18th Annual BULL SALE

Tuesday • 2 PM CST

April 9, 2024

At the Ranch: 4651 2nd Ave NE, Karlsruhe, ND

Videos and online bidding at bid.superiorlivestock.com

Dear Cattle Producers,

Welcome to the 2024 Hager Cattle Company Lim-Flex Bull Sale! As we gather on Tuesday, April 9, 2024, at our ranch, I am thrilled to extend a warm greeting to each of you. This year promises to be an exceptional event, filled with prime opportunities to secure top-tier genetics for your herds.

Let me begin by saying, we find ourselves in an extraordinary cattle market. Record high prices coupled with a soaring demand for beef paint a vibrant picture of prosperity in our industry. It's no secret that cow numbers are at an all-time low. That's why now, more than ever, is the perfect moment to invest in quality genetics.

This year, Hager Cattle Company proudly returned to the National Western Stock Show after a brief hiatus. Our efforts were met with success as we secured the Reserve Champion Pen of Three Lim-Flex bulls. The energy and excitement in Denver were palpable, and we aim to capture that same spirit right here on our ranch.

This winter has been exceptional for calving. With wonderful temperatures and favorable conditions, our herd has thrived, ensuring the quality and health of our offerings.

In response to overwhelming demand, we are reintroducing the open heifer offering in this year's sale. You'll have the opportunity to acquire 80 top-cut commercial Lim-Flex replacement females. These Lim-Flex females are more

than just cattle; they represent a remarkable opportunity for your operation. With cow numbers at an all-time low, seizing this chance is crucial for the growth and sustainability of your herd.

I urge you to take advantage of the extraordinary opportunities that await you at our sale. Whether you're a seasoned producer or new to the industry, there has never been a better time to invest in quality genetics and secure the future of your operation.

As you peruse through our catalog, I encourage you to envision the possibilities that lie ahead. Each bull and heifer represents not just an investment but a partnership in the success of your herd.

Thank you for considering Hager Cattle Company as your source for premium genetics. We look forward to welcoming you to our ranch and sharing in the excitement of this year's sale.

~Austin, Leah, Bailee, Pitch, Tripp, and Remmi Hager

ONLINE BIDDING:

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received a buyer number it will show your name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as

LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at Bid.SuperiorLivestock.com/how-it-works.

TURN IN BIDS OVER THE PHONE:

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids.

FOR HELP WITH REGISTRATION OR ANY PART OF THE BIDDING PROCESS PLEASE CALL SUPERIOR AT (800) 422-2117.

We do not wish to clutter your mailbox; to be removed from our mailing list please email your name and address to hagercc@srt.com.

TIME AND LOCATION:

Tuesday, April 9, 2024 • 2:00 p.m. CST • At the Ranch
GPS address: 4651 2nd Ave NE, Karlsruhe, ND 58744

 - Cobblestone Inn and Suites, 402 US-2, Rugby, ND, 701-881-3000

Food and refreshments will be served at the sale.

EPDS AND ADDITIONAL DATA:

All EPDs have been provided by the North American Limousin Foundation and were pulled on March 1, 2024. NALF updates EPDs on a weekly basis, which may cause minor changes to the EPDs presented in this catalog. Scrotal measurements and ultrasound data will be available by April 1.

Hager Cattle Company is a member of LIMS.

ANNOUNCEMENTS:

Announcements made sale day will take precedence over printed material in catalog.

TRANSPORTATION:

Free delivery in North Dakota and surrounding states on purchases of **\$4,000 or greater**. Delivery beyond will be done in the most cost efficient manner possible.

GUARANTEE:

The breeding period is defined as 90 days following the first turn out. Hager Cattle Company guarantees purchases selling for \$3,500 or more at a value of 100% credit, less \$1,800 (considered the salvage value of the bull) toward the purchase of one bull in the following year's bull sale. If the new purchase costs less than the credit amount, no further credit is due. One purchase credit cannot be used on multiple bulls (1 for 1 only). In the event of death or injury, please contact us as soon as possible. If a replacement bull is needed to help you through the breeding season, we will provide one if one is available.

