LIMOUSIN FRIENDS & ENTHUSIASTS

We would like to cordially welcome you to our 15th Annual Fall Harvest Production Sale. We are a family operation located just north of Leon, Iowa, in the heart of cow-calf country of southern Iowa. Our Limousin and Lim-Flex operation started in 1979 and has grown to near 400 producing females. Over the years, we've always taken great pride in producing a quality product, our customers successes and doing things the right way.

In this sale offering we have brought you our very best. As you page through the catalog, we hope you'll notice the reflection of many of our premier donor cow families, elite herd sires, a progressive A.I. program and the no 'short-cuts' approach we've adopted over the years. Note, we have brought you our very finest open show heifer prospects. In totality, whether you're a junior looking for a show heifer project or breeder looking to make an investment, rest assured we'll have quality product backed with quality service.

With the sale offering in mind, we would like to take the time to reinforce to our fellow breeders and valued junior show families the opportunity of affordable success that can be found in our sale pens. Over the past several years, we have been extremely fortunate to have sold many females at wide ranging price points that have gone on to win championship banners at the local, regional and national levels. Folks, make no mistake October 19 there will be several high quality females at various price ranges to suit your budget.

That said, it's a priority of ours to make all business transactions with customers a pleasant experience. As it was last year, our sale will be held in our on farm sale facility (GPS directions found under sale information) and the cattle will be displayed in our on site display pens and will be auctioned off on video screens in our facility. In addition, all cattle sold are fully guaranteed to the catalog as in accordance with the North American Limousin Foundation as of September 20, 2024. Furthermore, if you would like to discuss the sight unseen purchase program, financial arrangements or trucking plans we are happy to accommodate.

We are excited to see all of you sale day October 19. If we can be of any assistance to you prior to or during the sale we have an open door policy and welcome all calls and questions.

*Sincerely,
The Linhart Family
Linhart Limousin*

Here is a genetic masterpiece. This female has the elite show ring appeal that will bring her to the forefront of any arena she enters. She is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. Her dam, the great Riverstone Charmed, needs no introduction as she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Charmed progeny have won too many banners to report and this female is no different with all the pieces to compete nationally. With a legend like Riverstone Charmed 50C on the bottom side and the ever-popular ELCX Kings Landing 599 D on the top side, we are confident this female will have success in both the show ring and Elite Female.

Here is an incredibly feminine, beauty of a female that we can't say enough about. She is a sleek made female with added style, tremendous length of body and a phenomenal presence. This daughter of the highly renowned 68% Lim-Flex son of the great RLBH Air Force One, FWLY Can Do, who dominated in the show ring and has continued to garner the attention of breeders from across the entire country. She is out of famed Riverstone Charmed 50C female. Riverstone Charmed 50C. The impact she's had on the Limousin breed as a whole has been monumental and it's safe to say she has played a huge role in bringing the excitement back to the Limousin breed. This donor has produced many great ones, and CELL Maya is just one more to add to the list. This female is strong in her top, smooth in her lines and articulate on the move. She's got big things ahead!

KVLN Magic will the heads of many cattlemen. She is another TASF Heineken 405H daughter and another example of why he has become a go to sire for creating functional cattle with plenty of eye appeal and performance. Magic is out of one of the most predictable donors in the Linhart ET program, MAGS Walkin. Like this female on hand, the Walkin progeny are big footed and deep heeled. She is clean and extended through her front one third and cat-like on the move.

Well balanced is the term that best describes this show stopping female. From the ground up this female is big footed, stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with a practical build. She is sired by popular A.I. sire TASF Heineken 405H, who has been responsible for raising elite progeny in numerous programs across America. Her donor dam, MAGS Walkin, is a DHVO Deuce 132R on the top side and the bottom side is the famed donor BOHI Red Robin 282R, a daughter of storied MAGS Manuela. She puts all the pieces together. This female offers an unwavering presence coupled with an overwhelming amount of power and shape. She reads structurally correct of both ends of her skeleton, is level hipped, deep bodied and ultra feminine. We love this female's completeness and her true cow power. She'll be a true asset to anyone's program and you'll want to have her on your shortlist when the sale begins.

What a powerful female with depth of pedigree and tremendous numbers. Study this female and find natural muscle expression paired with rib dimension. On paper, this female ranks in the top 10% for mainstream terminal index. She is the daughter of AHCC High Stakes 376H who is an absolute standout concerning fertility, structure, power, and feet. This female is stout in her build, attractive from the profile, and reads with such longevity and breeding versatility.

This big time female is flat good from all angles. She is sired by CJSL Data Bank 6124D. Her dam is a hard-working 5-year-old CELL Envision 7023E daughter. This genetic combination will have such a strong influence on her exciting future. What's more, she is double homozygous. Here is a 81% Limousin that will make a great addition to any progressive herd.

Here is a bred female that is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. She is a daughter of CELL Denali 6405D, a senior herd sire in our program. She is a well-balanced female, with a world of cow power and doability. This female is strong in her top, smooth in her lines and articulate on the move.

This female is yet another high-quality FWLY Can Do daughter. She is out of the extremely successful LLJB Absolute Style 3056A, a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. This donor has produced many great ones, and this female is just one more to add to the list. CELL Loretta 3131L is put together just right and has all of the ingredients to be a top-end producer in your program!

Thank You

**THANK YOU TO ALL WHO HAVE PUT TRUST IN
LINHART GENETICS AND ACHIEVED SUCCESS IN
THE SHOW RING AND BEYOND**

Affordable Success

We would like to take the time to reinforce to our fellow breeders and valued junior show families the opportunity of affordable success that can be found in our sale pens. Over the past several years, we have been extremely fortunate to have sold many females in EVERY price bracket below that have gone on to win championship banners at the local, regional and national levels. To illustrate our 'affordable success' mantra take a look at our historically price break averages.

Folks, make no mistake October 19 there will be several high quality females at various price ranges to suit your budget.
