's Dad), and numerous other difficulties' we have fought through. I will tell you first hand that the first thought that was going through my mind as I was about to get my thyroid removed this year was not to thank God for the surgery that was about to happen! There might have been a few other thoughts going through my mind at that time though 😊! But we are to rejoice, be thankful, and even boast about our weaknesses! Don't hide them, allow God to work through you to show everyone that in adversity God still stands beside you and even carries you at times! The end of verse 10 is such a great promise, For when I am weak, then I am strong! **Rejoice** in your adversity because God is with you!

If you decide you want to take advantage of this opportunity to **Rejoice** in all circumstances, the good and the bad or just talk with someone about your trials or adversity please reach out to one of us at RMVR. It doesn't matter where you are spiritually, please talk to one of us at RMVR. It would be a privilege of ours to help start you towards the path of peace, comfort, and **Rejoicing** in difficulties that our Savior Jesus Christ can provide!

With that being said I will officially invite you to our 13th Annual "Ace In The Hole" Bull Sale. I can hardly believe that we are at our 13th production sale. The years have flown by and as I have looked back on the previous sales from the 1st to the 13th it is unbelievable on the strides our cattle have made! One thing that has stayed consistent and constant is that our bull customers and friends are still the best in the business, hands down! If you are in need of a bull, or just want to show up and enjoy dinner in a positive, friendly environment, and talk with other ranchers, farmers, and business owners about the previous year please do so. One thing I can guarantee is the coffee will be hot and the food will be outstanding!

This year will mark the eighth year we will be offering Age Advantage bulls and we are extremely happy with how the process is going and will continue to offer them each and every year going forward. Don't worry if you prefer yearling bulls, we will have you covered there as well.

Calving time is an incredible time at the ranch each and every year! We get to see the potential of our new calf crop for next year's bull and female sales, along with God bringing new life onto this earth! We have had some very interesting and exciting conversations with our kids as they have grown up during this time of the year as well! Trust me my kids know where babies come from!! 😊 We have taken great time and efforts in choosing our herd sire selections (along with our trusted sales staff helping us with this process), so we can thus produce the most optimal cattle possible for you the customer in VOLUME.

Thank you for taking the time to sit down, read, and view our sale catalog. We truly do appreciate you the customer and your interest in our program. It takes many aspects in a bull sale to make it successful with the number one being the customer. Please at any time let us know how we can better assist you prior to the sale and after the sale. We VALUE your opinions and we will do our very best to try to accommodate your needs and requests to make everyone more profitable and successful!

We have really concentrated our efforts on developing our bull program with you, our buyers, in mind. We strive for consistency throughout our bull pen. We are also firm believers that if we can't use them on our commercial cows, we don't sell them. Whether we sell 15 bulls or 150 bulls it doesn't matter to us, QUALITY is king! Selection of the bulls is rigorous, with no exceptions, or excuses made for any bull! We are **extremely** proud of the offering we are bringing to you and are sure there is a bull in our pen that will meet or exceed your expectations! With that in mind we invite you to our home/ranch on Feb 8, 2024 at 1pm CT just north of Mercer, ND for our 13th Annual "Ace In The Hole" bull sale!

If you have any questions about the sale offering don't hesitate to call or text. Or if you are in the area, we always enjoy visitors and would love to give you a tour of the ranch.

Thanks again for your interest in our program! May God bless you in 2024!

430 5th Ave SW Garrison, ND 58540  
- Additional Lodging in Bismarck, ND

FULLY GUARANTEED - We stand behind our bulls. Shall a bull fail to be a satisfactory breeder, he will be replaced with another bull of equal quality or a credit will be given. No refunds.

SEMEN INTERESTS - Rust Mountain View Ranch is retaining 1/3 semen interest in all sale bulls and reserves the right to collect any bulls at their expense and the buyer's convenience.

PAYMENT - U.S. Currency only, contact Craig Reiter immediately after the sale to receive wire transfer information.

### ANNOUNCEMENTS & SALE TERMS

Announcements made from the auction block during the sale take precedence over printed material in the catalog or other printed material associated with this sale. Anyone attending this sale attends at his or her own risk. Breeders and sale force will not be held responsible for any personal injury for attending this sale. We highly recommend you insure your purchase on sale day, if they stay at our ranch. All cattle sell under the Suggested Terms and Conditions of the American Simmental Association.