TERMS:

Terms of the sale are cash unless prior credit arrangements are made between buyer and seller. Settlements are to be made immediately after the conclusion of the auction. All cattle sell under the recommended terms and conditions of the North American Limousin Foundation. You may request a copy of those terms from Austin Hager or the sale consultants, or go to www.NALF.org to view online.

HEALTH:

Inforce 3, First Defense, Bovi-Sheild Gold 5, One Shot, 7 Way, Sommus, Dectomax Injectable, Clean-Up. Johnes tested cattle herd since 2012; all bulls selling are from a negative tested dam. Herd health: Dr. Kristie Best - 701-537-0502.

INSURANCE:

As soon as an animal is purchased, it becomes the responsibility of the buyer. We do recommend buying insurance sale day as we will not be responsible for sickness or injury after sale day. **Brett Schaefer - Heritage Insurance Services (701) 818-0806.**

SEMEN:

If you are interested in purchasing semen on any Hager Cattle Company sires, contact Austin Hager.

ABSENTEE BIDS:

Mailed or telephone bids will be handled in the most confidential manner. If you are unable to be present to place your bids, please feel free to contact Hager Cattle Company. Individuals will be available on site to handle absentee bids and we would ask that you contact Austin Hager prior to the sale so we can be sure to accommodate your needs.

VOLUME PURCHASES:

Buy 5 or more bulls and receive a 5% discount.
Buy 10 or more bulls and receive a 10% discount.
\$50 credit per bull if buyer hauls home sale day.

LIABILITY:

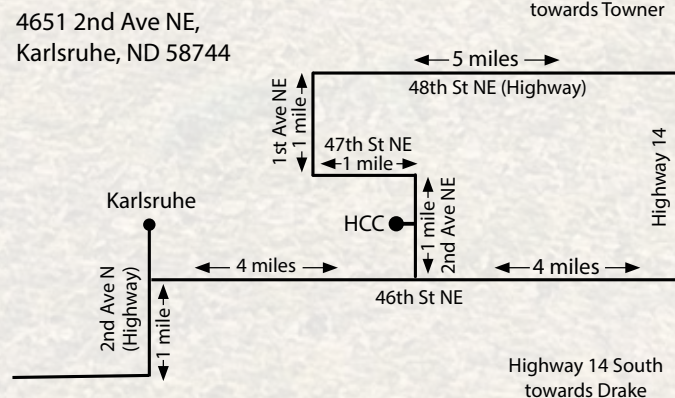

Each animal will be the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owner nor sales management can be responsible for accidents, but every effort will be made to provide for the safety and comfort of those attending the sale.

It is with great excitement that we offer this genetic opportunity on AHCC Land Shark 9624L, a bull that has created a lot of chatter amongst breeders around the nation! Land Shark was recently the lead off bull of our 2024 Reserve Champion Pen of Lim-Flex Bulls at the National Western Stock Show. When displayed in Denver, Colorado, many cattlemen admired him for his eye-catching phenotype. He combines athleticism, muscle expression, bone, length of body, power and mass – all while maintaining a masculine look. It is challenging to find double homozygous cattle as complete and intriguing as this future herd sire. He is a son of Wulfs Gameboy C911G, the high seller in the 2020 Wulf Cattle Opportunity Sale and popular A.I. sire, proven to transmit eye-catching phenotypes. His dam is a moderate made, functionally patterned female that is perfect in terms of her utter quality and foot shape. On paper, he boasts exceptional growth and performance figures, ranking in the top 1% for weaning weight and total maternal. Continue to study his EPDs to find a top 2% ranking for yearling weight and top 5% for mainstream terminal index. Also, take note of his impressive carcass merit. Don't miss out on your chance to purchase semen on a remarkable individual that will predictably advance your breeding program to new heights. We feel AHCC Land Shark 9624L as an A.I. sire will unite real-world values with a look cattlemen demand.

