19TH ANNUAL
American
GREAT
PIE SALE

Dear Fellow Breeders,

It is with pride and enthusiasm that we invite you to the 19th edition of the Great American Pie Sale. Over the years, this event has become known as a solid source of Purebred and Lim-Flex genetics.

The membership has dug deep into their respective herds to bring you the kind of cattle they would rather keep. Whether you are searching for females, bulls or genetic opportunities, we believe this year's offering truly offers something for everyone.

We ask you to participate in the variety of events surrounding this sale. Regardless of which state you reside, you are most welcome be a part of our dynamic organization.

We hope to see you April 27. If you should have any questions or comments regarding the sale offering itself or any of the events surrounding it, feel free to contact us directly.

Sincerely,
Nathan Hunt, MLBA President

Limousin Enthusiasts,

Welcome to the 19th Annual Great American Pie Sale, April 27 at the Sand Spring Resort in Lebanon, Missouri.

It is my pleasure to be associated with this fine group of Limousin seedstock producers in Missouri and surrounding states. The Southwest region of Missouri has long been a hotbed for outstanding Limousin genetics, and we feel this offering is representative of the dedication breeders in this area have made to the breed of cattle.

We have worked hard to assemble an outstanding assortment of Limousin and Lim-Flex genetics for the most discerning cattleman. As you study this catalog, you will find some of the most unique and diverse genetics available within the breed.

If I can be of any assistance, please don't hesitate to contact me.

Sincerely,
Kiley McKinna

All the ingredients are here for this pregnancy to produce a top-notch, high-performing individual when she hits the ground! J Bar J Emerging Lady 789 is a daughter of Wulfs Claim K817C, a Wulfs Xcellsior son that was used heavily in our program. She is out of our well-known Limolyn Xilda donor female that has been a mainstay of our program for many years. This daughter has taken the place of her mother in our donor battery. Here she is mated to Wulfs Joint Venture G579J. He was recently shown and sold at the 2023 Black Hills Stock Show where he was purchased by Fillmore Limousin and later crowned Supreme Champion Bull. When displayed in Rapid City, many cattlemen admired him for his eye-catching phenotype. He combines athleticism, muscle expression, bone, length of body, power and mass; all while maintaining a masculine look. It is challenging to find purebred cattle as complete as this intriguing herd sire. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

AUTO LUCKIE TOO 423Y • Full sister to dam of Lot 29
2013 NILSC Grand Champion Limousin Female

AUTO Lucky Clover 469E was a successful show heifer for Cody Heavin. Her pedigree and alluring phenotype made her a fan favorite from the moment she hit the ground. She went on to have a storied show career for Heavin. She took the ring by storm and was named Grand Champion Female at Missouri Limousin Field Day in 2018, Reserve Champion Division I Female at All-American Limousin Futurity in 2018 and many other impressive finishes. Take note, she is a daughter of the popular AI sire AUTO Power Plus 133B and AUTO Luckie 246W. Lucky Clover is one of our most consistent producers and we feel confident that when mated with a bull of your choice, the results will be nothing short of outstanding. Lucky Clover is open and ready to be flushed. She has averaged 15 freezeable embryos on her last six flushes.

AUTO Honor ET is a Schillings R&L Confidential daughter that has been an impact donor. She is a double homozygous Lim-Flex by the legendary AUTO Rebeca 292S. We feel she has tremendous quality, both in the flesh and on paper. She is appreciated for her length of body, depth of rib, attractive front end and strong udder development. AUTO Honor ET is a maternal, big-bodied female with tons of milk. We are confident she will bring positives to your herd in many ways. No matter which bull you choose, the results will be of excellent quality and highly marketable.

OFFERED BY: ATAK LIMOUSIN, AVON, IL

CELL 7215E ET hails from two of the most impressive individuals in the Limousin breed. Her sire, AHCC Cowboy Kind C595, is a known producer of powerful herd sires and deep, broody daughters. Her dam, EF Xpect The Best, has captured many hearts as she continues to produce progeny that have continuously found their way to the winner's circle. The blending of these greats has created this stunning female. She is a beautifully designed, 62% Lim-Flex that is homozygous polled. Her pedigree is solid from top to bottom, providing exciting opportunities that mesh nicely with her well-balanced numerical profile. CELL Kilimanjaro 2218K is about as royally bred as you can make one. His dam, CELL Fascination 8231F, is a product of two greats, MAGS Ali and LLJB Absolute Style 3056A. Kilimanjaro was Lot 1 in Linhart's 2023 bull sale for good reason. He combines a notable pedigree, a balanced EPD profile and eye-catching phenotype. When mated to CELL 7215E the results should be nothing short of extraordinary.

BULLS

Lots 36-46

This year's contributors held nothing back in terms of bringing their best. Fresh pedigrees, impressive performance and EPD figures, along with eye-pleasing phenotype, combine to make this set of bulls a top-quality set of genetics for both the seedstock producer and discerning commercial cow-calf man.

Here is a unique opportunity to take your pick of a group of full sibs from the Glendenning J Bar J operation. These 75% Lim-Flex bulls are homozygous polled, red and royally bred. Their dam is a leading donor—Pinnacle's Honor Roll 72H is a daughter of B Bar x Hawkeye Sting 47F ET out of the great Pinnacle's Exemplary 66E, a pedigree worth investing in. The paternal influence of this mating is the well-known Wulfs Emprize 242E, a red Lim-Flex that was on everybody's radar when he was the anchor bull in the 2019 NWSS Champion Lim-Flex Pen. Emprize progeny have tremendous base width, center capacity and muscle expression. Each bull posts impressive balanced numeric profiles. The earning potential is built in, don't miss out!