EPD'S - The EPD's listed are the most current numbers at the time of print. Please note the EPD's may change from the time the sale catalog is printed until registration papers are transferred.

VIDEOS - Videos on all sale cattle will be available on DVAuction or RustMountainViewRanch.com

DELIVERY IN USA - **\$100 discount if bulls are picked up sale day.** Rust will assist in lining up the most economical delivery method possible. All trucking is the responsibility of the new owner unless otherwise prearranged prior to sale.

DELIVERY TO CANADA - If any of our Canadian customers have interest in specific bulls, Rust Mountain View Ranch will test the bulls prior to the sale at our expense so we can have delivery to Canada within the week of the sale. Rust will cover all importing expenses and delivery to the border crossing. Contact Rust or BMS for further information and to request specific bulls to be tested and paper work started prior to the sale.

## Schedule of Events

WEDNESDAY, FEBRUARY 7TH

- Sale cattle available for viewing

**THURSDAY FEB. 8**

9:00am - Carmel Rolls and coffee served

11:30am - Complimentary lunch

1:00pm - **13TH ANNUAL "ACE IN THE HOLE" SALE**

## Welcome from Bohrson

The Rust Mountain View program is one of the most dedicated operations in North America at investing and building around some of the most sought after, hard to obtain cow families. Their keen eye and progressive thinking have them in the hunt 24/7 for some of the very best genetics to grab ahold of to better their own operation to ultimately help enhance you, the customer's operation.

The 2024 offering is truly exciting. The diverse offering of red and black Simmental, Charolais, Angus and SimAngus in both yearling and extra age options, make this your one stop shop for all your breeding needs. These bulls are responsibly developed for longevity and have been bred to be low maintenance, sound, athletic bulls that put on flesh with ease. The amount of embryo transfer calves in this sale is staggering and just solidifies any guess work you may have when making a selection. Every bull is backed by a donor or a donor grandam on both sides of his pedigree, a neat opportunity as you know only the highest of quality females are used to be duplicated. New this year for the spring bull sale will feature a large selection of Simmental and SimAngus open heifers that are sisters to the bulls on offer. Having them available to view beside the bulls gives you a good idea of what type of females the bulls will produce. These females are an exciting group and feature some of the very best genetics. Many have donor potential and all promise to be cornerstone females in their new homes.

We highly encourage you to join us February 8, 2024 at the Rust Mountain View Ranch near Mercer, North Dakota to celebrate the Rust family's 13th Annual Bull Sale and great hospitality. Be sure to contact Josh ahead of time to discuss this deep offering to have him help point you in the right direction on some lots that can best suit your needs. If any of us listed from Bohrson Marketing can be of any assistance, please don't hesitate to contact us for a consultation and to utilize our free order buying services.

Best Regards,

*The Bohrson Marketing Team*

## Welcome from PrimeTime

Greetings,

Welcome back to Rust Mountain View and their bigger and better Ace In the Hole Production Sale. I am very pleased to be joining the staff this year as the stateside auction manager. Along with the very capable team at Bohrson Marketing that will continue to handle the Canadian duties plus the rest of our skilled auction team, we hope to provide you with ample service wherever you may be.

The offering is bigger and better at Rust Mountain View this year. Josh has ramped up production from his elite donor battery and the results are impressive. To make it easier on our customers, this will be the first year that the female and bull sales are combined, and we hope you enjoy the opportunity to do some one-stop shopping.

These are beef business cattle with a phenotypic edge. They are North Dakota tough – no pampering here – and they will no doubt enhance your bottom line whether it be more reliable birth weights, heavier pay weights, upgraded replacement females, or increased durability and longevity. Quality is available in 3 breeds to increase your options and we also have some age-advanced bulls that will work great for heavier use right away this spring.

This great beef business is booming, and the dynamics are in place to make it last. These cattle will help you seize those profits available to everyone now while also opening new premium markets for you. Please ask if any of us may be of assistance to you in seedstock selection.

See you in Mercer,

*Craig M. Reiter*

The PrimeTIME Company

# Donation

We will again be donating 1.5% of the sale gross to Todd and Kamaya Singer and their ministry. By doing the donation this way everyone has an opportunity in a small way to contribute to their mission. Plus it will help me sleep better at night knowing that I am not the one deciding which bull to donate!

They work for CRU and mentor young men and women at the University of North Dakota in Grand Forks and surrounding colleges. It is a great ministry and this is just a little way that Rust Mountain View Ranch can help. I will have Todd go into more detail about his ministry.