2024 NWSS RESERVE PEN OF THREE LIM-FLEX BULLS

**SELLING CHOICE AND PRIVILEGE OF LOTS 2 AND 3.
WINNING BIDDER HAS THE OPTION TO TAKE PICK OR BOTH.**

Lot 2 - This Gateway son was a member of our 2024 Reserve Champion Lim-Flex pen at the NWSS. Phenotypic standout since birth, AHCC Gateway 917L charts an impressive set of numbers. He ranks in the top 25% or better for 13 EPD traits. He combines an impeccable spread from birth to growth, and outstanding maternal and marbling traits. Visually speaking this bull is super sound made; he combines added length of body, depth of rib, and fleshing ability into a smooth moving package. He is a light birth weight bull with a big adjusted weaning weight, ratioing 121. If you're in the market to add calving ease, performance, and production to your next calf crop, don't miss him sale day! Selling 2/3 interest & full possession.

Lot 2 - Here is the anchor bull to our 2024 Reserve Champion Lim-Flex pen at the NWSS. He possesses the right amount of depth, natural thickness, and muscle shape to make the most discriminating cattlemen take notice. Moderate birth coupled with outstanding growth and maternal characteristics propel this bull into elite herd bull status. He also combines breed leading carcass traits ranking in the top 25% of the breed for REA and MARB. If you're searching for a complete made bull that possesses a remarkable EPD profile and phenotypically pleasing to the eyes, don't overlook this outstanding Gateway son on April 9th! Selling 2/3 interest & full possession.

This Federal Reserve son was the alternate bull to our 2024 Reserve Champion Lim-Flex pen at the NWSS. Breeders take notice. Lot 4 is a powerful son of MAGS Federal Reserve and goes back to one of the most prominent donor cows the Limousin breed has ever seen, LVLS 9066U. AHCC 8071L is a powerhouse of a bull. He combines massive rib shape, depth of body, and natural thickness into a heavy made package. Numerically he combines breed leading growth, milk, maternal, marbling, and \$MTI into a powerful proven predictable pedigree. Genetically he is second to none. If you're looking for proven, predictable genetics that stack up in our breeding program year in and year out, this bull certainly covers all the bases. Selling 2/3 interest & full possession.

New Sire Alert! Wulfs Gameboy is bringing a new twist to the table. He sires high performance, stout made bulls with breed leading EPD profiles. AHCC 879L is a high percentage Lim-Flex who possesses a tremendous amount of skeletal extension, added bone substance, and extra muscle shape and mass. Numerically he combines impressive growth figures ranking in the upper echelon of the breed. If you're looking to increase growth and performance into your next calf crop this bull checks all the boxes.

Outstanding son of AHCC High Noon who has caught our attention since birth. Phenotypically this bull is striking – he combines an abundance of rib shape, body mass, and fleshing ability into an impressive package. His EPD profile is equally impressive ranking in the top 25% of the breed for 11 economically relevant traits. If you're looking to increase growth, milk, maternal, and marbling this bull fits the bill.

“Docility and calving ease are the two number-one things for a commercial rancher. And the docility of Lim-Flex is really great. But a calving ease is top of the line. She has to be able to produce a calf without a lot of problems.”

-Shane Whiting, Commercial Cow-Calf Producer

New Sire Alert! Stop your scroll and check out AHCC 0703L. He is a powerhouse bull that hits the high marks for it all – calving ease, growth, maternal, and carcass. With his ACT BW of 70 lbs. (Ratio: 90) that puts this bull in the top 10% for BW along with top 3% CED and 20% GEST. Then take his ACT WW of 785 lbs. (Ratio: 123) and his ADJ YW of 1394 lbs. (Ratio: 114) for another top 10% ranking in WW, YW, and ADG. Maternal traits are phenomenal with above breed average EPD rankings in the top 1% for MK and TM; 5% for CEM; 35% for ST. Pair that with some high value carcass traits in the breed – top 4% for MB and \$MTI; 15% for CW – and you have yourself an outstanding sire prospect. You will drive your wheels of your truck looking for a bull this complete and powerful to sire a set of calves that can put pounds on the scale and dollars in your pocket. Don't miss out on him sale day.

Stop and take a look at this 5/8 Lim-Flex son out of MAGS Federal Reserve. He had BIG TIME growth at weaning with an impressive ACT WW of 795 lbs. (Ratio: 121) and then again at yearling with and ACT YW of 1375 lbs. (Ratio: 110). His growth rankings are in the top of the breed with 10% for WW; 15% for YW; and 25% for ADG. Next look at his remarkable maternal traits and how they are soaring to the top of the breed with 1% for MK and TM; 15% for SC and ST. Put in some top-ranking MB and \$MTI traits and you have a Federal Reserve sire that will bring profit to the table.

