[5% Discount to Anyone Buying Five Head or More]

Dear Friends and Cattlemen,

Welcome to our 29th Annual Vaughn Farms “Genetics For The Future” production sale. We are very excited about this year’s offering. We would like to also say a big thank you to all of our returning customers for your continued support and a big welcome to any potential new customers.

This year’s set of bulls were weaned in late September and have exploded into true breeding bulls. We feel this is truly the best set we have ever produced and look forward to showing them to you. The bred heifers are straight from the replacement pen and are big-time cow makers—you won’t be disappointed. They will make excellent cows that will have a long-lasting impact on your herd.

We know details are important when it comes to your purchase, and we are here to assist you with what you are looking for. Please reach out to any of us before the sale so we can go over the specifics as to what you are looking to bring to your herd. Or even better yet, stop by for a visit and see the whole herd.

Once again, we will be offering \$50 off all bulls taken home the day of the sale. We strongly encourage anyone that does not take their animals home sale day to look into insuring them. The bulls we take home will be semen tested with deliveries starting April 1. With the bred heifers being so close to their due dates, we kindly ask you to take them home sale day or make arrangements with us prior to the sale.

The sale will be broadcast live on DVAuction. Videos and supplement sheets will be available approximately two weeks prior to the sale online at dvauction.com and vaughnfarmslimousin.com.

We look forward to seeing you sale day, Wednesday, February 21 at 1:00p.m. Lunch will be served above the sale ring starting at 11:30 am. Come hungry.

Thank you from all of us at Vaughn Farms Limousin,

David, Brittany, Wyatt, Remi and Hope
Craig, Kelly, Weston and Maggie
Tom and Rita

Retaining 50% Semen Interest.

What a way to start off this year's sale! This red, homozygous polled, herd sire prospect is sure to be a crowd favorite. He is sired by TREF Gunpowder 290G, the SYES Easy Going 77E son that was the top-selling lot at the 2020 Trefitz Where Muscle Still Matters Annual Bull Sale. His dam is DLVL Miss Draft 8100F, a beautifully patterned DLVL Draft 622D daughter. Visually, he is heavily structured and level-topped with extra muscle expression. He moves freely off both ends of his skeleton. On paper, DLVL Leading Edge has impressive stats—a 72 weaning weight EPD, a 115 yearling weight EPD, a 32 carcass weight EPD, a 1.30 ribeye EPD and a 16 EPD for docility. Make no mistake, this young stud is the real deal. Be sure to have him on the top of your list.

Here is a bull that deserves some serious attention. Study his length of body, level top and hind quarter dimension. He is sired by TREF Engineer 807E, the high seller in the Treftz Where Muscle Still Matters 2018 sale. His dam is CRVL Miss Draft 876F, a cow with a great look. Numerically, CRVL Lead The Way 3112L has a well-balanced EPD profile highlighted by his balanced carcass traits. He ranks in the top 2% of the breed for ribeye and top 5% for yield grade. This homozygous polled, red herd sire should be at the top of your list come sale day.

A big-time growth bull here! If you are searching for a herd sire prospect that will add pounds, look no further than DLVL Luke 301L. He recorded a 727 lb. 205-day weight that ratioed a 104. This explosive growth could be predicted due to his performance EPDs as his weaning weight and yearling weight both rank in the top 15% of the breed. His sire is Wulfs Genius 5293G, the lead bull of Wulf Cattle's NWSS Reserve Division Champion Pen of 3. His dam is a two-year-old TASF Crown Royal 960C daughter that did an outstanding job with her first calf. Numerically, he offers a 77 weaning weight EPD and a 114 yearling weight EPD. Both traits rank in the top 15%. If you continue to study his EPDs, you will find a top 20% ranking for carcass weight and top 25% ribeye ranking. This combination of presence and numbers project him to be the type of herd bull that produces well-balanced, polled, stout calves' year-in and year-out.

This herd sire prospect will add performance, docility and carcass advantages to any herd he is applied to. Stout featured and ruggedly designed best describe him. He is sired by JYF Groundfloor 303G, the PLNS Polled Executioner 19E son that sold in JYF's 2021 production sale that ranks in the top 5% of the breed or higher for 4 EPDs. On paper, DLVL Lifetime 346L doesn't disappoint by ranking in the top 10% for docility, top 15% for milk and top 25% for carcass weight. This herd sire prospect has all the pieces. Bid with confidence.

Well-balanced is the term that best describes this young herd sire prospect sired by Richmond Grid Iron SRD 171G. He is stout-featured, long-bodied, wide-based and truly impressive when set into motion. Besides his phonetical advantages, on paper he reads well. He ranks in the top 3% for yield grade, top 5% for ribeye, top 15% for docility and top 25% for both weaning weight and yearling weight. His dam, DLVL Miss Bud Ice 711E, is a six-year-old that did a great job. Don't miss this homozygous polled, red-hided purebred.

TOMV Long Beach 384L is another TREF Engineer 807E son from a HUNT Toronto 93T daughter. Long Beach is a red-hided purebred that will add carcass merit to your herd! He ranks in the top 10% for both carcass weight and scrotal and top 20% for milk and ribeye area. Lots of muscle shape and a strong top. Be sure you are on the right side of the last bid!

CRVL Larger Than Life 3122L is a homozygous polled, red Purebred from the TREF Jack Of Clubs 1604J sire and out of a DLVL Draft 622D daughter. He is long bodied, bold and flashy with a ton of muscle and class. He is balanced numerically and rugged in his look. The best way to truly appreciate this bull is from the rear and the top. Add this well-bred bull to your herd.

DVAuction

Broadcasting Real-Time Auctions

You must register to bid online prior to the sale.

Supplement sheets with yearling weights, scrotal measurements and carcass scan data will be available approximately two weeks before the sale online at DVAuction.com

Holy Cow! Here's two females that combine a well-balanced look with plenty of stoutness and muscle shape. Both females are robust through their center body, unbelievably strong in their tops and flat-good from all angles. Don't miss these females, we think they have a bright future ahead of them no matter what your plans hold.