*Josh Rust*

We are the Todd & Kamaya Singer Family. We currently work with CRU where we get the opportunity to work with college students in and around Grand Forks ND. We have the opportunity to mentor and challenge college students as they grow in their faith and as we share the love of Christ with them! Huge thank you to Rust Mountain View Ranch over the years as they have continued to partner with us in our ministry!

*Rust Bet On Red 203L* Simmental Bull

Homo Polled /// Red /// 4218411 /// February 21, 2023 /// bw-88 /// adj ww-651

A special, unique individual to lead the charge of our 2024 sale offering. 203L has been a standout all year long and this nearly March born bull holds nothing back in terms of performance and power. Bet on Red has quickly become one of the hottest Simmental bulls for siring sale toppers and show winners, and we feel 203L resembles his sire so closely with a square made, muscled up body confirmation, couple with an extremely good look. The past Friday Night Lights sale feature, Cream Soda 1132J on the bottom side is rising up as one of our most productive young donors as her first calf crop in this catalogue is impressive in every division. If you want a big time, red baldy herd bull backed by a gorgeous donor dam, 203L deserves a serious look.

Homo Polled /// Red /// 4218420 /// March 20, 2023 /// bw-112 /// adj ww-762

As cool as it is to get a red son by both the breeding powerhouse Capacity and the legendary Flirt 202Z, you could give this bull any pedigree and you would appreciate him for all he has to offer. Loose hided, soggy made, sound structured with awesome feet. This hairy, easy going dude is geared to service all aspects of the industry. He will leave you big bodied, easy doing sons and his daughters will be exactly the type you need to use as replacements in your own herd or to fetch a premium as they will be some of the most fancy heifers anywhere. 214L is a real world beef bull that checks all the boxes.

NGDB LOUISE 411 B

RF CERTAINLY FLIRTIN 202Z

WHEATLAND STOUT 930W  
RF FLIRTIN FOR CERTIN37U

One of the most accomplished breeding bulls in recent history up in Canada has been NGDB Structure 34D as he is the sire of so many high sellers including RF Caliber 014G, the hottest bull in Canada right now. Caliber cut a huge swath this past fall, and his daughters averaged nearly \$60,000 at Friday Night Lights. Here you have an opportunity to purchase 3/4 brothers to this breeding giant in 507L and 516L. These mid April born bulls have that extension, look and added scale that the Structure progeny are known for. The maternal upswing that both these bulls have to offer is as exciting as any lot in the sale and we have the utmost amount of confidence in their breeding capabilities.

# Rust Favor 511L

Simmental Bull

Homo Polled /// Homo Black /// 4218482

18.7	67.6	15.8	11.9	139.6	90.4	

Another son from our incredible producing donor, 202Z. Favor progeny have been very well accepted as they check so many boxes. Strong feet, extra muscle expression, rib shape and depth and we feel you see that very well in 511L. If you want to add some shape and power and keep the maternal strength in your calf crop, take a hard look at this robust Favor x 202Z combination.

15.3	55.7	13.1	8.3	109.9	71.7	

IPU Bentley 81F was a past \$92,000 high seller that's been credited to keeping his progeny low set, soft made, hairy and easy on the eyes. That would best describe this easy doing son who is again mothered by our phenomenal 202Z donor, one of the most influential cows in North America. Bentley has been a very good producer of both bulls and females. Just recently a Bentley daughter had a son top the Friday Night Lights sale at \$240,000. He was a Caliber son who is a grandson of 202Z, making 525L closely related to him.

## Rust Tecumseh 32 L Simmental Bull

Homo Polled /// Homo Black /// 4218376 /// March 2, 2023 /// bw-79 /// adj ww-622

Mothered by one of most consistent donors, Y127 who has quietly gone about her business annually cranking out the good ones and a member of the rookie calf crop from the \$620,000 (1/2 semen interest) STCC Tecumseh 058J is what you'll find in lot 14. Oh and also, he is a really good bull! Low birth, big growth in an eye appealing package. Study this guy!

# Rust Double Up 24L Simmental Bull

Homo Polled /// Homo Black Baldy /// 4218373 /// February 12, 2023 /// bw-86 /// adj ww-610

This is one cool individual. A big time herd bull prospect awaits in Double Up 24L. He checks so many boxes when it comes to selecting a herdsire, from the ground up he is hard to pick a hole in. Perhaps the most exciting part of 24L is his big time donor dam, she was a \$110,000 1/2 interest highlight in the Family Matters sale in the summer of 2023 and last fall her 5 daughters at Friday Night Lights averaged over \$56,000 including one daughter fetching \$115,000. The breeding potential in Double up 24L is as exciting as any other bull in the offering.