EPD BREED AVERAGE COMPARISONS

There's nothing average about the Hager Cattle Company breeding program. Below is a comparison of EPD averages for non-parent Limousin and Lim-Flex animals and the HCC bulls in this year's sale. The 69 bulls in the 2024 HCC Bull Sale are at or above breed averages for nearly all EPD traits! The EPDs from the North American Limousin Foundation (NALF) are provided by International Genetic Solutions (IGS). Buy with confidence.

CUSTOMER APPRECIATION AWARD:

2023 Winner - John Eulberg, Dupree, SD

John is a third generation western South Dakota cattleman who ranches in Ziebach County. He, his wife Trudy and his step-son, Leo Bakeberg, are all involved in the family commercial cow/calf operation. John started incorporating Limousin in the late 90s, but in the last 15 years has been running primarily Lim-Flex bulls with his Angus cow herd. The Eulberg Ranch has been supporting the HCC program for quite some time with many herd bull purchases made over the years. We appreciate John and his family and look forward to continuing to work with them for years to come!

If longevity in a cow herd is important to you, make sure to circle this bull in your catalog. His dam, AHCC 215Z, is still producing at 12 years of age and possesses a tidy, problem-free udder. Cow longevity is one of the highest economic driving factors in a successful cow herd; this bull fits all the criteria. His maternal EPD traits are off the charts ranking in the top 1% for MK, 5% for CEM; 10% for TM; 25% for ST. This Federal Reserve son is a high percentage Lim-Flex bull that has the ability to sire a set of heifers that will fill up the replacement pen.

63 ✦ AHCC EDGE 5592L

Here is another remarkable set of numbers on a Skynard sired son. Just what you like to see for light birth and high growth; this bull had an ACT BW of 77 lbs. (Ratio: 97) and ADJ WW of 727 lbs. (Ratio: 119). That puts his growth EPD traits in the top 5% for ADG; 15% for WW; and 10% for YW. Look at the maternal package brining rankings in the top 3% for MK and TM; 5% for CEM; 15% for DOC; and 35% for ST. The carcass quality is top notch with EPD rankings in the top 5% for \$MTI; 10% for MB; and 20% for CW. Any ranching operation could benefit from sire prospects as complete and sound made as AHCC Skynard 0488L.

66 ✦ AHCC HANDYMAN 1946L

Check out this light birth Handyman son out of a first calf heifer. He came in with a 73-lb ACT BW (Ratio: 96), showed steady growth all the way to yearling with 1227-lb ADJ YW (Ratio: 101). This helps put 6 of his growth and maternal EPD traits above breed average: top 5% for CED and CEM; 10% for GEST; 35% for BW, SC, and DOC. Equally important is his carcass rankings in the top 15% for MB and 25% for \$MTI. Don't miss out on this bull April 9th, as he can make for an easy calving season and successful day at the sale barn.

68 ✦ AHCC FEDERAL RESERVE 1067L

This Federal Reserve son has a make-up of 5/8 Lim-Flex genetics. He puts together a strong maternal package with EPDs in the top 2% for MK; 5% for CEM; 15% for TM; 30% for SC; and 35% for DOC. There is also notable MB in the top 30% of the breed. Take a good look at this last lot sale day and bid with confidence on this homo black – homo polled, MAGS Federal Reserve son.

LOT 70 - 80 COMMERCIAL LIM-FLEX REPLACEMENT HEIFERS

We are bringing back our commercial Lim-Flex replacement heifer offering. These are 80 top-cut open heifers from our commercial cow herd. These quality heifers have become a sale highlight. They are May born commercial Lim-Flex heifers. The heifers have been Bangs vaccinated and have also had Preg-Guard 10 shots. They will be weighing 750-800 lbs. This is an excellent set of heifers that will sell gate cut in groups of 5. High bidder has the opportunity to roll the pen and take all of the heifers.