Homo Polled /// Homo Black /// 4218365 /// February 4, 2023 /// bw-83 /// adj ww-741

Sensible birthweight, fresh pedigree, performance orientated with high maternal reward is how we would describe 16L. A really sharp looking bull with the likes of Sugar C4 and Angel 5870C directly in his pedigree. This bull provides calving ease, high maternal and growth. One of the most diverse bulls on offer.

Homo Polled /// Homo Black Baldy /// 4218366 /// February 3, 2023 /// bw-75 /// adj ww-649

A black blaze Head Start son back to the renowned Flirt cow family on the bottom side. The combination of Sugar and Flirt is sure to leave you with high end replacement females and the possibility of a blaze face when utilizing 15L is the cherry on top. Big time calving ease numbers in this low birth option.

## Rust Night Watch 522L Simmental Bull

Homo Polled /// Homo Black /// 4218440 /// April 23, 2023 /// bw-92 /// adj ww-715

Lots 18 & 19. Here's a really stout featured bull in the offering that is powerful and still offers some birth moderation as the Night Watch progeny always do. 522L is square made and is awesome in his lines. He struts around so carelessly and looks great doing it. As always, we are so proud to have at least 2 donors directly in our cattle's pedigree and lot 18 has a couple of the very best we have been blessed to call ours with the legendary, over 1 million dollar producing, 8543U and Pride 49Y who has done such a great job transmitting her sound skeleton to her progeny.

A pair of brothers that are a result of some of the most proven and predictable genetics we can offer. Bank Note has received world wide recognition as a dependable sire that can fix so much and leave you with high quality offspring. Donor dam W31 is one of the most treasured simmental donors we had that always left us with marketable progeny of both sexes that just simply checked the boxes. Both of these bulls are soft made, hairy, square hipped, broad topped and extremely sound. We love the genetic combination of these brothers.

HOOK'S BEACON 56B  
CLRS GUARDIAN 317G  
CLRS ALWAYS XCELLENT

A modest birth, low set son of Guardian that offers a great shot of calving ease and big growth. Lot 33 has an impressive spread from birth to yearling and is the type of bull that will sire calves that come small and easy and explode with growth.

# Rust Substance 411K Charolais Bull

Homo Polled /// PA Carrier White /// EM975169 /// May 19, 2022 /// bw-106 /// adj ww-759

Lots 51,52,53 Out Charolais numbers are low in quantity and high in quality. These mighty, coming two year old white bulls set the standard for power and performance and these brothers are the mold of why these cattle are so desired in a commercial setting. These brothers will sire those silver or buckskin calves that order buyers love to buy out. Purchase all 3 of these brothers and turn them out together to get the most consistency out of your calf crop and then reap the rewards when you haul their offspring to the stock yards.

Lots 55, 56, 57. A trio of exciting herd bull prospects. Forged of Fire was the 2022 Alberta Supreme Champion at Farm Fair International and we are so proud to have raised him. These bulls are mothered by the great Chloe C815 who is truly one of those super cows that gets it done no matter what way she is mated. All three of these bulls carry great depth of body and shape coupled with a striking look. Take a serious look here!

Lots 58, 59, 60. These Chloe sons are like peas in a pod. You can always tell a Chloe bull no matter what sire she is mated to. They just have "the look". This trio of brothers by the impressive Resilient herd bull set the standard for muscle expression and extreme power. As rugged and stout as these bulls are, they sure move around and make their transitions with ease. Anytime you get a chance to purchase a Chloe son, you just have to take it and if you are in the market for multiple bulls for your commercial operation, what better option than to acquire 3 full brothers of great quality.

*Rust Architect 28 L* Angus Bull

20707921 /// February 16, 2023 /// bw-65 ET /// adj ww-590

A pair of sons off the \$80,000 Beauty 8187 that has been deemed one of the most ideal Angus cows in existence by many critical cattlemen. These Architect sired bulls offer a twist on the top side of their pedigree while keeping the fundamentals of strong feet, good structure and do ability in check. This is a winning combination.

## Rust Double Run 13L Angus Bull

20707916 /// January 30, 2023 /// bw-96 ET /// adj ww-593

Lots 69 & 70. Big time outcross genetics here in lots 69 and 70. Mothered by the great Seldom Rest Lucy 0075 and out of the outcross powerhouse, Double Run. These bulls are absolute chunks and are very thick made. They still have a ton of look and presence to them and are very easy to identify out in general population with the rest of the bulls as they have that extra pizzazz. These bulls will be easy to find sale day.

*Rust Guarantee 307K* Angus Bull

20399137 /// January 30, 2022 /// bw-72 ET /// adj ww-567

Guarantee is quickly becoming a must use sire for creating superior stock in terms of phenotype and overall attractiveness. 307K is a great example of this and checks so many boxes when you analyze him from the ground up, and from nose to tail.

A pair of really neat pieces here. Some of the real highlights in the Simmental division all year long has been these flush sisters. Big bodied, soft made, powerful enough and so sound. These females give a real striking look. Their donor dam is quickly climbing the ranks of our donor lineup in her first year of production and it's calves like these that make that happen.

Lots 96, 97, 98. These are a trio of really high quality red Simmental heifer calves. They all have that brood cow look and you can certainly just envision them as cows. Pedigree tells us their udders will be beautiful and the spread and teat placement at this stage of the game looks like that's bang on. These three will be fun to follow moving forward.

IPU BENTLEY 81F  
  
RF CERTAINLY FLIRTIN 202Z

Bentley daughters off the incredible production powerhouse, 202Z! We are committed to selling our best and that is the only reason females of this quality with rich, deep pedigree such as theirs are made available for sale. Awesome structured, sound made, big bodied and great looking. Great opportunity to pick either a black or a red full sister, or never know your wrong and take them both!

# Rust Ms Knock Out 3200 L Simmental Open Heifer

Homo Polled /// Hetero Black Baldy /// 4218413 /// February 10, 2023 /// bw-97 /// adj ww-655

A pair that have been really hard to miss from an early age. In late fall, this was a pair that the Bohrsen crew really admired. They would be full sisters to the dam or the \$90,000 RF No Limits herd bull whose first progeny just sold this past fall and were very well received with many daughters selling over \$30,000. We have the utmost amount of confidence in these females as their proven pedigrees and proof in the pudding sisters take out any guess work. Expect awesome udders and productive futures when you grab ahold of these girls.

*Rust Me Angel 3521L* Simmental Open Heifer

Homo Polled /// Hetero Black Baldy /// 4218457 /// April 19, 2023 /// bw-95 /// adj ww-584

A black blaze sweetheart to be featured at the end of the catalogue. This Berwick daughter is super fancy and still built on a big solid foundation. These Angel daughters keep getting better with age and we believe your going to love 3521L sale day and more each day that passes.

# IMPORTANT SALE INFORMATION

**TERMS:** Terms of sale are cash or good check, US Funds only, made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks.

**LIABILITY:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIMEAgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller.

**BREEDING INFORMATION:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only.

**HEALTH:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale.

**GUARANTEE:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All claims on bred females must be made in writing within 60 days of the sale date.

**INSURANCE:** Livestock insurance will be available at the clerk's desk through multiple providers.

**TRUCKING:** If you require assistance in transporting your purchases please contact the sale manager. Every effort will be made to minimize costs to the buyer.

**ANNOUNCEMENTS:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials.

## Rust Mountain View Ranch Aggressive Incentive Program

To qualify for this Aggressive Incentive Program the individual or ranch must meet the following criteria.

- Bulls individual purchase price must exceed 3250.00 per bull. For example buy 3 bulls above 3250.00 per bull and you will receive a 4% discount. If you buy 4 bulls and 3 are above 3250.00 per bull but the 4th bull is purchased at \$3,000 you will receive the 4% discount on the 3 bulls, but the 4th bull would not qualify for a discount.
- All purchases must go to the same individual or ranch. Bulls can not be lumped together between neighbors or friends.
- At any time Rust Mountain View Ranch believes this Aggressive Incentive Program is being abused by any individual or ranch, the Incentive Program will no longer apply to that individual or ranch.

3 Bulls – 4% Discount

4 Bulls – 5% Discount

5 Bulls – 6% Discount

6 Bulls – 7% Discount

7 Bulls – 8% Discount

8 Bulls – 9% Discount

9 Bulls – 10% Discount

10 Bulls Plus – 15% Discount
